# Chesterfield Police Memorandum

---

DATE: October 6, 2004  
TO: Michael G. Herring, City Administrator  
FROM: Chief Ray Johnson   
SUBJECT: REQUEST FOR STOP SIGNS

---

The purpose of this memorandum is to submit for your review and forwarding to City Council a request for two three-way stop signs.

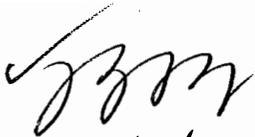

At the October 29, 2003 meeting of the Public Health & Safety Committee of Council, action was taken by the Committee to approve and forward to full Council proposed ordinances establishing three-way stop signs at Eagle Bluff Drive and Eagle Winds Court at their intersection with Riverdale Drive.

Referral to full Council was to take place upon the City's acceptance of the streets after appropriate build up of the subdivision was achieved. Mr. Mike Geisel, Director of Public Works/City Engineer, now advises that has occurred. The attached proposed ordinances are, therefore, ready for forwarding to the full Council for their review and consideration of approval and are submitted here forthwith.

Thank you for your assistance. If you should need anything further relative to this matter, please advise.
