CITY OF CHESTERFIELD

MEMORANDUM

DATE: September 6, 1990

TO: Mayor Jack Leonard
City Council
Michael G. Herring, City Administrator

FROM: Jerry Duepner, Director of Planning/ JD
Economic Development

SUBJECT: September 5, 1990 Planning and Economic Development Committee Meeting

---

Due to lack of a quorum, there was no meeting of the Planning and Economic Development Committee held on September 5, 1990. Councilmembers Jade Bute and Dan Hurt were unable to attend, thus only Councilmembers Betty Hathaway (Chairman) and Dick Hrabko were present.

Item I had previously been acted upon by the City Council at its meeting of September 4, 1990, and was dropped from the agenda. Items II (Political Signs) and III (Review Process of the Planning Commission) were held.

Items IV, V and VI (dealing with vacations of easements/rights-of-way on Old Baxter Road, Schoettler Estates Lot 1, and Chesterfield Crossing, respectively) were not acted upon by the Committee. The Department is forwarding these items to the City Council for review and action at its meeting of September 17, 1990. The Department will take the liberty of requesting ordinances be prepared by the City Attorney for action by Council.
