RE: 2015 Sidewalk Replacement Project

The Department of Public Services publicly opened bids for the 2015 Sidewalk Replacement Project on June 2, 2015. The results of the bid opening are detailed in the attached memorandum from Project Manager Matt Dooley. After reviewing the bids, Staff recommends the project be awarded to the low bidder, Amcon Municipal Concrete, in the bid amount of \$200,225. Amcon has successfully performed concrete flatwork in the City of Chesterfield in the past and is positively recommended by City Staff.

The work included within this project encompasses the replacement of portions of City maintained sidewalk throughout Chesterfield. The project will alleviate a number of sidewalk deficiencies, including trip hazards, ponding water, and sedimentation. This project is budgeted for \$200,000 within Account 120-079-5497. Should you have questions or require additional information on this project, please let me know.

Action Recommended

This matter should be forwarded to the City Council for consideration. Should Council concur with Staff's recommendation, it should authorize the City Administrator to enter into an Agreement with Amcon Municipal Concrete in the amount of \$200,225.
