## PERMANENT HIKING, BIKING AND WALKING TRAIL EASEMENT AGREEMENT

THIS PERMANENT HIKING, BIKING AND WALKING TRAIL EASEMENT AGREEMENT (this "Agreement") is made and entered into as of the \_\_\_\_ day of \_\_\_\_\_, 2009 by and between JAMES H. WALLER TRUST DATED NOVEMBER 1, 1989 AS TO AN UNDIVIDED ½ INTEREST, AND CHARLOTTE M. HOCH TRUSTEE OF THE CHARLOTTE M. HOCH REVOCABLE TRUST DATED SEPTEMBER 6, 1989 AS TO AN UNDIVIDED ½ INTEREST ("Grantor") and the CITY OF CHESTERFIELD, a 3rd class city organized under the Statutes of the State of Missouri with offices located at 690 West Chesterfield Parkway, Chesterfield, Missouri 63017 ("Grantee").

WITNESSETH, that Grantor for and in consideration of the sum of One and No/100 Dollar (\$1.00), the mutual agreements and covenants contained herein and other valuable consideration paid by Grantee, the receipt and sufficiency of which are hereby acknowledged, does by these presents grant unto Grantee a fifteen (15) foot wide permanent, nonexclusive easement centered atop the existing Monarch-Chesterfield levee structure (the "Levee") upon the premises listed as locator #18X630014, located at 365 N. Eatherton Road in Chesterfield, Missouri 63005, and further described in the attached Exhibit A , for the limited purpose of constructing, improving, operating, maintaining, repairing and replacing a hiking, biking and walking trail atop the Levee, and incorporated herein by this reference (the "Easement Area").

TO HAVE AND TO HOLD the Easement Area unto Grantee and its assigns and successors forever; subject to the following provisions:

1. Grantee shall construct, improve, maintain, repair and replace any improvements within the Easement Area (a) at its sole cost and expense, (b) in a good and workmanlike manner, (c) in strict accordance with all applicable laws, rules and regulations, and (d) subject to all existing recorded reservations, encumbrances, easements and rights of others in and to the Easement Area.
2. Grantee, at its sole cost and expense, shall maintain in good condition and repair the Easement Area, shall remove all trash and rubbish therefrom and shall not permit any liens to attach against the Easement Area or the property of Grantor.

3. Grantee shall take reasonable measures to discourage persons utilizing the Easement Area from entering the adjacent property owned by Grantor including, at the sole and absolute discretion of Grantee, police patrols, the posting of signs and prosecution of trespassers. Grantee, at its sole costs and expense, shall promptly repair any damage to the property of Grantor or the Easement Area caused by or arising from the use thereof by Grantee, its employees, agents, licensees and invitees, and shall restore Grantor's premises to substantially the condition existing prior to such damage.

4. It is hereby stipulated that, excepting only Grantor's rights in and to the Easement Area as herein recited and the Monarch-Chesterfield Levee District's rights in and to the Easement Area, Grantee shall be conclusively deemed to be in exclusive possession and control of the Easement Area.

5. Grantor agrees not to obstruct or interfere with the normal use or maintenance of the Easement Area or appurtenances thereto and further agrees that Grantor will not place, erect, install or permit in the Easement Area any structure, fixture, improvement, or other obstruction above or below ground that will unreasonably interfere with the intended use of the Easement Area; provided, however, that Grantor reserves the right to use and enjoy the Easement Area in such manner as Grantor shall deem proper, including, but not limited to, all existing access (pedestrian and vehicular) over and across the easement area to real estate owned by Grantor on each side of the existing Monarch-Chesterfield Levee structure, to the extent that Grantor's use does not unreasonably interfere with the intended use of the Easement Area.

6. The Easement Area is, and the grant thereof by Grantor to Grantee is conditioned upon the use of the Easement Area as part of a greenway system of trails or part of a dedicated system of trails that is designed exclusively for the purposes designated in Section 258.100 of the Missouri Revised Statutes, and shall not include roads or streets, or sidewalks, walkways or paths which are intended solely to connect neighborhoods for pedestrian traffic, such as common sidewalks or walkways. In the event (a) the aforesaid trail is not completed and operating within the Easement Area by January 1, 2016; (b) it is judicially determined that the use of the Easement Area by Grantee does not comply with the aforesaid purpose; or (c) it is judicially determined that Grantee has abandoned the Easement Area, the easement granted by this Agreement shall terminate and Grantee shall execute and record in the appropriate public records such instruments as Grantor may reasonably request in confirmation thereof.

7. The presence of this Easement upon Grantor's property shall not negatively impact, affect or impair any density or green space calculations for any current or future use or development of the property owned by Grantor.

8. Nothing herein shall be deemed to waive or limit the ability of Grantor and Grantor's successors and assigns to seek all necessary governmental approvals in order to construct road or other improvements for pedestrian and vehicular access over and across the Easement Area so long as such improvements and access do not unreasonably interfere with the intended use of the Easement Area. It is not Grantee's intention to deprive Grantor or its licensees of access to the areas of Grantor's property divided by the Levee and Grantee agrees that construction of vehicular or pedestrian access across the Easement Area does not, in and of itself, unreasonably interfere with the intended use of the Easement Area.

9. This Agreement contains the entire agreement of the parties with respect to the subject matter hereof and no custom, act or forbearance at any time shall impose any additional obligation or liability upon any party or waive or release any party from any default or the performance or fulfillment of any obligation or liability, or operate as against any party as a supplement, alteration, amendment or change of any term or provision specified herein unless set forth in a written instrument duly executed by such party.

10. No person shall acquire any right, title or interest in any portion of the property of Grantor, except for such rights as are expressly created by this Agreement.

11. This Agreement shall be governed and construed in accordance with the laws of the State of Missouri.

12. The provisions contained herein shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

13. The Grantor does hereby covenant to the Grantee that it is lawfully seized and possessed of the fee ownership of the land and the real estate above described and that it has good and lawful right to convey it, or any part thereof, that it is free from all encumbrances other than those of record, and that it shall forever warrant and defend the title thereto against the lawful claims of all persons claiming by, through or under Grantor but none other.

14. In the event of litigation arising out of or relating to this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs.

IN WITNESS WHEREOF, Grantor and Grantee have executed this Agreement as of the day and year first above written.
