- 2. CVAC Pickleball Court Fencing** – Recommendation to approve the use of \$40,000 of the existing budgeted ARPA pickleball funds to install

fencing and windscreens around the existing four courts at CVAC. **(Roll Call Vote) Parks, Recreation and Arts Committee recommends approval.**

- 3. Pickleball – Budget Earmark** – Recognizing that ARPA funds allocated to pickleball facilities will be re-programmed due to calendar restrictions, the parks, recreation and arts committee unanimously recommended that City Council initially “earmark” \$500,000 of funds from excess General Fund – Fund Reserves over the 40% reserve policy requirement, for the future construction of pickleball facilities, with the understanding that additional funding will be required for construction. This earmark was intended to not only set aside funding for the facilities, but also to reflect the City’s commitment to provide these facilities. Although this “earmark” will not legally restrict the use of the funds set aside, action is required by the Council to segregate this funding. **(Roll Call Vote is required) Parks, Recreation and Arts Committee unanimously recommends approval.**

## **XI. OTHER LEGISLATION**

- A. Proposed Bill No. 3462** - An Ordinance of the City of Chesterfield, Missouri, re-adopting the procedure established in ordinance No. 605 of the City of Chesterfield as the procedure for disclosure of conflicts for certain municipal officials. **(Second Reading)**
- B. Proposed Bill No. 3465 – Council Rules of Procedure** – An ordinance amending Section 110.380 of the City Code related to the City Council’s rules of procedure. City Attorney Graville has recommended adoption of the proposed bill which provides for three changes: 1) eliminates current rule #4 which requires all motions and amendments made from the floor be put in writing and provided to the City Clerk. City Council has simply not followed this procedure historically, and 2) Adds a statutory reference to an elected official violating the confidentiality of a closed session, and 3) Provides a new rule allowing for a procedural postponement which creates an alternative to either postpone to a date certain, or postpone indefinitely. **(First Reading) City Attorney recommends approval.**
