PRESENTATION

As explained within the enclosed MEMO, prepared by Libbey Tucker, Community Services/Economic Development Director, Mayor Nation will be presenting a PROCLAMATION to Ayla (pronounced "I-LAH"), at Monday's City Council meeting.

For a variety of reasons, her mother does not want her last name mentioned, so we have not included it here or in the PROCLAMATION. Since Ayla and her family are in California, she and her family will be joining the meeting via Skype technology. Her cousin, Nathan Sewell (pronounced "Sool") will be present to accept the PROCLAMATION, on behalf of Ayla and her family.

If you have any questions, just let me know.

FINANCE AND ADMINISTRATION COMMITTEE – MAYOR’S VETOES

At the January 21 City Council meeting, action regarding a possible override of the Mayor's vetoes, as itemized below, was deferred until the February 2 City Council meeting:

1. The FY2015 Budget contains a salary pool, based on 3% of all full-time salaries. **The Mayor has vetoed .5% of that amount, or \$43,458, leaving 2.5%.**
2. The FY2015 Budget contains \$200/employee, or a total of \$45,200, for Holiday Grocery Gift Certificates. **The Mayor has vetoed \$100/employee.**
3. The FY2015 Budget contains \$100,000 to cover the full cost of implementing a plan developed by Staff, to bring Public Art IN-HOUSE. As a reminder, this "plan" was discussed at a Special City Council meeting, held in early November. **The Mayor has vetoed that portion of Staff's plan dealing with the promotion of one existing employee, to the position of "Superintendent of Arts and Entertainment" and the hiring of one "Recreation Specialist".** The Mayor's veto will, in effect, remove approx. \$59,000 of the original \$100,000, from the FY2015 Parks Sales Tax Fund Budget, leaving approx. \$41,000 to cover various other costs associated with implementing that plan.
4. The FY2015 Budget contains \$102,000 specifically allocated to enable the hiring of two (2) new Police Officers, as of April 1, covering nine months of salary/fringe benefit expenses. **The Mayor has vetoed \$51,000, or the amount associated with the hiring of one of those Police Officers.**

If you have any questions, please contact F&A Committee Chairperson Derek Grier, prior to Monday's meeting.

RECOMMENDATIONS – PLANNING/PUBLIC WORKS (P/PW) COMMITTEE

As you are aware, the P/PW Committee has not met, since the last City Council meeting. The following will be discussed at Monday's meeting:

1. **Bill No. 3014** – P.Z. 09-2014, Bur Oaks (17751 Wild Horse Creek Road) (**SECOND READING**)
2. **Bill No. 3015** – Minor Subdivision Plat (Long Road and Edison Road) (**FIRST AND SECOND READINGS**)
3. **Next meeting** – Thursday, February, 5, 2015 (5:30pm)

If you have any questions, please contact Chairperson Dan Hurt, any other member of this Committee, Director of Public Services Mike Geisel or me, prior to Monday's meeting.

Re: **Monarch Center Minor Subdivision Plat:** A Minor Subdivision Plat for a 10.97 acre tract of land zoned "PC" Planned Commercial District located on the northeast corner of the intersection of Long Road and Edison Road.

CEDC, on behalf of JLA Development, LLC, has submitted a request for a Minor Subdivision Plat for the Monarch Center Development. This plat is establishing three (3) lots for development which will be served by multiple access points off of Long and Edison Roads. The primary purpose of the plat is to create smaller lots for individual development.

In 2014, the Planning Commission approved a Site Development Concept Plan and the City Council approved a Site Development Section Plan for the Monarch Center Development. The Minor Subdivision Plat currently presented for consideration conforms to the approved SDCP and SDSP.

The Minor Subdivision Plat was presented to the Planning Commission on January 12, 2015 where a motion to recommend approval was passed by a vote of 6-1.

Attached to the legislation, please find a copy of the Minor Subdivision Plat.

 - a. A thirty (30) foot Landscape Buffer shall be required around the entire perimeter of the district except on the southern border. A fifty (50) foot Landscape Buffer shall be required along the southern border adjacent to Wild Horse Creek Road.
 - b. The required Landscape Buffer shall be outside of any developed lot.
2. A minimum of thirty percent (30%) Common Ground shall be required for this district.

G. SIGN REQUIREMENTS

1. Signs shall be permitted in accordance with the regulations of the City of Chesterfield Code.
2. Ornamental Entrance Monument construction, if proposed, shall be reviewed by the City of Chesterfield, and/or MoDOT, for sight distance considerations prior to installation or construction.

H. LIGHT REQUIREMENTS

Provide a lighting plan and cut sheet in accordance with the City of Chesterfield Code.

I. ARCHITECTURAL

The development shall adhere to the Architectural Review Standards and the "WH" Overlay District of the City of Chesterfield Code.

J. ACCESS/ACCESS MANAGEMENT

1. Access to the development shall be as shown on the Preliminary Plan attached hereto and marked as Attachment B, and adequate sight distance shall be provided, as directed by the City of Chesterfield and the Missouri Department of Transportation, as applicable.

2. If adequate sight distance cannot be provided at the access location(s), acquisition of right-of-way, reconstruction of pavement and other off-site improvements may be required to provide the required sight distance as required by the City of Chesterfield and the agency in control of the right of way off which the access is proposed.
3. Secondary access to the development shall be provided as directed by the City of Chesterfield and Monarch Fire Protection District.
4. No lot shall be allowed direct access to Wild Horse Creek Road.

K. PUBLIC/PRIVATE ROAD IMPROVEMENTS, INCLUDING PEDESTRIAN CIRCULATION

1. Oak Ridge Lane shall be a public street and shall not be gated.
2. Provide street connections and right-of-way to the adjoining properties as shown on the Preliminary Plan attached hereto and marked as Attachment B and as directed by the City of Chesterfield and the Missouri Department of Transportation.
3. Stub streets shall conform to the requirements set forth in Article 4 of the Unified Development Code.
4. All roadway and related improvements in each plat or phase of the development shall be constructed prior to issuance of building permits exceeding 60% for that plat or phase. Delays due to utility relocation and/or adjustment, for which the developer is responsible monetarily, shall not constitute a cause to issue permits in excess of 60%.
5. Obtain approvals from the City of Chesterfield and the Missouri Department of Transportation and other entities as necessary for locations of proposed curb cuts and access points, areas of new dedication, and roadway improvements.
6. Additional right-of-way and road improvements shall be provided, as required by the Missouri Department of Transportation and the City of Chesterfield.
7. Provide a 5 foot wide sidewalk, conforming to ADA standards, along Wild Horse Creek Road. The sidewalk shall provide for future connectivity to adjacent developments and/or roadway projects. The sidewalk may be located within right-of-way controlled by another agency, if permitted by that agency or on private property within a 6 foot wide sidewalk, maintenance and utility easement dedicated to the City of Chesterfield.
8. Provide an on-site pedestrian walking trail and community recreation area as shown on the Preliminary Plan attached hereto and marked as Attachment B.
9. Any work within MoDOT's right of way will require a MoDOT permit.

10. The entrance geometrics and drainage design shall be in accordance with MoDOT standards and shall be reviewed and approved by MoDOT.
11. The petitioner shall provide adequate detention and/or hydraulic calculations for review and approval of all storm water that will affect MoDOT right of way.
12. All drainage detention storage facilities shall be placed outside of the standard governmental agencies' planning and zoning setbacks, or 15 feet from the new or existing right of way line, whichever is greater.
13. All proposed work in MoDOT right of way must comply with MoDOT standards, specifications, conform to MoDOT's Access Management Guidelines with detailed construction plans being received and approved by MoDOT.
14. The proposed driveway location is subject to meet MoDOT's sight distance criteria and Access Management Engineering Policy.
15. All sidewalk and pedestrian facilities within MoDOT right of way must meet the ADA standards.
16. A left turn lane will need to be constructed for access to this subdivision from Wild Horse Creek Road as directed by MoDOT and the City of Chesterfield.

L. TRAFFIC STUDY

1. A traffic study may be required as directed by the City of Chesterfield and/or MoDOT. The scope of the study shall include internal and external circulation and may be limited to site specific impacts, such as the need for additional lanes, entrance configuration, geometrics, sight distance, traffic signal modifications or other improvements required, as long as the density of the proposed development falls within the parameters of the City's traffic model. Should the density be other than the density assumed in the model, regional issues shall be addressed as directed by the City of Chesterfield.
2. MoDOT may require a scoping meeting to discuss what type of traffic analysis will be needed to determine the necessary roadway improvements. A traffic impact study may be required to assess the impacts of the proposed development to the state highway system.

M. POWER OF REVIEW

Either Councilmember of the Ward where a development is proposed or the Mayor may request that the plan for a development be reviewed and approved by the entire City Council. This request must be made no later than twenty-four (24) hours after Planning Commission review. The City Council will then take appropriate action relative to the proposal. The plan for a development, for purposes of this section, may include the site development plan, site development section plan, site development concept plan, landscape plan, lighting plans, architectural elevations, sign package or any amendment thereto.

N. STORM WATER

1. The site shall provide for the positive drainage of storm water and it shall be discharged at an adequate natural discharge point(s) or an adequate piped system(s). The adequacy and condition of the existing downstream system(s) shall be verified and upgraded as necessary.
2. Storm water quantity management, channel protection, and water quality improvements shall be provided as required by the Metropolitan St. Louis Sewer District (MSD), Missouri Department of Transportation (MoDOT), St. Louis County, the Monarch Chesterfield Levee District, and the City of Chesterfield. The location and types of storm water management facilities shall be identified on all Site Development and Improvement Plans.
3. Emergency overflow drainage ways to accommodate runoff from the 100-year storm event shall be provided for all storm sewers, as approved by the City of Chesterfield.
4. Offsite storm water shall be picked up and piped to an adequate natural discharge point. Such bypass systems must be adequately designed.
5. The lowest opening of all structures shall be set at least two (2) feet higher than the one hundred (100) year high water elevation in detention/retention facilities. All structures shall be set at least thirty (30) feet horizontally from the limits of the one hundred (100) year high water.
6. Locations of site features such as lakes and detention ponds must be approved by the City of Chesterfield and the MSD.
7. Storm water control easements are required as detailed in Article 4 of the Unified Development Code.
8. The developer shall be responsible for construction of any required storm water improvements per the Chesterfield Valley Master Storm Water Plan, as applicable, and shall coordinate with the owners of the properties affected by construction of the required improvements. In the event that the ultimate required improvements cannot be constructed concurrently with this development, the developer shall provide interim drainage facilities and establish sufficient escrows as guarantee of future construction of the required improvements, including removal of interim facilities. Interim facilities shall be sized to handle runoff from the 100-year, 24-hour storm event as produced by the Master Storm Water Plan model. The interim facilities shall provide positive drainage and may include a temporary pump station, if necessary. Interim facilities shall be removed promptly after the permanent storm water improvements are constructed.

9. The developer may elect to propose alternate geometry, size and/or type of storm water improvements that are functionally equivalent to the required improvements per the Chesterfield Valley Master Storm Water Plan. Functional equivalence is said to be achieved when, as determined by the Public Works Director, the alternate proposal provides the same hydraulic function, connectivity, and system-wide benefits without adversely affecting any of the following: water surface profiles at any location outside the development; future capital expenditures; maintenance obligations; equipment needs; frequency of maintenance; and probability of malfunction. The City will consider, but is not obligated to accept, the developer's alternate plans. If the Public Works Director determines that the developer's proposal may be functionally equivalent to the Chesterfield Valley Master Storm Water Plan improvements, hydraulic routing calculations will be performed to make a final determination of functional equivalence. The Director will consider the developer's proposal, but is not obligated to have the hydraulic analysis performed if any of the other criteria regarding functional equivalence will not be met. The hydraulic routing calculations regarding functional equivalence may be performed by a consultant retained by the City of Chesterfield. The developer shall be responsible for all costs related to consideration of an alternate proposal, which shall include any costs related to work performed by the consultant.
10. All Chesterfield Valley Master Storm Water Plan improvements, as applicable, shall be operational prior to the paving of any driveways or parking areas unless otherwise approved.
11. Formal project development plans, shall be submitted to MSD for review, approval, and permits. The development shall be designed in accordance with the MSD Rules and Regulations and Engineering Design Requirements for Sanitary Sewer and Drainage Facilities that apply at the time of formal submission to MSD.
12. Easement to MSD will be required for any public sewers. The project is located within the Caulks Creek Impact area and is subject to applicable fees.
13. Storm water quality, channel protection, and flood detention requirements will apply. This development will be considered "new development", and controls shall be designed and implemented to reasonably mimic pre-construction runoff conditions (including runoff volume) to the maximum extent practicable. MSD will assess storm water quality and flood detention effectiveness based on the site's January 2000 pre-construction condition.
14. To comply with the region's MS4 Permit, site characteristics should be considered upfront to ensure adequate planning for storm water compliance. A pre-existing natural resources plan should be prepared and used to guide development layout and location of storm water facilities.

15. The drainage areas tributary to each bio-retention cell should be limited to five (5) acres in order to preserve BMP performance and filter longevity. Pretreatment is also required for the point discharges into these facilities. If these items place constraints on the design, MSD encourages the developer to explore methods for reducing impervious area and land disturbance as well as distributing BMPs into other site features located within green space in an effort to minimize water quality impacts and runoff volume generation on the site.
16. Sewers draining into the Chicago Rock Island and Pacific Railroad right-of-way may require approvals and licenses from them.
17. MoDOT approval will be required prior to formal MSD plan approval for public sewer construction located within the Wild Horse Creek Road right-of-way.

O. SANITARY SEWER

1. Sanitary sewers and pump stations shall be as approved by the Metropolitan St. Louis Sewer District and the City of Chesterfield.
2. The proposed public gravity sewer and sanitary pump station shall be designed and configured such that non-sewered offsite properties may connect to it.
3. The receiving sanitary sewer system(s) shall be evaluated to ensure adequate capacity and to ensure the project has no negative impacts to the existing system(s).
4. Easement to MSD will be required for any public sewers. The project is located in the Caulks Creek Impact area and subject to applicable fees.

P. GEOTECHNICAL REPORT

Prior to Site Development Plan approval, the developer shall provide a geotechnical report, prepared by a registered professional engineer licensed to practice in the State of Missouri, as directed by the City of Chesterfield. The report shall verify the suitability of grading and proposed improvements with soil and geologic conditions and address the existence of any potential sinkhole, ponds, dams, septic fields, etc., and recommendations for treatment. A statement of compliance, signed and sealed by the geotechnical engineer preparing the report, shall be included on all Site Development Plans and Improvement Plans.

Q. MISCELLANEOUS

1. Historic Markers shall be included in the development in recognition of the historic significance of the property. Details and location shall be approved by the City of Chesterfield during Site Development Plan review.
2. All utilities shall be installed underground.

3. Prior to record plat approval, the developer shall cause, at his expense and prior to the recording of any plat, the reestablishment, restoration or appropriate witnessing of all Corners of the United States Public Land Survey located within, or which define or lie upon, the out boundaries of the subject tract in accordance with the Missouri Minimum Standards relating to the preservation and maintenance of the United States Public Land Survey Corners, as necessary.
4. Prior to final release of subdivision construction deposits, the developer shall provide certification by a registered land surveyor that all monumentation depicted on the record plat has been installed and United States Public Land Survey Corners have not been disturbed during construction activities or that they have been reestablished and the appropriate documents filed with the Missouri Department of Natural Resources Land Survey Program, as necessary.
5. Road improvements and right-of-way dedication shall be completed prior to the issuance of an occupancy permit. If development phasing is anticipated, the developer shall complete road improvements, right-of-way dedication, and access requirements for each phase of development as directed by MoDOT and/or the City of Chesterfield. As previously noted, the delays due to utility relocation and adjustments will not constitute a cause to allow occupancy prior to completion of road improvements.
6. Spirit of St. Louis Airport's existing FAA Part 150 Airport Noise Compatibility Study recommends that housing developments are not compatible with airport operations if the noise level at the subject site is greater than 65 DNL. The proposed development lies just outside the 65 DNL noise contour. A notation shall be placed on all plans regarding this development that clearly states the project is approximately 2,000 feet away from Spirit's Runway 26L and therefore aircraft noise will be noticeable at the site on a daily basis.

II. TIME PERIOD FOR SUBMITTAL OF SITE DEVELOPMENT PLANS

- A. The developer shall submit a Site Development Plan within eighteen (18) months of City Council approval of the change of zoning.
- B. Failure to comply with these submittal requirements will result in the expiration of the change of zoning and will require a new public hearing.
- C. Said Plan shall be submitted in accordance with the combined requirements for Site Development Section and Concept Plans. The submission of Amended Site Development Plans of this project to the Planning Commission shall be permitted if this option is utilized.
- D. Where due cause is shown by the developer, the City Council may extend the period to submit a Site Development Plan for eighteen (18) months.

III. COMMENCEMENT OF CONSTRUCTION

- A.** Substantial construction shall commence within two (2) years of approval of the Site Development Plan, unless otherwise authorized by ordinance.
- B.** Where due cause is shown by the developer, the City Council may extend the period to commence construction for not more than two (2) additional years.

IV. GENERAL CRITERIA

A. SITE DEVELOPMENT PLAN SUBMITTAL REQUIREMENTS

The Site Development Plan shall include, but not be limited to, the following:

1. Location map, north arrow, and plan scale. The scale shall be no greater than one (1) inch equals one hundred (100) feet.
2. Outboundary plat and legal description of property.
3. Density calculations.
4. Parking calculations. Including calculation for all off street parking spaces, required and proposed, and the number, size and location for handicap designed.
5. Provide open space percentage for overall development including separate percentage for each lot on the plan.
6. Provide Floor Area Ratio (F.A.R.).
7. A note indicating all utilities will be installed underground.
8. A note indicating signage approval is separate process.
9. Depict the location of all buildings, size, including height and distance from adjacent property lines, and proposed use.
10. Specific structure and parking setbacks along all roadways and property lines.
11. Indicate location of all existing and proposed freestanding monument signs.
12. Zoning district lines, subdivision name, lot number, dimensions, and area, and zoning of adjacent parcels where different than site.
13. Floodplain boundaries.

14. Depict existing and proposed improvements within 150 feet of the site as directed. Improvements include, but are not limited to, roadways, driveways and walkways adjacent to and across the street from the site, significant natural features, such as wooded areas and rock formations, and other karst features that are to remain or be removed.
15. Depict all existing and proposed easements and rights-of-way within 150 feet of the site and all existing or proposed off-site easements and rights-of-way required for proposed improvements.
16. Indicate the location of the proposed storm sewers, detention basins, sanitary sewers and connection(s) to the existing systems.
17. Depict existing and proposed contours at intervals of not more than one (1) foot, and extending 150 feet beyond the limits of the site as directed.
18. Address trees and landscaping in accordance with the City of Chesterfield Code.
19. Comply with all preliminary plat requirements of the City of Chesterfield Subdivision Regulations per the City of Chesterfield Code.
20. Signed and sealed in conformance with the State of Missouri Department of Economic Development, Division of Professional Registration, Missouri Board for Architects, Professional Engineers and Land Surveyors requirements.
21. Provide comments/approvals from the appropriate Fire District, Monarch Levee District, Spirit of St. Louis Airport, Metropolitan St. Louis Sewer District (MSD) and the Missouri Department of Transportation.
22. Compliance with Sky Exposure Plane.
23. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.

V. TRUST FUND CONTRIBUTION

A. ROADS

The developer shall contribute a Traffic Generation Assessment (TGA) to the Eatherton – Kehrs Mill Road Trust Fund (Trust Fund No. 552). This contribution shall not exceed an amount established by multiplying the ordinance-required parking space by the following rate schedule:

<u>Type of Development</u>	<u>Required Contribution</u>
Single Family	\$1,055.10/Parking Space

(Parking spaces as required by the site-specific ordinance or by Section 1003.165 of the St. Louis County).

If types of development proposed differ from those listed, rates shall be provided by the St. Louis County Department of Highways and Traffic.

Allowable credits for required roadway improvements will be awarded as directed by the St. Louis County Department of Highways and Traffic and the City of Chesterfield. Sidewalk construction and utility relocation, among other items, are not considered allowable credits.

Traffic Generation Assessments shall be paid prior to issuance of building permits. Payment shall be made to Treasure, St. Louis County.

As this development is located within a trust fund area established by St. Louis County, any portion of the traffic generation assessment contribution which remains following completion of road improvements required by the development shall be retained in the appropriate trust fund.

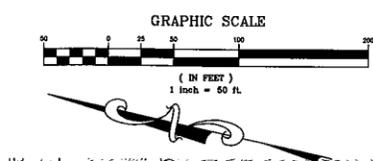

The amount of the required contribution, if not approved for construction by January 1, 2015 shall be adjusted on that date and on the first day of January in each succeeding year thereafter in accord with the construction cost index as determined by St. Louis County Department of Highways and Traffic.

VI. RECORDING

Within sixty (60) days of approval of any development plan by the City of Chesterfield, the approved Plan will be recorded with the St. Louis County Recorder of Deeds. Failure to do so will result in the expiration of approval of said plan and require re-approval of a plan by the Planning Commission.

VII. ENFORCEMENT

- A.** The City of Chesterfield, Missouri will enforce the conditions of this ordinance in accordance with the Plan approved by the City of Chesterfield and the terms of this Attachment A.
- B.** Failure to comply with any or all the conditions of this ordinance will be adequate cause for revocation of approvals/permits by reviewing Departments and Commissions.
- C.** Non-compliance with the specific requirements and conditions set forth in this Ordinance and its attached conditions or other Ordinances of the City of Chesterfield shall constitute an ordinance violation, subject, but not limited to, the penalty provisions as set forth in the City of Chesterfield Code.
- D.** Waiver of Notice of Violation per the City of Chesterfield Code.
- E.** This document shall be read as a whole and any inconsistency to be integrated to carry out the overall intent of this Attachment A.

ORDINANCE NO. _____

AN ORDINANCE PROVIDING FOR THE APPROVAL OF A MINOR SUBDIVISION PLAT FOR A 10.97 ACRE TRACT OF LAND ZONED "PC" PLANNED COMMERCIAL DISTRICT LOCATED ON THE NORTHEAST CORNER OF THE INTERSECTION OF LONG ROAD AND EDISON ROAD. (17U120210 and 17U120100).

WHEREAS, CEDC on behalf of JLA Development, LLC has submitted for review and approval a Minor Subdivision Plat for the above referenced property located on the northeast corner of the intersection of Long Road and Edison Road; and,

WHEREAS, the purpose of said Minor Subdivision Plat is to re-subdivide a 10.97 acre tract of land into three (3) commercial lots; and,

WHEREAS, the Planning Commission having reviewed the same and has recommended approval thereof; and,

WHEREAS, the Department of Public Services has reviewed the Minor Subdivision Plat in accordance with the Unified Development Code of the City of Chesterfield and has found it to be in compliance with all applicable ordinances and has forwarded said Minor Subdivision Plat to the City Council; and,

WHEREAS, the City Council of the City of Chesterfield having considered the request, voted to approve said Minor Subdivision Plat.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHESTERFIELD, ST. LOUIS COUNTY, MISSOURI, AS FOLLOWS:

Section 1. The Minor Subdivision Plat which is attached hereto as "Exhibit 1" and made part hereof as if fully set out herein is hereby approved; the owner is directed to record the plat with the St. Louis County Recorder of Deeds Office.

Section 2. The Mayor and City Clerk are authorized and directed to evidence the approval of the said Minor Subdivision Plat by affixing their signatures and the official seal of the City of Chesterfield as required on the said document.

Section 3. This Ordinance shall be in full force and effect from and after its passage and approval.

NEWSLETTER - CITY COUNCIL MEETING

2/2/15

AGENDA REVIEW – Monday, February 2 – 6:30PM

Please note that an AGENDA REVIEW meeting has been scheduled for **6:30pm**, on Monday, February 2, 2014. The enclosed AGENDA contains a list of those items to be discussed, by City Council, at this meeting.

As always, if you have any questions regarding any of the items contained within said AGENDA, please let me know. Additionally, if there is anything that you would like ADDED to said AGENDA, please contact either Mayor Nation, or me, prior to Monday's meeting.

Please note that, at the request of City Attorney Rob Heggie, an EXECUTIVE SESSION (CLOSED MEETING), has been scheduled and will take place at the end of the AGENDA REVIEW meeting. Mr. Heggie has requested 20-25 minutes for this EXECUTIVE SESSION.

UPCOMING MEETINGS/EVENTS

Monday, February 2	HAPPY BIRTHDAY TO COUNCILMEMBER GRISSOM!
Thursday, February 5	P/PW Committee (5:30pm)
Monday, February 9	Planning Commission (7pm)
Tuesday, February 10	Chesterfield Community Development Advisory Committee (City Hall) (7:30am)
Monday, February 16	President's Day (City Hall Closed)
Wednesday, February 18	Next City Council meeting

PRESENTATION

As explained within the enclosed MEMO, prepared by Libbey Tucker, Community Services/Economic Development Director, Mayor Nation will be presenting a PROCLAMATION to Ayla (pronounced "I-LAH"), at Monday's City Council meeting.

For a variety of reasons, her mother does not want her last name mentioned, so we have not included it here or in the PROCLAMATION. Since Ayla and her family are in California, she and her family will be joining the meeting via Skype technology. Her cousin, Nathan Sewell (pronounced "Sool") will be present to accept the PROCLAMATION, on behalf of Ayla and her family.

If you have any questions, just let me know.

FINANCE AND ADMINISTRATION COMMITTEE – MAYOR'S VETOES

At the January 21 City Council meeting, action regarding a possible override of the Mayor's vetoes, as itemized below, was deferred until the February 2 City Council meeting:

1. The FY2015 Budget contains a salary pool, based on 3% of all full-time salaries. **The Mayor has vetoed .5% of that amount, or \$43,458, leaving 2.5%.**
2. The FY2015 Budget contains \$200/employee, or a total of \$45,200, for Holiday Grocery Gift Certificates. **The Mayor has vetoed \$100/employee.**
3. The FY2015 Budget contains \$100,000 to cover the full cost of implementing a plan developed by Staff, to bring Public Art IN-HOUSE. As a reminder, this "plan" was discussed at a Special City Council meeting, held in early November. **The Mayor has vetoed that portion of Staff's plan dealing with the promotion of one existing employee, to the position of "Superintendent of Arts and Entertainment" and the hiring of one "Recreation Specialist".** The Mayor's veto will, in effect, remove approx. \$59,000 of the original \$100,000, from the FY2015 Parks Sales Tax Fund Budget, leaving approx. \$41,000 to cover various other costs associated with implementing that plan.
4. The FY2015 Budget contains \$102,000 specifically allocated to enable the hiring of two (2) new Police Officers, as of April 1, covering nine months of salary/fringe benefit expenses. **The Mayor has vetoed \$51,000, or the amount associated with the hiring of one of those Police Officers.**

If you have any questions, please contact F&A Committee Chairperson Derek Grier, prior to Monday's meeting.

RECOMMENDATIONS – PLANNING/PUBLIC WORKS (P/PW) COMMITTEE

As you are aware, the P/PW Committee has not met, since the last City Council meeting. The following will be discussed at Monday's meeting:

1. **Bill No. 3014** – P.Z. 09-2014, Bur Oaks (17751 Wild Horse Creek Road) (**SECOND READING**)
2. **Bill No. 3015** – Minor Subdivision Plat (Long Road and Edison Road) (**FIRST AND SECOND READINGS**)
3. **Next meeting** – Thursday, February, 5, 2015 (5:30pm)

If you have any questions, please contact Chairperson Dan Hurt, any other member of this Committee, Director of Public Services Mike Geisel or me, prior to Monday's meeting.

LEGISLATION - PLANNING COMMISSION
