Ms. Nancy Gheen, 2130 Park Forest Drive, stated she was available to answer questions related to Bill No. 3094 (Boundary Adjustment for Clarkson Woods Subdivision).

## **INTRODUCTORY REMARKS**

Mayor Nation announced that the next meeting of City Council has been scheduled for Monday, June 20, at 7 p.m.

Mayor Nation recognized a Boy Scout in attendance and invited him to stay after the meeting, to ask any questions he may have.

Mayor Nation announced that, in accordance with the contract approved by City Council on May 16, the Novak Consulting Group has begun the process of providing our City with a professional executive search to fill the City Administrator position left open by the former City Administrator's retirement. Representatives from the Novak Group have met with City staff and have interviewed the Mayor and all Councilmembers, who have assisted them in developing a recruitment profile including ideal candidate traits and first year priorities for the position. Novak representatives have also conducted an assessment of the internal candidate. In keeping with the timelines established by Council, the Novak Group is moving forward with the process of soliciting applications from potential candidates nationwide. This next phase, as stated in the approved contract, will include the City posting the City Administrator position with the Missouri Municipal League. Additionally, the Novak Group will be soliciting candidates by posting the position with the International City Manager's Association, Diversity Jobs.com, Government Jobs.com, the National Forum for Black Public Administrators and the Municipal League of Metro St. Louis. Following receipt and screening of potential candidates, the Novak Group will meet with Mayor and Council to review the applicants and determine the final interview group. The Novak Group is optimistic that they will be able to adhere to the timelines that have been established.

Councilmember Flachsbart made a motion, seconded by Councilmember Hurt, to suspend the rules and address Bill No. 3094 (Boundary Adjustment for Clarkson Woods Subdivision) under the "Legislation" portion of the agenda. A roll call vote was taken with the following results: Ayes – Hurt, Logan, DeCampi, Flachsbart, Nations, Tilman, DeGroot and McGuinness. Nays – None. Whereupon Mayor Nation declared the motion passed.

BILL NO. 3094 PROVIDES FOR THE APPROVAL OF A BOUNDARY ADJUSTMENT PLAT FOR THE CLARKSON WOODS DEVELOPMENT, LOT 4 and LOT 5, FOR A 1.201 ACRE TRACT OF LAND ZONED "R-2" RESIDENCE DISTRICT LOCATED EAST OF THE INTERSECTION AT CLARKSON ROAD AND PARK FOREST DRIVE (**FIRST AND SECOND READINGS; DEPARTMENT OF PUBLIC SERVICES RECOMMENDS APPROVAL**)

Councilmember Hurt made a motion, seconded by Councilmember Flachsbart, for the first reading of Bill No. 3094. A voice vote was taken with a unanimous affirmative result and the motion was declared passed. Bill No. 3094 was read for the first time.

Councilmember Hurt made a motion, seconded by Councilmember Flachsbart, for the second reading of Bill No. 3094. A voice vote was taken with a unanimous affirmative result and the motion was declared passed. Bill No. 3094 was read for the second time. A roll call vote was taken for the passage and approval of Bill No. 3094 with the following results: Ayes – DeGroot, Hurt, Logan, Tilman, Nations, DeCampi, McGuinness and Flachsbart. Nays – None. Whereupon Mayor Nation declared Bill No. 3094 approved, passed it and it became **ORDINANCE NO. 2895**.

### **APPOINTMENTS**

There were no appointments.

### **COUNCIL COMMITTEE REPORTS**

#### **Finance and Administration Committee**

Councilmember Bruce DeGroot, Chairperson of the Finance and Administration Committee, deferred to Councilmember Flachsbart who was the prior Chair of this committee. Councilmember Flachsbart made a motion, seconded by Councilmember DeGroot, to refer the contents of Bill No's. 3076, 3077 and 3078 (Amends Previously-Adopted Ordinances re: City Attorney, Prosecuting Attorney and Municipal Judge) as well as Bill No's. 3082 through 3089 back to the Finance & Administration Committee for consideration, and remove these bills from the City Council agenda. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

#### **Planning/Public Works Committee**

Councilmember Dan Hurt, Chairperson of the Planning/Public Works Committee, reported that Bill No. 3092 (Temporary Traffic Control Devices and Signs) will be considered for adoption under the "Legislation" portion of the agenda.

Councilmember Hurt made a motion, seconded by Councilmember Logan, to designate Mike Geisel to serve as the City's representative on both the Chesterfield Valley Transportation Development District and the North Outer 40 Transportation Development District. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Councilmember Hurt made a motion, seconded by Councilmember Flachsbart, to hold the St. Luke's Hospital Northwest Campus Sign Package vote until the June 20 Council meeting, at the request of the petitioner. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Councilmember Hurt reported that Bill No. 3094 (Boundary Adjustment for Clarkson Woods Subdivision) was addressed earlier in the meeting.

Councilmember Hurt announced that the next meeting of this Committee has been scheduled for Thursday, June 9, at 5:30 p.m.

### **REPORT FROM THE CITY ADMINISTRATOR**

Acting City Administrator Mike Geisel reported that Chimi's Fresh Mex, located at 60 Four Seasons Shopping Center (formerly Kirlin's Hallmark), has requested a new liquor license, to sell all kinds of liquor by the drink and Sunday sales. Mr. Geisel reported that, per City policy, this application has been reviewed and is now recommended for approval by both the Planning/Public Services Division and Police Department. Councilmember DeGroot made a motion, seconded by Councilmember Nations, to approve issuance of a new liquor license to Chimi's Fresh Mex. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Geisel reported that Staff had received bids for a contract for the construction of the River Valley Drive Road Closure. This recommendation was originally on the March 21 agenda, but was held due to concerns regarding the ability of the River Bend Trustees to convey the property rights associated with this project. Staff continues to work with Interim City Attorney Chris Graville relative to these issues and recommends that this bid approval continue to be held until the June 20 City Council meeting. Councilmember McGuinness made a motion, seconded by Councilmember Flachsbart, to hold the River Valley Road Closure bid results until the June 20 City Council meeting. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Geisel reported that the City coordinates the process by which salt is purchased/delivered to all members of the St. Louis Metro Branch APWA Salt Cooperative, which includes 51 cities and 6 school districts. Based upon review of information provided by Public Works Director/City Engineer Jim Eckrich, Mr. Geisel joined with him in recommending that City Council authorize a one year extension of the 2015 procurement and delivery of deicing salt from Compass Minerals (salt - \$49.23/ton) and Beelman Logistics, LLC (unloading/delivery - \$8.62/ton). The City has budgeted \$260,000 for deicing materials in 2016. Councilmember Hurt made a motion, seconded

by Councilmember DeGroot, to award a one year contract extension to Compass Materials/Beelman Logistics, LLC, at a total price of \$57.85/ton. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

### OLD BUSINESS

Mayor Nation informed Council that the City's Governmental Relations Services Contract with Gamble & Schlemeier, Ltd. expired effective May 31, and he requested a three month extension at a cost of \$5,000 per month. This would require a transfer of \$15,000 from General Fund Fund Reserves. Mayor Nation reminded Council that the State Legislature recently passed legislation favorable to the City of Chesterfield with regard to the sales tax distribution in St. Louis County. This legislation has not yet been signed by the Governor. Councilmember Flachsbart made a motion, seconded by Councilmember Nations, to approve the three month contract extension with Gamble & Schlemeier accompanied by a transfer of \$15,000 from General Fund Fund Reserves. A roll call vote was taken with the following results: Ayes – Tilman, Logan, Hurt, McGuinness, DeCampi, Nations, Flachsbart and DeGroot. Nays – None. Whereupon Mayor Nation declared the motion passed.

### NEW BUSINESS

There was no new business.

### LEGISLATION

**BILL NO. 3092 REPEALS AND REPLACES SECTION 300.130 AUTHORITY TO INSTALL TRAFFIC CONTROL DEVICES WITHIN THE CITY OF CHESTERFIELD CODE OF ORDINANCES (SECOND READING; PLANNING AND PUBLIC WORKS COMMITTEE RECOMMENDS APPROVAL)**

Councilmember Hurt made a motion, seconded by Councilmember DeGroot, for the second reading of Bill No. 3092. A voice vote was taken with a unanimous affirmative result and the motion was declared passed. Bill No. 3092 was read for the second time. A roll call vote was taken for the passage and approval of Bill No. 3092 with the following results: Ayes – Flachsbart, Logan, Nations, DeGroot, Tilman, DeCampi, McGuinness and Hurt. Nays – None. Whereupon Mayor Nation declared Bill No. 3092 approved, passed it and it became **ORDINANCE NO. 2896**.

### ADJOURNMENT

Mayor Nation entertained a motion to reconvene into Executive Session. Councilmember Logan made a motion, seconded by Councilmember Flachsbart, to go into closed session, pursuant to RSMo 610.021(1) and (2) for the purpose of allowing for confidential communication among the City Attorney and the City's elected officials, regarding litigation and other matters. A roll call vote was taken with the following results: Ayes –

Flachsbart, McGuinness, Nations, DeGroot, Hurt, DeCampi, Tilman and Logan. Nays – None. Whereupon Mayor Nation declared the motion passed.

There being no further business to discuss, Mayor Nation adjourned the meeting at 7:40 p.m.

## **RECOMMENDATIONS – FINANCE AND ADMINISTRATION (F&A) COMMITTEE**

As detailed within the enclosed MINUTES, prepared by Management Analyst James Mello, the Finance and Administration (F&A) Committee met on Monday, June 6<sup>th</sup>, 2016. The following is a list of the items discussed, by this Committee, which will be discussed in greater detail, at Monday's meeting:

### **5. Ordinance #2859, proposed revisions regarding Standing Committee Rules and Regulations**

The F&A Committee unanimously recommends changes which create more flexibility regarding the appointment, composition and timing for appointment to the four standing committees of Council. As recommended unanimously by the F&A Committee, **Bill number 3098** is provided in the Legislative portion of the Council Agenda packet.

### **8. Proposed Policy Regarding Staff Communications with Elected Officials**

The F&A Committee unanimously recommends approval of a proposed policy which provides guidelines and expectations for communications with City Staff in order to provide for consistent and uniform information dissemination. The Committee requested that Interim City Attorney Graville indicate his review and approval as to form by adding his signature to the proposed policy. The proposed policy, signed by Interim City Attorney Graville, is provided for Council's favorable consideration.

### **9. Proposed Policy Regarding Legal Expenses**

The F&A Committee unanimously recommends approval of a proposed policy which provides guidelines for incurring legal expenses on behalf of the City. The proposed policy is provided for Council's favorable consideration.

### **10. Preparation and Amendments of Council Agendas & Packets**

The F&A Committee unanimously recommends that the language used in the preparation of Council Agenda Packets be revised by replacing the section header "Old Business" with the term "Unfinished Business. A voice vote is required to adopt this change and future agendas will be prepared accordingly.

### **11. Chamber of Commerce Sponsorship**

The Finance and Administration Committee recommended, by a vote of 3 – 1, approval of the Chamber's request for a sponsorship of \$5,000 for the 40<sup>th</sup> Anniversary Celebration, which would be funded by a transfer from the General Fund – Fund Reserve amounts over the 40% reserve policy. The Committee requested additional information as to other sums paid to the Chamber. This information will be provided to City Council prior to Monday's meeting.

## MEMORANDUM

---

**TO:** Mike Geisel, Co-Interim City Administrator  
**FROM:** James Mello – Management Analyst *JM*  
**DATE:** June 13, 2016  
**SUBJECT:** Minutes – 6-6-16

---

The Finance and Administration Committee met on June 6, 2016. Those in attendance included: Chairperson Bruce DeGroot, Ward IV; Council Committee Member Barry Flachsbart, Ward I; Council Committee Member Guy Tilman, Ward II; Council Committee Member Randy Logan, Ward III; Co-Interim City Administrator Mike Geisel; Finance Director Craig White; Community Services/Economic Development Director Libbey Tucker, Information Technology Director Matt Haug and Interim City Attorney Chris Graville. Those also in attendance included: Mayor Bob Nation, Councilmember Barbara McGuinness, Ward I; Councilmember Bridget Nations, Ward II; Councilmember Tom DeCampi, Ward IV; Management Analyst James Mello Jr and 2 members of the public.

Chairperson Bruce DeGroot called the meeting to order at 4:30 p.m.

### **1. Approval of Minutes from March 28, 2016**

Chairperson DeGroot asked if there were any comments or changes to the March 28, 2016 F&A Committee Minutes. Hearing none, Councilmember Flachsbart motioned to approve the Minutes. Chairperson DeGroot seconded the motion. A voice vote was taken, with a unanimous result 3-0, and the motion was approved. Councilmember Nations abstained as she was not in attendance for the March 28, 2016 meeting.

### **2. Update Regarding the City E-mail Retention Policy**

Information Technology Director Matt Haug discussed the results of the MISCAC meeting in May 17, 2016. The MISCAC members agreed that the current employee e-mail retention period of 30-days was sufficient. They also discussed improving current data back-up technology, implementing a shorter recovery window for critical ERP data, attaining pricing for software and storage to replicate data to a cloud provider, and exploring options to increase on-site storage (potential utilization of space in the shelter at Olive and Ladue).

Councilmember noted a typo in the MISCAC meeting summary, the year 2019 was written instead of 2016.

Councilmember McGuinness clarified that the citizen action committee felt that the 7-year e-mail retention period was sustainable as long as it was limited to just elected officials. Mr. Haug confirmed.

### **3. Review of City Code, Chapter 2 administration**

Co-interim City Administrator Mike Geisel suggested the item be held until the next meeting.

Councilmember Flachsbart made a motion to hold the item until the next F&A Committee meeting. Councilmember Logan seconded the motion. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

### **4. Discussion Regarding the Gamble & Schlemeier Contract Extension**

Mayor Nation proposed that the contract with Gamble & Schlemeier, the City's lobbyist, be extended for 3 months in an amount not to exceed \$15,000 (\$5,000 per month) given the success of the firm's efforts thus far in the legislative cycle. This would allow the firm to see the current legislation through to fruition with the governor's signature.

Councilmember Logan suggested that perhaps the committee should instead recommend that the extension be made on a month-to-month basis, with the Mayor having the authority to extend the contract as needed for the next 3 months. He also suggested defining the City's objectives.

Councilmember Flachsbart asked if extending the term to longer than three months would be prudent. It was explained by Mayor Nation and Mr. Geisel that the scope of service would likely change after the three month term, and the new services would be performed at a reduced cost. The information and service provided thus far has been invaluable, but this is just a successful first step and work would continue.

Councilmember Flachsbart made a motion to recommend that the contract be extended for 3 months at a cost not to exceed \$15,000 (\$5,000 per month). The motion was seconded by Chairperson DeGroot. During discussion, Councilmember Logan stated that new contract and scope after the three month term should be discussed at a future F&A Committee meeting. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

### **5. Proposed Policy Regarding Standing Committee Rules & Regulations (Ord. 2859)**

Councilmember Flachsbart explained that he believed the language in Ordinance 2859 was too restrictive and outlined some proposed changes in the packet. Both Mayor Nation and Mr. Geisel stated that appointing a Council pro-tem and assigning Council Committee members in the same night was not practical.

Councilmember Flachsbart made a motion to recommend the changes to Ordinance 2859 outlined in the packet to the Council for consideration. The motion was seconded by Councilmember Logan. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

## **6. Selection of an F&A Committee Vice Chair**

Councilmember Flachsbart nominated Councilmember Guy Tilman – Councilmember Tilman respectfully declined.

Councilmember DeGroot nominated Councilmember Logan – Councilmember Logan accepted the nomination. The nomination was seconded by Councilmember Flachsbart. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

## **7. Review/Acceptance of FY 2015 Audit and CAFR**

Finance Director Craig White presented the audit results and a draft of the FY2105 Comprehensive Annual Financial Report (CAFR). He noted that the City received clean opinions on both the financial statement audit and single audit (performed on Federal Grants). There were no management communications related to control deficiencies.

A general discussion ensued regarding the contract term for the current auditing firm, the cost, and potential concerns about the lack of management notes from the auditors.

Councilmember Flachsbart made a motion to accept the FY2015 audit results. The motion was seconded by Councilmember Logan. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

## **8. Proposed Policy Regarding Staff Communications with Elected Officials**

Mr. Geisel presented proposed language for a policy relating to procedures for City Staff to follow when communicating with Elected Officials beyond routine inquiries. A general discussion ensued amongst the Councilmembers and Mr. Geisel clarified some aspects of the policy language. It was determined that all staff subordinate to the City Administrator should be notified of any non-trivial business related communications with Elected Officials. The Committee requested that Interim City Attorney Graville indicate his review and approval as to form by adding his signature to the proposed policy prior to forwarding it on to City Council.

Chairperson DeGroot made a motion to recommend policy to Council for consideration. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

## **9. Proposed Policy Regarding Legal Expenses**

Mr. Geisel presented proposed language for a policy relating clarifying individuals and groups who were authorized to provide work directives and incur billable liabilities on behalf of the City. A general discussion ensued amongst the Councilmembers and Mr. Geisel clarified some aspects of the policy.

Councilmember Flachsbart made a motion to recommend policy to Council for consideration. The motion was seconded by Councilmember Logan. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

#### **10. Discussion regarding the Preparation and Amendments of Council Agendas & Packets**

Interim City Attorney Chris Graville arrived at this time.

Mr. Geisel explained a few minor changes to current agenda and packet preparation procedures, including referring to the current "Old Business" as "Unfinished Business" in the future and how typos and minor adjustments to agendas and packets would be handled.

A general discussion ensued about the procedures and why they were necessary.

Councilmember Tilman made a motion to recommend the policy changes to Council for consideration. The motion was seconded by Chairperson DeGroot. A voice vote was taken, with a unanimous result 4-0, and the motion was approved.

#### **11. Discussion regarding the Chamber of Commerce Sponsorship**

Community Services/Economic Development Director Libbey Tucker presented a request from the Chesterfield Chamber of Commerce for the City to become a sponsor for the 40<sup>th</sup> Anniversary Celebration at the \$5,000 level.

A general discussion ensued about other sponsorship funds provided annually to the Chamber including a fireworks display (\$12,000) and summer concert series (\$3,000).

Councilmembers McGuinness and Tilman asked that there be some sort of itemized accounting of what the funds were being spent on at these events. Interim City Attorney Chris Graville noted that this is a practice adopted in certain instances by other municipalities.

Mayor Nation stated that the City and the Chamber of Commerce have had a longstanding beneficial and symbiotic relationship.

Councilmember Logan requested a list of other sponsors, and their sponsorship amounts, at these events.

Councilmember Flachsbart made a motion to recommend the sponsorship of the Chamber of Commerce 40<sup>th</sup> Anniversary Celebration at the \$5,000 level to Council. The motion was seconded by Councilmember Logan. A voice vote was taken and was approved by a vote of 3-1, with Chairperson DeGroot voting against the motion.

#### **11. Adjournment**

The meeting was adjourned at 5:48 pm.

**CITY OF CHESTERFIELD  
POLICY STATEMENT**

**CITY COUNCIL**

**NO. 32**

**SUBJECT**        Staff Communications with Elected  
                         Officials

**INDEX: CC**

**DATE ISSUED:**

**DATE REVISED:**

The highest degree of transparency and information sharing is expected. The Elected Officials develop and provide policy directives which are communicated to the City Administrator for execution by City Staff.

Individual Elected Officials routinely communicate with the City Administrator and the Management Team. Staff is expected to respond to routine inquiries, and to provide information and materials in conjunction with their normal scope of effort. Any request from a **member of City Council** that would require substantial effort, investigation, or otherwise cause staff to deviate from or interfere with the execution of normal work processes or existing assignments should be directed to a Council Committee for further direction.

When a staff member responds to business related questions, or provides information, or provides materials to a Council Member, Staff is expected to copy or provide the same information and material to the other Council Member representing that Ward. When the inquiry, information or material may be of interest to the full Council, it should be shared with all Elected City Officials. Staff is expected to share business related information liberally and attempt to ensure that any Council Member is not disadvantaged by not having information that Staff had provided to their peers.

The City Administrator is uniquely situated to possess a more global environmental awareness of issues and potential conflicts. As such, it is imperative that the City Administrator be afforded the courtesy of participating in any business related communications occurring between Staff and Elected Officials. While Elected Officials are encouraged to communicate regularly with the Management Team, it is necessary and essential that the City Administrator be copied or informed of such communications in order to ensure a complete and timely response. It is equally clear that the nature of the City Administrator position allows for a broader, more complete understanding of City operations than is afforded to individual members of the Management Team. It is frequently the case that separate but related inquiries may be requested of individual Management Team members. The City Administrator is in the best position to identify related communications and subsequently be able to reconcile the responses. Accordingly, as a matter of practice and to ensure that Staff responds uniformly and consistently, subordinate staff are required to copy or inform the City Administrator of any business related communications with Elected City Officials.

**POLICY**

The following individuals\groups are authorized to provide work directives and incur billable liabilities on behalf of the City:

1. The Mayor
2. The City Council (collectively) or any sub-committee thereof
3. The City Administrator
4. Police Chief
5. A Department Head

No individual Council Member is authorized to incur billable hours by directing or requesting work from the City Attorney. Any request for research, or written legal opinions from an individual Council Member is deferred and must be considered or authorized by a Council Committee prior to the City Attorney expending billable effort. This does NOT, and WOULD not limit or restrict any Council Member from contacting the City Attorney for routine verbal legal advice that would not require research or billable product because such services are covered by the RETAINER portion of the City Attorney's services agreement.

The Mayor, as the Chief Executive Officer of the City is authorized to direct and incur legal charges from the City Attorney.

Staff's access to the City Attorney is limited to the City Administrator or those specifically designated and authorized by the City Administrator. Typically, that is limited to Department Head communications authorized by the City Administrator. There are typically daily communications related to personnel, zoning, sunshine law requests, contract or liability issues.

A significant effort is made to limit unnecessary or unauthorized contacts in order to increase effectiveness and control costs.

Bob, Libbey, and Mike,  
Good evening!

I wanted to congratulate you on another great event in Chesterfield – the Air Show was a hit and brought many people to the area! It was fun to host the Canadian Consulate General and see the Canadian Snow Birds and the Blue Angels and sometimes – not even have to leave home! It was a bit chilly on Saturday but the weather held and this year the traffic was handled well. I am also looking forward now to the groundbreaking for Veteran's Honor Park. The Chamber has committed to a bench for \$8,000 and will hopefully have many of our Board of Director's present on June 1<sup>st</sup>.

On June 2<sup>nd</sup> we are having our Chamber's 40<sup>th</sup> Anniversary kickoff celebration with the band the Groove Thang at the Chesterfield Amphitheater – followed by our 10 concert series at Faust Park (for the 29<sup>th</sup> year) and then ending with our Pumpkin Run on October 22<sup>nd</sup>...I was told this week that West Newsmagazine is featuring us on the cover of their publication that goes to 65,000 households and an 8 page pull-out section of our 29<sup>th</sup> Annual Summer Concert Series and history...we were originally wanting sponsorship levels for the two top levels at \$15,000 – for the City and the County and in rethinking this because of taxpayers and budgets – would like to ask for a \$5,000 sponsorship level At \$5,000 the City logo would be on the cover of West Newsmagazine for the upcoming May 25<sup>th</sup> issue and a top sponsor of our 40<sup>th</sup> and displayed on 40th banner at our concerts and all events for the rest of the year. Depending on our sponsorships – we are talking with Chesterfield Parks, Recs and Arts about partnering and having an Oktoberfest at the Chesterfield Amphitheater the afternoon of the Pumpkin Run with no additional sponsorships being sought and recognition to our original 40<sup>th</sup> sponsors on the banner being made for June 2<sup>nd</sup>.

Let me know if you have any questions and if you are on board so that I can get your logo to West Newsmagazine. I appreciate your partnership for all that we do and can continue to offer the community and making Chesterfield the City it is today to live, work and play!

Best,  
Nora

# MEMORANDUM

TO: Mike Geisel, Acting Co-City Administrator

FROM: Aimee Nassif, Planning and Development Services Director  
James Eckrich, Public Works Director/City Engineer

SUBJECT: Planning & Public Works Committee Meeting Summary  
Thursday, June 9, 2016

A meeting of the Planning and Public Works Committee of the Chesterfield City Council was held on Thursday, June 9, 2016 in Conference Room 101.

In attendance were: **Chair Dan Hurt** (Ward III), **Councilmember Bridget Nations** (Ward II) and **Councilmember Bruce DeGroot** (Ward IV).

Also in attendance were: Councilmember Guy Tilman, (Ward II); Planning Commission Chair Stanley Proctor; Jim Eckrich, Public Works Director/City Engineer; Aimee Nassif, Planning & Development Services Director; Jonathan Raiche, Senior Planner; Justin Wyse, Senior Planner, Simon Nogin, Planning Intern; and Kathy Juergens, Recording Secretary.

The meeting was called to order at 5:30 p.m.

## I. APPROVAL OF MEETING SUMMARY

### A. Approval of the May 19, 2016 Committee Meeting Summary

**Councilmember DeGroot** made a motion to approve the Meeting Summary of **May 19, 2016**. The motion was seconded by **Councilmember Nations** and **passed** by a voice vote of 3-0.

II. OLD BUSINESS – None.

## III. NEW BUSINESS

A. **P.Z. 01-2016 18600 Olive Street Road (Ezra Partners LLC)**: A request for a zoning map amendment from an "M-3" Planned Industrial District to a "PI" Planned Industrial District for 5.00 acres located southwest of the intersection of Olive Street Road and Spirit Airpark West Drive (17W520014).

## **STAFF REPORT**

Senior Planner **Jonathan Raiche** presented the project request for a zoning map amendment from the existing "M-3" Planned Industrial District to a "PI" Planned Industrial District for a vacant five acre site located southwest of the intersection of Olive Street Road and Spirit Airpark West. The Applicant is requesting the change in zoning in anticipation of marketing the property for sale. Out of approximately 100 possible permitted uses in the "PI" Planned Industrial District designation, the Applicant has chosen 61 uses as depicted in Attachment A.

The Preliminary Plan depicts five single-story buildings placed perpendicular to Olive Street Road oriented toward Spirit Airpark West Drive with two access points off of Spirit Airpark West. There is no direct access to Olive Street Road. All of the surrounding property is currently owned by St. Louis County. Parking is proposed along the eastern and northern portions of the site.

Issues raised at the Public Hearing included legal access to Spirit Airpark Drive West and hours of operation. The Applicant subsequently addressed these issues and the Planning Commission voted 5-1 to approve the request with the amendment that the maximum building height be restricted to 40'.

Mr. Raiche pointed out that the Section I. A. 2 Hours of Operation in Attachment A should have also included language permitting expanded hours for Thanksgiving Day and the day after. Mr. Raiche requested that the committee consider an amendment to the proposed Attachment A to accommodate the ability for expanded hours for Thanksgiving Day and the day after.

### **PLANNING COMMISSION REPORT**

Planning Commission Chair Stanley Proctor stated the main issue discussed at the Planning Commission was the request to increase the maximum building height from 35' to 45'. Ultimately the Planning Commission approved the request 5-1 with an amendment restricting the maximum building height to 40'. Commissioner Lueking was not in favor of raising the building height.

### **DISCUSSION**

In response to Chair Hurt's question regarding cross access, Mr. Raiche stated that cross access is currently written to be required to the west of the site, but not along the southern portion. Chair Hurt stated he would like to require cross access to the south in addition to the access required to the west.

**Councilmember DeGroot made a motion to include language permitting expanded hours of operation during the Thanksgiving holiday to Attachment A.** The motion was seconded by Councilmember Nations and **passed by a voice vote of 3-0.**

**Chair Hurt made a motion to require cross access along the southern portion of the site.** The motion was seconded by Councilmember DeGroot and **passed by a voice vote of 3-0.**

**Councilmember Nations made a motion to forward P.Z. 01-2016 18600 Olive Street Road (Ezra Partners LLC) to City Council with a recommendation to approve as amended.** The motion was seconded by Councilmember DeGroot and **passed by a voice vote of 3-0.**

**Note: One Bill, as recommended by the Planning & Public Works Committee, will be needed for the June 20, 2016 City Council Meeting. See Bill # 3095** ←

**[Please see the attached report prepared by Aimee Nassif, Planning and Development Services Director, for additional information on P.Z. 01-2016 18600 Olive Street Road (Ezra Partners, LLC).]**

### **B. Yield Control – Bent Tree Drive and Windfall Ridge**

James Eckrich, Public Works Director/City Engineer, stated the City received a request from the Trustees of Bent Tree Subdivision for a "yield" sign on Windfall Ridge Drive at Bent Tree Drive. Since these streets intersect in a skew, it is unclear to some drivers on Windfall Ridge Drive that Bent Tree Drive is the primary street and they should yield to traffic on Bent Tree Drive. Staff

feels that a sign is warranted and is therefore recommending placement of a yield sign on Windfall Ridge Drive.

Councilmember DeGroot concurred that it is an awkward intersection and is in favor of placing a Yield sign on Windfall Ridge Drive.

**Councilmember Nations made a motion to recommend to City Council that a “Yield” sign be placed on Windfall Ridge Drive at its intersection with Bent Tree Drive. The motion was seconded by Councilmember DeGroot and passed by a voice vote of 3-0.**

**Note: One Bill, as recommended by the Planning & Public Works Committee, will be needed for the June 20, 2016 City Council Meeting. See Bill # 3096**

**[Please see the attached report prepared by James Eckrich, Public Works Director/City Engineer, for additional information on Yield Control – Bent Tree Drive and Windfall Ridge.]**

**IV. OTHER**

**V. ADJOURNMENT**

The meeting adjourned at 5:40 p.m.

# City Council Memorandum

## Department of Public Services

**To:** Michael Geisel, Interim Co-City Administrator  
**From:** Aimee Nassif, Planning and Development Services Director  
**Date:** June 9, 2016  
**CC Date:** June 20, 2016  
**RE:** **St Luke's Hospital Northwest Campus, Sign Package**: A request for a Sign Package to establish sign criteria for the St. Luke's Hospital Northwest Campus development located northwest of the intersection of South Woods Mill Road and Brookings Park Drive.

### **Summary**

APCO Signs has submitted a request for a Sign Package for the St. Luke's Hospital Northwest Campus development, which is 38.28 acres in size. In accordance with the Unified Development Code (UDC), if approved the proposed Sign Package would serve as the site specific sign regulations for the St. Luke's Hospital Northwest Campus development. St. Luke's Hospital is requesting this Sign Package for the Northwest Campus due to the large size of the site, the unique hospital user, and the building connectivity that is treated as one large building under the UDC.

The project was reviewed by the Planning Commission at the May 9<sup>th</sup>, 2016 meeting, where a motion to approve the Sign Package passed by a vote of 8-0. Subsequently, Power of Review was called by City Council in Ward 1 and this project was placed on the May 19, 2016 Planning and Public Works Committee agenda where a motion to forward to the City Council with a recommendation for approval was passed by a vote of 3-0 with one condition. The condition was to prohibit illumination of the two 141 square foot attached wall signs on Building B which are identified as sign locations 6 and 7 in the Sign Package.

If the City Council approves the Sign Package with the recommended revision, the appropriate updates will be made prior to the issuance of Sign Permits for any signage included in this Sign Package. At the June 6, 2016 City Council meeting, the project was held until the June 20, 2016 City Council meeting at the request of the applicant.

**On June 9, 2016, the applicant submitted a revised version of the Sign Package that includes minor changes to the project narrative contained on Page 1 of the Sign Package. No other changes were made to the Sign Package.**

Attached, please find a copy of the Sign Package as presented to the Planning and Public Works Committee and a revised copy labeled as "EXHIBIT A" for City Council consideration.

## St. Luke's Hospital Northwest Campus Sign Package

St. Luke's Hospital is requesting a comprehensive sign package for the St. Luke's Center Drive development across highway 141 from the main hospital. The existing outpatient center (121 St. Luke's Way/Building A) is going to share a 1st floor connection with the new outpatient center (111 St. Luke's Way/Building B). Both buildings will look similar from the exterior and have 5 stories. Although the buildings connect on the first floor, the public will need to park near the appropriate entrance to the building with the services or doctor they are visiting. The two buildings are considered one building by the City of Chesterfield code. All allowable signs were put in place when the first building was constructed. Exterior signage is needed on Outpatient Building B. Therefore, we are asking for a complete sign package for the entire northwest campus to include Building B as well as buildings that may be added in the future. Signage for future buildings within the Northwest Campus will comply with the Unified Development Code or an amendment to the Sign Package will be sought in conjunction with any future development beyond Building B. All other signage not detailed in the Sign Package shall be in accordance to the Unified Development Code to cover other minor signage.

### Monuments

- Two monuments exist for Building A. (locations 20 and 21)  
New inserts will be adjusted to reflect new directional information. The increased size of these two monument signs was approved by the City of Chesterfield City Council on November 19, 2007. A third monument is needed at the new entrance (location 8). The new monument needs to match the existing for consistent wayfinding signs.
- There is a monument at the Resource Center (location 15).
- All four monuments are internally illuminated.
- Landscape plans for locations 8, 15, 20 and 21 are in this packet.

### Wall Lettering

- Locations 1 and 2 have existing lettering. We need to add the building designation.
- Locations 6 and 7 will be all new lettering.
- Lettering is channel letters, LED illumination. White both day and night.

### Donor Name

- Location 4 is an existing donor name. Donor for Building A.
- Location A is requesting a donor name for Building B. Donor TBD.
- Lettering is non-illuminated, brushed aluminum. Flush mounted to the brick with concealed studs.

### Directional Signs

- Locations 9, 10, 16-19 are small directional signs requested to help visitors park in the appropriate lot closest to their entrance. Code requires 10 square feet or less. We can accomplish this per the drawings.
- Locations 12 and 14 exist at the Resource Center.
- All these directional signs are non-illuminated post and panel signs.

### Informational Signs

- Requesting two informational signs. One at each entrance. (locations 3 and 5)
- Signs to be internally illuminated channel letters, LED.
- Locations 11 and 13 exist on canopies at the Resource Center. Non-illuminated.

### Temporary / Construction Signs

- Page 19 illustrates the temporary and construction signs. These will be removed as the project progresses and information is not pertinent.

## St. Luke's Hospital Northwest Campus Sign Package

St. Luke's Hospital is requesting a comprehensive sign package for the St. Luke's Center Drive development across highway 141 from the main hospital. The existing outpatient center (121 St. Luke's Way/Building A) is going to share a 1st floor connection with the new outpatient center (111 St. Luke's Way/Building B). Both buildings will look similar from the exterior and have 5 stories. Although the buildings connect on the first floor, the public will need to park near the appropriate entrance to the building with the services or doctor they are visiting. The two buildings are considered one building by the City of Chesterfield code. All allowable signs were put in place when the first building was constructed. Exterior signage is needed on Outpatient Building B. Signage for future buildings within the Northwest Campus will either comply with the Unified Development Code or an amendment to the Sign Package will be sought in conjunction with any future development beyond Building B. All other signage not detailed in the Sign Package shall be in accordance to the Unified Development Code.

### Monuments

- Two monuments exist for Building A. (locations 20 and 21)  
New inserts will be adjusted to reflect new directional information. The increased size of these two monument signs was approved by the City of Chesterfield City Council on November 19, 2007. A third monument is needed at the new entrance (location 8). The new monument needs to match the existing for consistent wayfinding signs.
- There is a monument at the Resource Center (location 15).
- All four monuments are internally illuminated.
- Landscape plans for locations 8, 15, 20 and 21 are in this packet.

### Wall Lettering

- Locations 1 and 2 have existing lettering. We need to add the building designation.
- Locations 6 and 7 will be all new lettering.
- Lettering is channel letters, LED illumination. White both day and night.

### Donor Name

- Location 4 is an existing donor name. Donor for Building A.
- Location A is requesting a donor name for Building B. Donor TBD.
- Lettering is non-illuminated, brushed aluminum. Flush mounted to the brick with concealed studs.

### Directional Signs

- Locations 9, 10, 16-19 are small directional signs requested to help visitors park in the appropriate lot closest to their entrance. Code requires 10 square feet or less. We can accomplish this per the drawings.
- Locations 12 and 14 exist at the Resource Center.
- All these directional signs are non-illuminated post and panel signs.

### Informational Signs

- Requesting two informational signs. One at each entrance. (locations 3 and 5)
- Signs to be internally illuminated channel letters, LED.
- Locations 11 and 13 exist on canopies at the Resource Center. Non-illuminated.

### Temporary / Construction Signs

- Page 19 illustrates the temporary and construction signs. These will be removed as the project progresses and information is not pertinent.

# City Council Memorandum Department of Public Services

**To:** Michael O. Geisel, Interim Co-City Administrator  
**From:** Aimee Nassif, Planning and Development Services Director  
**Date:** June 14, 2016  
**CC Date:** June 20, 2016  
**Re:** **RE: P.Z. 01-2016 18600 Olive Street Road (Ezra Partners LLC):** A request for a zoning map amendment from an “M-3” Planned Industrial District to a “PI” Planned Industrial District for 5.00 acres located southwest of the intersection of Olive Street Road and Spirit Airpark West (17W520014).

## **Summary**

Ezra Partners, LLC has submitted a request for a zoning map amendment from “M-3” Planned Industrial District to “PI” Planned Industrial District for a vacant five (5) acre site. The applicant is requesting this rezoning in anticipation of marketing the property for sale.

A Public Hearing was held at the March 14, 2016 Planning Commission meeting. Issues regarding legal access to Spirit Airpark Drive West and Hours of Operation were identified. A vote meeting was held on May 23, 2016 where the applicant made an additional request to consider increasing the maximum building height from 35’ to 45’ for more flexibility in marketing efforts. Planning Commission voted to approve the request with the amendment that the maximum building height be restricted to 40’ by a vote of 5-1.

This petition was reviewed by the Planning and Public Works Committee on June 9, 2016. Two Greensheet amendments were recommended pertaining to:

- 1) Cross access to the west and south of the subject property, and
- 2) Extended hours during the Thanksgiving holiday.

The items listed above have been incorporated into two (2) separate Greensheet amendments which are attached to this report. The Committee approved these Greensheet amendments by a vote of 3-0. The Committee then voted 3-0 to forward the petition to City Council with a recommendation to approve as amended.

Attached to the legislation, please find a copy of the Attachment A, the Preliminary Plan, the Greensheet Amendments, and an updated Preliminary Plan reflecting the Greensheet Amendments.

**RE:** Yield Control – Bent Tree Drive and Windfall Ridge

---

The City of Chesterfield has received a request from the Trustees of the Bent Tree Subdivision for a Yield sign on Windfall Ridge Drive at Bent Tree Drive. The Trustees indicate that these streets intersect in a skew, and it is unclear to some drivers that Bent Tree Drive is the primary street, and motorists from Windfall Ridge Drive should yield to traffic on Bent Tree Drive. The Trustees believe a Yield sign would be an appropriate application and would alleviate this problem.

I have reviewed the intersection and agree with the Trustees. Due to the geometry of the intersection, there could be some ambiguity on the part of a motorist as to which is the primary street. Accordingly, a Yield sign is warranted in accordance with standard engineering practice and the Manual of Uniform Traffic Control Devices (MUTCD).

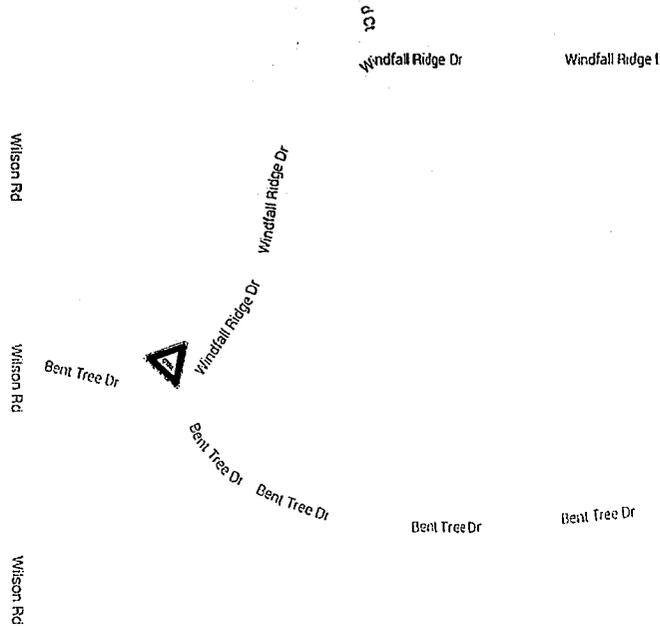

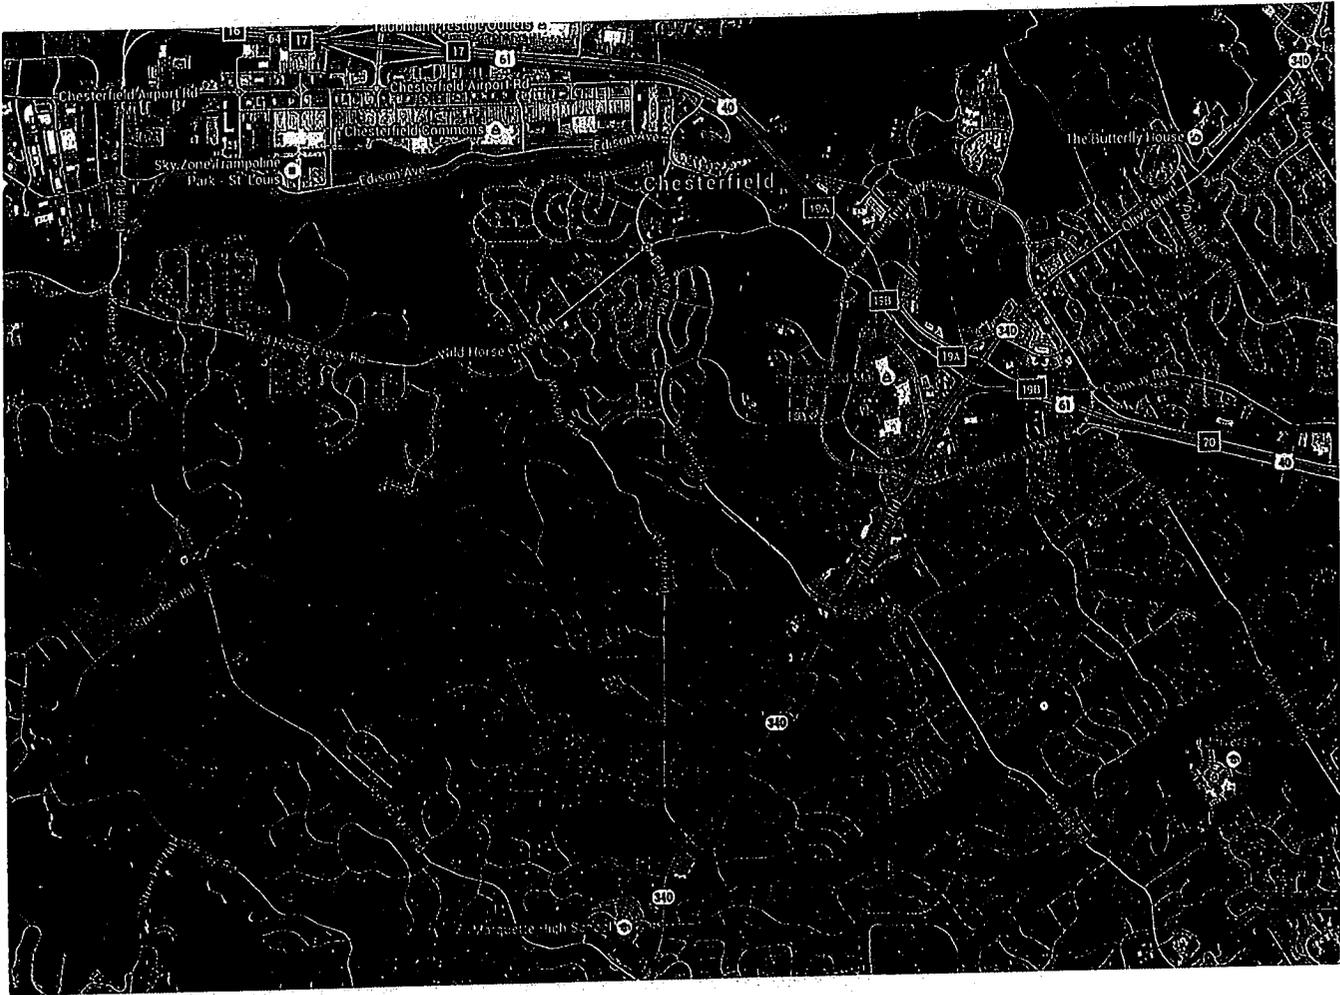

#### **Action Recommended**

This matter should be forwarded to the Planning and Public Works Committee for its consideration of the installation of a yield sign on Windfall Ridge Drive at Bent Tree Drive. If recommended for approval by the Planning and Public Works Committee, the matter should then be forwarded to the full City Council for consideration of the attached ordinance.

## **BID RESULTS – RIVER VALLEY DRIVE STREET CLOSURE**

As detailed in the enclosed memorandum prepared by Jim Eckrich, Public Works Director – City Engineer, bids were received and publicly opened for construction of the **CLOSURE OF RIVER VALLEY DRIVE**.

Based upon a review of the information contained within said memo, I join with Mr. Eckrich in recommending acceptance of the lowest and best bid to Krupp Construction in an amount not to exceed \$155,000. Please note that approval of this contract must also be accompanied by a motion to transfer \$155,000 from General Fund – Fund Reserves as previously recommended by City Council.

To summarize, City Council is being asked to take the following actions at Monday's meeting:

- **Approve award of a contract to Krupp Construction, in an amount not to exceed \$155,000.**
- **Approve transfer of \$155,000 from the General Fund – Fund Reserves**
- As you may remember, this recommendation was originally on the 3/21/2016 agenda but was held due to concerns regarding the ability of the River Bend Trustees to convey the property rights associated with this project. City Council has held consideration of this bid approval until such time as the legal concerns are addressed to their full satisfaction. As of this time, Staff continues to work with Interim City Attorney Christopher Graville relative to these issues

**Inasmuch as we do not anticipate that the right of way issues will be fully addressed in the immediate future, I recommend that this bid recommendation be tabled indefinitely until such time as the legal impediments have been addressed to the satisfaction of Legal Counsel or Staff, and they can report same to Council.**

**As always, if you have any questions, please contact Mr. Eckrich or me, PRIOR to Monday's meeting.**

**RE:** River Valley Drive Closure

---

As directed by City Council, in May of 2015 Public Services Staff provided a report detailing the impacts of the closure and / or vacation of River Valley Drive and Hog Hollow Road. This report was generated in response to the potential development of the Howard Bend area within the City of Maryland Heights. At that time City Council directed City Staff to prepare plans and a cost estimate for the closure of River Valley Drive. As you may recall, the City Attorney reviewed this matter and advised that a closure could be effected so long as the closure was constructed in conformance with City road standards and the public impacts were thoroughly considered.

In November of 2015 City Staff submitted plans and an estimate for the closure of River Valley Drive to the Planning and Public Works Committee. Those plans and estimate were reviewed by the Committee and recommended for approval to City Council, who unanimously authorized Staff to create a bid package. Bids for the River Valley Drive Closure Project were opened on March 8, 2016, as detailed in the attached memorandum from Civil Engineer Chris Krueger. City Staff recommends that this project be awarded to Krupp Construction in the amount of \$155,000, which includes the low bid amount of \$140,281.55 and a modest contingency. The City has contracted with Krupp Construction previously and they have performed satisfactory.

Area residents have expressed concerns about motorists parking on the new cul-de-sac. To alleviate these concerns and to ensure sufficient space for motorists to turn around using the cul-de-sac, City Staff is recommending the passage of the attached ordinance which would restrict parking on both sides of River Valley Drive from the City Limits to a point 160 feet south of the gate including the cul-de-sac. (SEE BILL # 3079)

The River Bend Association is proposing a memorial to former Councilmember Nancy Greenwood which will be in the form of a bronze plaque. An initial proof of the proposed plaque is attached. The shape and size of the text are generic and may change slightly. The River Bend Association is providing the memorial plaque at no cost to the City.

**Action Recommended**

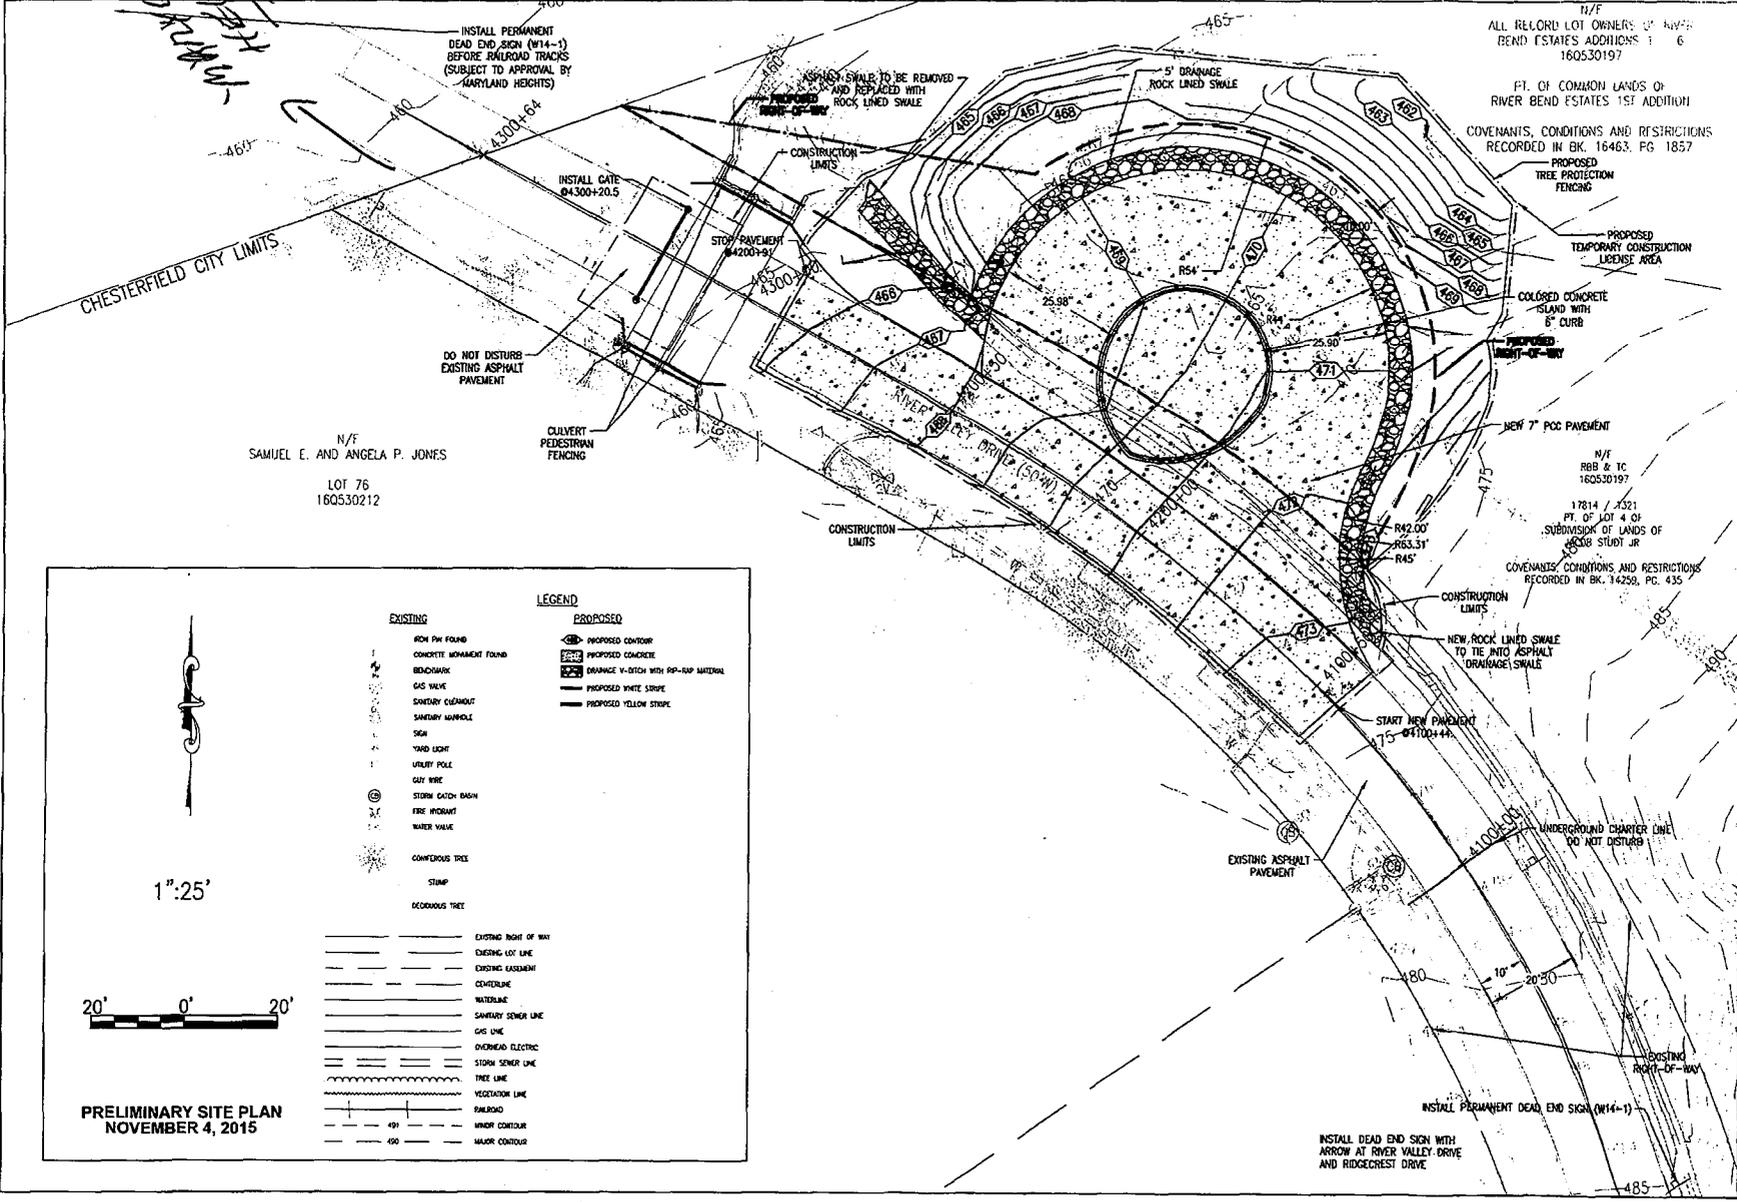

I request and recommend that this matter be forwarded to City Council for consideration of approval of an agreement with Krupp Construction and the attached ordinance restricting parking on River Valley Drive. Should Council concur with this recommendation it should approve the attached ordinance and authorize the City Administrator to execute the necessary contract documents with Krupp Construction. Additionally, City Council should authorize the transfer of \$155,000 from General Fund – Fund Reserves above the forty percent policy to account 120-079-5490.

**RE:** 2015-PW-14 River Valley Drive Closure Project - Construction Contract

---

As you know, bids were publicly opened for the River Valley Drive Closure Project. This project will consist of a roadway gate, fencing, the addition of a cul-de-sac, and the replacement of approximately 200 LF of pavement on River Valley Drive. The project plans and specifications were completed by City Staff.

Staff opened bids on March 8, 2016 at 10:00 am for the project. Three bids were received. The three responsive bidders were Krupp Construction, RV Wagner, and Spencer Contracting. Please see the attached Bid Tabulation for detailed information on each bid.

Krupp Construction provided the lowest responsive and responsible total bid of \$140,281.55 (bid attached). With positive past project experience and favorable reference checks, I recommend the bid from Krupp Construction.

As part of this project, a parking restriction is proposed on both sides of River Valley starting at the City limits and terminating at a point 40 feet northwesterly of the south property line of River Valley Drive. This would restrict parking on both sides of River Valley Drive from the City Limits to a point 160 feet south of the gate including the cul-de-sac.

**I recommend requesting authorization to enter into an agreement with Krupp Construction to provide construction services for the River Valley Drive Closure Project in an amount not to exceed \$155,000.00. This amount includes a modest contingency to account for any unforeseen conditions and/or additional work. I also recommend consideration of the attached ordinance to restrict parking on both sides of River Valley Drive at the gate and cul-de-sac.**

If you have any questions, or need additional information, please let me know.

KEITH A. MARTY, Ed.D., Superintendent

Mike Herring, City Administrator  
City of Chesterfield  
690 Chesterfield Parkway West  
Chesterfield, Missouri 63017

Dear Mike,

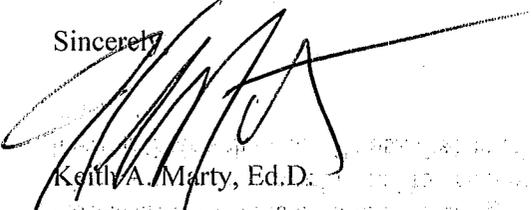

The Parkway School District remains most concerned with the City of Chesterfield's decision to close River Valley Drive. As you know, should residential development occur within the Maryland Heights Bottoms, closure of this road would negatively impact our ability to transport students to the nearest elementary school, River Bend Elementary, which could significantly increase our costs.

It is our understanding that, in designing the closure of River Valley Drive, accommodations are being made for emergency vehicles, such as fire trucks and ambulances. However, drivers of such vehicles would be required to exit their vehicles in order to activate/open the "gate". School bus drivers simply cannot exit their vehicles. However, if the closure could be designed in such a manner to provide for electronic activation, then all those who, on occasion, would need to use River Valley Drive, including our school bus drivers, could do so without leaving their vehicles. We ask that consideration be given to designing/building the closure structures, with this in mind.

Given your planned retirement, as of March 31, 2016, I am asking that you forward this letter to the appropriate staff members and ask that they contact me directly, prior to any meetings when the closure of River Valley Drive will be discussed. This would specifically include any meetings during which action is contemplated, regarding construction contracts for the River Valley Drive closure. Before any final decisions are made, regarding the design and construction of this closure, I am requesting the opportunity, as Parkway's Superintendent, to address Chesterfield's Mayor and City Councilmembers, by way of endorsing the construction of a closure system with electronic activation, which would be used by our school bus drivers, in addition to those who drive fire trucks and ambulances. In the meantime, please forward a copy of this letter to your elected officials. I am happy to discuss my concerns with anyone, prior to any final decisions being made.

Thank you, Mike.

Sincerely,

  
Keith A. Marty, Ed.D.

As directed by City Council, the Public Works division has been pursuing the closure of River Valley Drive just south of the Chesterfield City Limits. That project has been bid and consideration of approval of a construction project will be submitted to City Council as part of the March 21, 2016 meeting packet. Subsequent to the project being designed, Dr. Keith Marty, Superintendent of the Parkway School District, sent the attached letter, a copy of which should have been received by each of you. That letter reiterates Parkway's objection to the closure and requests that if such a closure is approved, that the gate be designed in such a manner that it can be electronically activated by the driver of a school bus.

The gate is currently designed as a manual gate that would have to be opened by the driver physically getting out of his/her car and unlocking the gate. This meets the requirements of the Monarch Fire Protection District and is similar to the design of other gates throughout the City. We anticipate that the gate would rarely be used and believe that this style of gate is appropriate given the current circumstances. That said, Dr. Marty's points are valid and the solution he proposes is possible. We believe an electronic / automatic gate could be designed and constructed for approximately \$15,000 - \$20,000. However, there are still questions as to whether the development of the Howard Bend area within the City of Maryland Heights will actually occur. Accordingly, I would recommend against the additional expenditure of an electronic gate at this time. If that area is developed and if the school district wants access through River Valley at that time, an electronic gate could always be added later. It is even possible (although not a certainty) that we could negotiate that the developer be required to pay a portion of the costs for the electronic gate.

We obviously value the relationship with Parkway School District. I have contacted Dr. Marty and explained the reasons behind the proposed closure. I explained that PPW and Council wanted to close River Valley prior to development of the Howard Bend Area to ensure that anyone buying property in that area would understand that access would not be provided via River Valley Drive. Dr. Marty understood this rationale and also questions whether the Howard Bend area will actually be developed with residential property. He understood that it may not be in the City's best interest to install an electronic gate at this time, but would like for the City to consider a gate modification if the Howard Bend area develops with residential property and the Parkway School District desires access through River Valley Drive.

I have discussed this matter with Mr. Herring and Mr. Geisel, and am providing you this email so you have all of the information prior to the City Council meeting on March 21. If you have questions or need additional information, please let me know.

One caveat, and I wish I was able to catch this before Harry sent out his letter.

But it should be made clear that this projects approval by council was predicated upon the Trustees assertion that they would provide the right of way and\or easements. If there is an effort to obtain concurrence of the multitude of property owners, that effort should be initiated by the trustees and not City staff. We have NO ability to initiate or undertake this level of effort.

Dear Mayor and City Councilmembers:

The attached letter, with attachments, was submitted to Mr. Herring, earlier today. He immediately forwarded to Mr. Geisel, Mr. Eckrich and me, for an interpretation, specifically regarding what it means, if anything, regarding City Council's ability to address the proposed closure of River Valley Drive, at tonight's City Council meeting. As you know, there is both a BID RECOMMENDATION and proposed legislation, dealing with this subject, on tonight's AGENDA. FYI, Mr. Shanfeld indicated that he would be emailing a copy of his letter, with attachments, to each of you, sometime today. In any event, I did not want you to be surprised by this, at tonight's City Council meeting.

To begin with, having conferred with both Mr. Geisel and Mr. Eckrich, I can confirm that this letter is the first time that this issue has been brought to our attention. However, having said that, Jim has confirmed to me that the easements that the Trustees signed over constitute the same property described in the general warranty deed and title report that the Shanfelds emailed you. **Based on that, it appears that the Shanfelds are correct - the Trustees did not have the power to grant the easements and the City does not have any interest in the property right now.** Since the Shanfelds indicate that they, at least, will not grant the easement to the City - the only way for the City to proceed at this point is (1) to try to get as many property owners to sign over easements to the City, and (2) to acquire the rest by way of a condemnation suit. I would think that the actual value to each individual household will be low, since all the lot owners own the property as tenants-in-common. However, it is the only way to proceed at this point based on the documents I have now reviewed. I am available to answer any questions you might have and am also prepared to discuss this, at tonight's City Council meetings.

Sincerely,

Re: Proposed Closure of River Valley Drive - Ownership Common Land of River Bend Subdivision

Gentlemen:

We are writing to you as the owners of Lot 171 of River Bend Estates 2<sup>nd</sup> Addition, known and numbered as 171 Henning Drive, Chesterfield, Missouri 63017

Enclosed is a copy of General Warranty Deed dated June 8, 1962, recorded in Book 4846 Page 96 of the St. Louis County Recorder's Office, by which the original developer of the River Bend Subdivision deeded and conveyed certain Common Land of the Subdivision to the Trustees of the Subdivision for a period of twenty (20) years, after which time the applicable Common Land of the Subdivision became vested in the Lot Owners of the Subdivision, as Tenants in Common.

Also enclosed is a copy of Title Commitment No. 5288STL effective date 8/4/2015, issued by Old Republic National Title Insurance Company, confirming that the Lot Owners of the Subdivision own the applicable Common Land of the Subdivision as Tenants in Common, as provided and contemplated by the 1962 Deed.

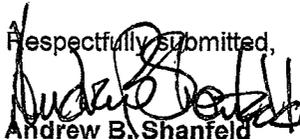

As you know, pursuant to Right of Way Dedication instrument dated January 20, 2016, recorded in Book 21869 Pages 0454 thru 0461 of the St. Louis County Recorder's Office, the current Trustees of the Subdivision have purported to convey a portion of the applicable Common Land of the Subdivision to the City of Chesterfield, for the construction by the City of the turn-around to effect the closure of River Valley Drive.

Any conveyance of the applicable Common Land requires the written agreement of all of the Lot Owners of the Subdivision, as the Tenants in Common Owners of the applicable Common Land. As the Owners of a Lot on the Subdivision, we did not and we do not agree or consent to the conveyance of any portion of the Common Lands of the Subdivision to the City, and we did not and we do not agree or consent to any change in use of the Common Land or any construction of any roadway in the Common Land.

Please be advised that: (a) we, along with the other Lot Owners of the Subdivision continue to own the applicable Common Land as Tenants in Common; (b) the 2016 Deed by the Trustees to the City of Chesterfield is wholly ineffective to grant or convey any interest whatsoever in the Common Land to the City of Chesterfield; (c) the 2016 Deed by the Trustees to the City of Chesterfield is slander of title; and (d) any entry by the City of Chesterfield onto the Common Land described in the applicable deeds, and any construction activity by the City of Chesterfield on the applicable Common Land, will be actionable trespass.

As a Tenant in Common Owner of the applicable Common Land, we intend to fully assert our ownership right in the Common Lands, and we intend to hold applicable parties liable for slander of title, for damages and for actionable trespass, by all appropriate legal proceedings.

Respectfully submitted,

  
Andrew B. Shanfeld

1. Pay the agreed amounts for the interest in the land and/or the mortgage to be insured.
2. Pay us the premiums, fees and charges for the policy.
3. Documents satisfactory to us creating the interest in the land and/or the mortgage to be insured must be signed, delivered and recorded.
4. You must tell us in writing the name of anyone not referred to in this Commitment who will get an interest in the land or who will make a loan on the land. We may then make additional requirements or exceptions.
5. Real Estate Settlement Funds from both Purchasers and Lenders must be in the form of a Cashier's Check, Certified Check, Teller's Check or Wire Transfer.
6. All liability and obligation under this Commitment shall cease and terminate 180 days after the Effective Date or when the policy or policies committed for shall issue, whichever first occurs, provided that the failure to issue the policy or policies is not the fault of the Company.
7. **The legal description of the subject land appearing on Schedule A hereof is not a "record" legal description found on deeds in the recorded chain of title. The legal description of the subject land appearing on Schedule A hereof is not a "survey" legal description prepared by a licensed, registered land surveyor. The legal description of the subject land appearing on Schedule A hereof is prepared only for the purpose of issuing this informational report and for no other purpose. To any and all persons relying on this informational report, for whatever reason or reasons, the Company will not issue any commitment to insure or issue any policy to insure using the legal description appearing on Schedule A hereof. For an accurate legal description of the subject land, the subject land must be surveyed by a licensed and registered land surveyor.**
8. **The Company has reported that that title to the subject land is vested as appears on Schedule A hereof by operation of the following instruments:**
  - (a) **Restrictive Agreement of River Bend Estates Addition executed by Burton W. Duenke Building Company, a Missouri corporation, dated May 23, 1962 and recorded June 22, 1962 in Book 4846 page 88; see provision concerning Common Lands;**

vest in the then lot owners in equal shares;

(c) Amended Restrictive Agreement of River Bend Estates Additions 1, 2, 3, 4, 5, and 6 executed by the Trustees, executed July 12, 1990 and recorded July 13, 1990 in Book 8801 page 2470; and

(d) Amended and Restated Restrictive Agreement of River Bend Estates Additions 1, 2, 3, 4, 5, and 6 executed by the Trustees, dated March 29, 2005 and recorded April 8, 2005 in Book 16463 page 1857.

9. Judgments and liens against the "Record Lot Owners" as shown on Schedule A hereof are not examined.

10. The foregoing information is furnished strictly with the understanding that such information has been taken from the public record without a complete examination of instruments that purport to affect the subject real property and therefore, St. Louis Title, LLC assumes no liability as to the accuracy or completeness of such information.

St. Louis Title, LLC shall have no liability for this report unless the invoice for this report is paid in full within 30 days of the invoice date.

St. Louis Title, LLC's liability for this report is limited to \$1,000.00. There is no liability assumed for items not indexed properly in the public records or other data bases on which St. Louis Title, LLC relies or for matters that would be disclosed by an accurate survey or inspection of the property. This report and the legal description given herein are based upon information supplied by the applicant as to the location and identification of the property in question, and no liability is assumed for any discrepancies resulting therefrom.

This report is prepared by St. Louis Title, LLC as an accommodation and does not represent a Commitment to insure title or an abstract of title. Further, the report is not an opinion as to the marketability of title to the subject premises and should not be considered providing legal advice.

## CONDITIONS

1. The term mortgage, when used herein, shall include deed of trust, trust deed, or other security instrument.
2. If the proposed Insured has or acquired actual knowledge of any defect, lien, encumbrance, adverse claim or other matter affecting the estate or interest or mortgage thereon covered by this Commitment other than those shown in Schedule B hereof, and shall fail to disclose such knowledge to the Company in writing, the Company shall be relieved from liability for any loss or damage resulting from any act of reliance hereon to the extent the Company is prejudiced by failure to so disclose such knowledge. If the proposed Insured shall disclose such knowledge to the Company, or if the Company otherwise acquires actual knowledge of any such defect, lien, encumbrance, adverse claim or other matter, the Company at its option may amend Schedule B of this Commitment accordingly, but such amendment shall not relieve the Company from liability previously incurred pursuant to paragraph 3 of these Conditions and Stipulations.
3. Liability of the Company under this Commitment shall be only to the named proposed Insured and such parties included under the definition of Insured in the form of policy or policies committed for and only for actual loss incurred in reliance hereon in undertaking in good faith  
(a) to comply with the requirements hereof, or (b) to eliminate exceptions shown in Schedule B, or (c) to acquire or create the estate or interest or mortgage thereon covered by this Commitment. In no event shall such liability exceed the amount stated in Schedule A for the policy or policies committed for and such liability is subject to the insuring provisions and Conditions and Stipulations and the Exclusions from Coverage of the form of policy or policies committed for in favor of the proposed Insured which are hereby incorporated by reference and are made a part of this Commitment except as expressly modified herein.
4. This Commitment is a contract to issue one or more title insurance policies and is not an abstract of title or a report of the condition of title. Any action or actions or rights of action that the proposed Insured may have or may bring against the Company arising out of the status of the title to the estate or interest or the status of the mortgage thereon covered by this Commitment must be based on and are subject to the provisions of this Commitment.
5. The policy to be issued contains an arbitration clause. All arbitrable matters when the Amount of Insurance is \$2,000,000 or less shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties.  
You may review a copy of the arbitration rules at: <http://www.alta.org/>.

Title V of the Gramm-Leach-Bliley Act (GLBA) generally prohibits any financial institution, directly or through its affiliates, from sharing nonpublic personal information about you with a nonaffiliated third party unless the institution provides you with a notice of its privacy policies and practices, such as the type of information that it collects about you and the categories of persons or entities to whom it may be disclosed. In compliance with the GLBA, we are providing you with this privacy notice to help you understand how we handle the personal information about you that we collect and may disclose. The provisions of this notice will apply to former customers as well as current customers unless we state otherwise.

We may collect nonpublic personal information about you from the following sources:

- Information we receive from you, such as on applications or other forms.
- Information about your transactions we secure from our files, or from our affiliates or others.
- Information we receive from a consumer reporting agency.
- Information that we receive from others involved in your transaction, such as the real estate agent or lender.

Unless it is specifically stated otherwise in an amended Privacy Policy Notice, no additional nonpublic personal information will be collected about you.

We may disclose any of the above information that we collect about our customers or former customers to our affiliates or to nonaffiliated third parties as permitted by law.

We also may disclose this information about our customers or former customers to the following types of nonaffiliated companies that perform marketing services on our behalf or with whom we have joint marketing agreements:

- Financial service providers such as companies engaged in banking, consumer finance, securities and insurance.
- Non-financial companies such as envelope stuffers and other fulfillment service providers.

**WE DO NOT DISCLOSE ANY NONPUBLIC PERSONAL INFORMATION ABOUT YOU WITH ANYONE FOR ANY PURPOSE THAT IS NOT SPECIFICALLY PERMITTED BY LAW.**

We restrict access to nonpublic personal information about you to those employees who need to know that information in order to provide products or services to you. We maintain physical, electronic, and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.

MEMORANDUM

DATE: June 13, 2016  
TO: Mike Geisel, Co-Interim City Administrator  
FROM: Craig D. White, Finance Director *CDW*  
SUBJECT: Requested Budgeted Amendments

---

Attached, please find the summary of budget amendments and reappropriations necessary to bring the 2015 budget in-line with actual activity. The adjustments are "house-keeping" in nature but require approval by the City Council. As you can see, they either amend the budget for items approved by Council or they are transfers that DO NOT impact the total budgeted expenditures.

**Budget Amendments** – These items were originally approved by City council

**Budget Reappropriations** – These are the outstanding purchase orders as of December 31, 2015 which have been approved by City Council, but were still in process at year end. The reappropriations LOWER the 2015 budgeted amount while increasing the 2016 budgeted amount.

I, Charles Marsonette, Fire Chief of the Monarch Fire Protection District, Incorporated as a political subdivision under the laws of the STATE OF MISSOURI, DO HERE BY CERTIFY that at a meeting of the Board of Directors of said Fire District, duly called and held on the 16<sup>th</sup> day of June, 2016, at which a quorum was present, the following action was taken:

"Upon motion duly made, seconded and carried, the following resolution was unanimously adopted."

WHEREAS, pursuant to MISSOURI PUBLIC SERVICE COMMISSION ORDER NO. 4, issued on November the 28th, 1969, Missouri-American Water Company has promulgated certain rules relating to the location of fire hydrants by incorporated Fire Districts: and,

WHEREAS, The Insurance Services Office of Missouri has specified the location of 2 public fire hydrant(s) in **Monarch Center** (subdivision) as follows:

1. On the east side of Long Road approximately 425 feet north of the centerline of Edison Avenue.
2. On the north side of Edison Avenue approximately 210 feet east of the centerline of Long Road.

WHEREAS, The Insurance Services Office of Missouri has specified the minimum fire flow for **Monarch Center** (subdivision) to be 1,500 GPM at 20 PSIG:

WHEREAS, for the purpose of keeping fire insurance rated as low as possible, the MONARCH FIRE PROTECTION DISTRICT has always fixed the location of fire hydrants, and fire flows in accordance with the recommendations of the Insurance Service Office of Missouri:

NOW THEREFORE, BE IT RESOLVED, that the Missouri-American Water Company install said 2 public fire hydrant(s) at the aforesaid location(s),

IN WITNESS THEREOF, I have hereunto set my hand as Fire Chief of the Monarch Fire Protection District, and have caused the corporate seal of said Fire District to be affixed this 16<sup>th</sup> day of June, 2016.

**AN ORDINANCE REPEALING ORDINANCE NUMBER 2859 AND REPLACING IT WITH A NEW ORDINANCE ESTABLISHING NEW RULES AND REGULATIONS IN REGARDS TO THE CITY OF CHESTERFIELD'S STANDING COMMITTEES.**

WHEREAS, the City Council of the City of Chesterfield previously has provided pursuant to Ordinance Number 12 Standing Committees, membership-appointments to said committees, and the committees' functions; and

WHEREAS, the City Council of the City of Chesterfield Amended Ordinance Number 12 in part, by passing and approving Ordinance number 467, that amended that part of Ordinance Number 12 that established the Standing Committees of the City Council of the City of Chesterfield; and

WHEREAS, the City Council of the City of Chesterfield repealed and replaced Ordinance Number 467, by passing and approving Ordinance number 2859 which established procedures for appointing membership of the four Standing Committees of the City Council of the City of Chesterfield; and

WHEREAS, the Finance and Administration Committee has reviewed and recommended additional changes to said procedures for appointing membership to the four Standing Committees of the City Council; and

WHEREAS, the City Council of the City of Chesterfield determines that it is expedient for the good government of the City to further establish the Standing Committees of the City Council and adopt rules and regulations of such committees;

**NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHESTERFIELD, ST. LOUIS COUNTY, MISSOURI, AS FOLLOWS:**

Section 1. Ordinance Number 2859 is hereby repealed in its entirety.

Section 2. Chesterfield City Code, Section 2-54 Standing Committees is hereby deleted and replaced with the following language in its place:

**Section 2-54. Standing Committees.**

(a) *Establishment.* There are hereby established as Standing Committees of the City Council the following:

- (1) Finance and Administration;
- (2) Parks, Recreation and Arts;

(3) Planning and Public Works; and

(4) Public Health and Safety.

(b) *Membership; appointment.*

(1) *Composition.* Each committee shall be comprised of four (4) Council members. One (1) Council member from each of the City's four (4) wards will serve on each committee, with no two (2) Council members from the same ward serving on the same committee.

(2) *Appointment.* After the first City Council meeting immediately following the regular municipal Election held in April of every year, the newly elected President Pro-Tem shall appoint members of the Council to Committees and designate Committee Chairpersons for each Standing Committee, subject to the approval of the City Council by formal vote taken not later than the first City Council meeting in May of every year.

(3) *Ex-Officio Members.* The Mayor and City Administrator shall both serve as non-voting ex officio members of each committee.

(4) *Chairperson.* One (1) Council member from each ward shall serve as a Chairperson of a committee, and no person shall serve as Chairperson of more than one (1) committee.

(5) *Vacancy.* Should there be a vacancy on the Council, the other Council member of the affected ward shall be deemed a full voting member of the committees upon which his or her ward-mate served until said vacancy has been filled. If the Council member previously occupying the currently vacant position served as Chairperson, the Vice Chairperson, at the time of the vacancy, shall assume the position of Chairperson.

(6) *Proxy Voting.* In the event that a Councilmember is unable to attend a committee meeting, that Councilmember may request that his or her Ward mate be allowed to vote at the Committee meeting. Such request would be directed to the Committee Chairperson and must be in writing.

(c) *Functions.*

(1) *Recommendations.* Making recommendations to the Council or to the City Administrator, or both, concerning any of the matters within its purview, when requested and also at other times when it appears that the best interest of the City and its residents will be served thereby;

(2) *Formulating and evaluating plans.* Formulating, with the assistance of the staff, long-range plans and evaluation and revision (if necessary) of such plans as adopted;

(3) *Legislation.* Reviewing and recommending legislation concerning any of the matters within its purview;

(4) *Quorum and presiding officer.* At least three (3) Council members must be present in order to hold a Committee meeting. The Chairperson shall preside over the Committee meeting. In the absence of the Chairperson, the Vice Chairperson shall preside;

(5) *Recommendations to Council.* Other than items discussed and/or acted upon by the Planning and Public Works Committee, in order for an item to pass out of Committee to the Council, said item shall require at least two (2) affirmative votes. Three (3) affirmative votes are required for an item to be passed to the Council with a favorable recommendation from the Committee;

(6) *Closed meetings.* Closed meetings cannot be held at any meeting of the Standing Committees.

Section 3. This Ordinance shall be in full force and effect from and after its passage and approval.

Passed and approved this \_\_\_\_\_ day of \_\_\_\_\_, 2016.

2. Hours of Operation.
- a. Uses “d”, “e”, “t”, and “ll”, listed above are considered retail uses and retail sales, with respect to those uses, will be subject to hours of operation from 6:00 AM to 11:00 PM.

## **B. FLOOR AREA, HEIGHT, BUILDING AND PARKING STRUCTURE REQUIREMENTS**

### **1. Height**

- a. The maximum height of the building, exclusive of roof screening, shall not exceed forty (40) feet.

### **2. Building Requirements**

- a. A minimum of thirty-five percent (35%) openspace is required for each lot within this development.
- b. This development shall have a maximum F.A.R. of 0.55.

## **C. SETBACKS**

### **1. Structure Setbacks**

No building or structure, other than: a freestanding project identification sign, light standards, dumpster enclosure, or flag poles will be located within the following setbacks:

- a. Sixty (60) feet from the Olive Street Road right-of-way on the northern boundary of the "PI" District.
- b. Twenty (20) feet from the eastern boundary of the "PI" District.
- c. Twenty (20) feet from the southern boundary of the "PI" District.
- d. Twenty (20) feet from the western boundary of the "PI" District.

### **2. Parking Setbacks**

No parking stall, loading space, internal driveway, or roadway, except points of ingress or egress, will be located within the following setbacks:

- a. Sixty (60) feet from the Olive Street Road right-of-way on the northern boundary of the "PI" District.
- b. Ten (10) feet from the eastern boundary of the "PI" District.
- c. Ten (10) feet from the southern boundary of the "PI" District.
- d. Ten (10) feet from the western boundary of the "PI" District.

3. Structure and Parking Setbacks from Olive Street Road may be made more restrictive during the Site Development Plan process as determined necessary by the Department of Public Services due to the final location and design of Chesterfield Valley Master Storm Water, Landscape, or other development requirements.

#### **D. PARKING AND LOADING REQUIREMENTS**

1. Parking and loading spaces for this development will be as required in the City of Chesterfield Code.
2. No construction related parking shall be permitted within right of way or on any existing roadways. All construction related parking shall be confined to the development.
3. Parking lots shall not be used as streets.
4. Provide adequate temporary off-street parking for construction employees. Parking on non-surfaced areas shall be prohibited in order to eliminate the condition whereby mud from construction and employee vehicles is tracked onto the pavement causing hazardous roadway and driving conditions.

#### **E. LANDSCAPE AND TREE REQUIREMENTS**

The development shall adhere to the Landscape and Tree Preservation Requirements of the City of Chesterfield Code.

#### **F. SIGN REQUIREMENTS**

1. Signs shall be permitted in accordance with the regulations of the City of Chesterfield Code or a Sign Package may be submitted for the planned district. Sign Packages shall adhere to the City Code and are reviewed and approved by the City of Chesterfield Planning Commission.
2. Ornamental Entrance Monument construction, if proposed, shall be reviewed by the City of Chesterfield, and/or the St. Louis County Department of Highways and Traffic, for sight distance considerations prior to installation or construction.

#### **G. LIGHT REQUIREMENTS**

Provide a lighting plan and cut sheet in accordance with the City of Chesterfield Code.

#### **H. ARCHITECTURAL**

1. The development shall adhere to the Architectural Review Standards of the City of Chesterfield Code.
2. Trash enclosures: All exterior trash areas will be enclosed with a minimum six (6) foot high sight-proof enclosure complemented by adequate landscaping. The location, material, and elevation of any trash enclosures will be as approved by the City of Chesterfield on the Site Development Plan.

## **I. ACCESS/ACCESS MANAGEMENT**

1. Direct access to Olive Street Road from this development shall be prohibited.
2. Access to the development shall be from Spirit Airpark West Drive and adequate sight distance shall be provided, as directed by the City of Chesterfield and St. Louis County Department of Transportation, as applicable.
3. Access to this development from Spirit Airport West Drive shall be located a minimum of one-hundred fifty (150) feet from Olive Street Road as directed by the Saint Louis County Department of Transportation. Spirit Airport West Drive entrance geometrics shall accommodate the design vehicle as directed by the Saint Louis County Department of Transportation.
4. If adequate sight distance cannot be provided at the access location(s), acquisition of right-of-way, reconstruction of pavement and other off-site improvements may be required to provide the required sight distance as required by the City of Chesterfield and the St. Louis County Department of Transportation.
5. Cross access shall be provided to serve 18610 Olive Street Road and 18600 Edison Avenue located to the west of the subject site.
6. Provide cross access easement and temporary slope construction license or other appropriate legal instrument or agreement guaranteeing permanent access between this site and adjacent properties as directed by the St Louis County Department of Transportation.

## **J. PUBLIC/PRIVATE ROAD IMPROVEMENTS, INCLUDING PEDESTRIAN CIRCULATION**

1. Improve Olive Street Road frontage to one half of the ultimate section including all storm drainage facilities as directed by the Saint Louis County Department of Transportation.
2. Provide a 5 foot wide sidewalk, conforming to ADA standards, along Spirit Airpark West Drive and Olive Street Road. The sidewalk shall provide for future connectivity to adjacent developments and/or roadway projects. The sidewalk may be located within right-of-way controlled by another agency, if permitted by that agency or on private property within a 6 foot wide sidewalk, maintenance and utility easement dedicated to the City of Chesterfield.
3. Obtain approvals from the City of Chesterfield and St. Louis County Department of Transportation and other entities as necessary for locations of proposed curb cuts and access points, areas of new dedication, and roadway improvements.

4. Additional right-of-way and road improvements shall be provided, as required by St. Louis County Department of Transportation and the City of Chesterfield.
5. The developer is advised that utility companies will require compensation for relocation of their facilities within public road right-of-way. Utility relocation cost shall not be considered as an allowable credit against the petitioner's traffic generation assessment contributions. The developer should also be aware of extensive delays in utility company relocation and adjustments. Such delays will not constitute a cause to allow occupancy prior to completion of road improvements.
6. Prior to Special Use Permit issuance by the Saint Louis County Department of Transportation, a special cash escrow or a special escrow supported by an Irrevocable Letter of Credit, must be established with the Saint Louis County Department of Transportation to guarantee completion of the required roadway improvements.
7. Any request to install a gate at the entrance to this development must be approved by the City of Chesterfield and the St. Louis County Department of Highways and Traffic. No gate installation will be permitted on public right-of-way.
8. If a gate is installed on a street in this development, the streets within the development, or that portion of the development that is gated, shall be private and remain private forever.

#### **K. TRAFFIC STUDY**

1. Provide a traffic study as directed by the City of Chesterfield and/or St. Louis County Department of Highways and Traffic. The scope of the study shall include internal and external circulation and may be limited to site specific impacts, such as the need for additional lanes, entrance configuration, geometrics, sight distance, traffic signal modifications or other improvements required, as long as the density of the proposed development falls within the parameters of the City's traffic model. Should the density be other than the density assumed in the model, regional issues shall be addressed as directed by the City of Chesterfield.
2. Provide a sight distance evaluation report, as required by the City of Chesterfield, for the proposed entrance onto Spirit Airpark West Drive. If adequate sight distance cannot be provided at the access location, acquisition of right-of-way, reconstruction of pavement, including correction to the vertical alignment, and/or other off-site improvements shall be required, as directed by the City of Chesterfield and/or the Missouri Department of Transportation.

## **L. POWER OF REVIEW**

Either Councilmember of the Ward where a development is proposed or the Mayor may request that the plan for a development be reviewed and approved by the entire City Council. This request must be made no later than twenty-four (24) hours after Planning Commission review. The City Council will then take appropriate action relative to the proposal. The plan for a development, for purposes of this section, may include the site development plan, site development section plan, site development concept plan, landscape plan, lighting plans, architectural elevations, sign package or any amendment thereto.

## **M. STORM WATER**

1. Emergency overflow drainage ways to accommodate runoff from the 100-year storm event shall be provided for all storm sewers, as directed by the City of Chesterfield.
2. Offsite storm water shall be picked up and piped to an adequate natural discharge point. Such bypass systems must be adequately designed.
3. The lowest opening of all structures shall be set at least two (2) feet higher than the one hundred (100) year high water elevation in detention/retention facilities. All structures shall be set at least 30 feet horizontally from the limits of the one hundred (100) year high water.
4. Locations of site features such as bioretention must be approved by the City of Chesterfield and the Metropolitan Saint Louis Sewer District.
5. The developer shall be responsible for construction of any required storm water improvements per the Chesterfield Valley Master Storm Water Plan, as applicable, and shall coordinate with the owners of the properties affected by construction of the required improvements. In the event that the ultimate required improvements cannot be constructed concurrently with this development, the developer shall provide interim drainage facilities and establish sufficient escrows as guarantee of future construction of the required improvements, including removal of interim facilities. Interim facilities shall be sized to handle runoff from the 100-year, 24-hour storm event as produced by the Master Storm Water Plan model. The interim facilities shall provide positive drainage and may include a temporary pump station, if necessary. Interim facilities shall be removed promptly after the permanent storm water improvements are constructed.
6. The developer may elect to propose alternate geometry, size and/or type of storm water improvements that are functionally equivalent to the required improvements per the Chesterfield Valley Master Storm Water Plan. Functional equivalence is said to be achieved when, as determined by the Public Works Director, the alternate proposal provides the same hydraulic

function, connectivity, and system-wide benefits without adversely affecting any of the following: water surface profiles at any location outside the development; future capital expenditures; maintenance obligations; equipment needs; frequency of maintenance; and probability of malfunction. The City will consider, but is not obligated to accept, the developer's alternate plans. If the Public Works Director determines that the developer's proposal may be functionally equivalent to the Chesterfield Valley Master Storm Water Plan improvements, hydraulic routing calculations will be performed to make a final determination of functional equivalence. The Director will consider the developer's proposal, but is not obligated to have the hydraulic analysis performed if any of the other criteria regarding functional equivalence will not be met. The hydraulic routing calculations regarding functional equivalence may be performed by a consultant retained by the City of Chesterfield. The developer shall be responsible for all costs related to consideration of an alternate proposal, which shall include any costs related to work performed by the consultant.

7. The developer shall provide all necessary Chesterfield Valley Storm Water Easements to accommodate future construction of the Chesterfield Valley Master Storm Water Plan improvements, and depict any and all Chesterfield Valley Master Storm Water Plan improvements on the Site Development Plan(s) and Improvement Plans. Maintenance of the required storm water improvements shall be the responsibility of the property owner unless otherwise noted.
8. All Chesterfield Valley Master Storm Water Plan improvements, as applicable, shall be operational prior to the paving of any driveways or parking areas unless otherwise approved.
9. The site shall provide for the positive drainage of storm water and it shall be discharged at an adequate natural discharge point or connected to an adequate piped system.
10. Detention/retention and channel protection measures are to be provided in each watershed as required by the City of Chesterfield. The storm water management facilities shall be operational prior to paving of any driveways or parking areas in non-residential development or issuance of building permits exceeding sixty percent (60%) of approved dwelling units in each plat, watershed or phase of residential developments. The location and types of storm water management facilities shall be identified on the Site Development Plan(s).

#### **N. SANITARY SEWER**

1. Sanitary sewers shall be as approved by the City of Chesterfield and the Metropolitan St. Louis Sewer District.

2. Connection to public sanitary sewers is required. Public sewer extension and new easements may be necessary. Peak sanitary flow estimates will need to be provided by the developer's engineer during formal plan review so the capacity of the receiving pump station and force main can be evaluated. Facility upgrades may be required of the developer if this development cannot be serviced within existing system capacity.
3. The site is located within the Caulks Creek Surcharge Area. The Caulks Creek Surcharge, assessed at \$2,750/ac, will apply to this development.

#### **O. GEOTECHNICAL REPORT**

Prior to Site Development Plan approval, provide a geotechnical report, prepared by a registered professional engineer licensed to practice in the State of Missouri, as directed by the Department of Public Services. The report shall verify the suitability of grading and proposed improvements with soil and geologic conditions and address the existence of any potential sinkhole, ponds, dams, septic fields, etc., and recommendations for treatment. A statement of compliance, signed and sealed by the geotechnical engineer preparing the report, shall be included on all Site Development Plans and Improvement Plans.

#### **R. MISCELLANEOUS**

1. All utilities will be installed underground.
2. Road improvements and right-of-way dedication shall be completed prior to the issuance of an occupancy permit. If development phasing is anticipated, the developer shall complete road improvements, right-of-way dedication, and access requirements for each phase of development as directed by the City of Chesterfield and Saint Louis County Department of Highways and Traffic. Delays due to utility relocation and adjustments will not constitute a cause to allow occupancy prior to completion of road improvements.

### **II. TIME PERIOD FOR SUBMITTAL OF SITE DEVELOPMENT CONCEPT PLANS AND SITE DEVELOPMENT PLANS**

- A. The developer shall submit a concept plan within eighteen (18) months of City Council approval of the change of zoning.
- B. In lieu of submitting a Site Development Concept Plan and Site Development Section Plans, the petitioner may submit a Site Development Plan for the entire development within eighteen (18) months of the date of approval of the change of zoning by the City.
- C. Failure to comply with these submittal requirements will result in the expiration of the change of zoning and will require a new public hearing.

- D. Said Plan shall be submitted in accordance with the combined requirements for Site Development Section and Concept Plans. The submission of Amended Site Development Plans by sections of this project to the Planning Commission shall be permitted if this option is utilized.
- E. Where due cause is shown by the developer, the City Council may extend the period to submit a Site Development Concept Plan or Site Development Plan for eighteen (18) months.

### **III. COMMENCEMENT OF CONSTRUCTION**

- A. Substantial construction shall commence within two (2) years of approval of the Site Development Concept Plan or Site Development Plan, unless otherwise authorized by ordinance.
- B. Where due cause is shown by the developer, the City Council may extend the period to commence construction for two (2) additional years.

### **IV. GENERAL CRITERIA**

#### **A. SITE DEVELOPMENT CONCEPT PLAN**

1. Any Site Development Concept Plan shall show all information required on a preliminary plat as required in the City of Chesterfield Code.
2. Include a Conceptual Landscape Plan in accordance with the City of Chesterfield Code to indicate proposed landscaping along arterial and collector roadways.
3. Include a Lighting Plan in accordance with the City of Chesterfield Code to indicate proposed lighting along arterial collector roadways.
4. Provide comments/approvals from the appropriate Fire District, the St. Louis County Department of Highways and Traffic, Monarch Chesterfield Levee District, Spirit of St. Louis Airport and the Missouri Department of Transportation.
5. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.

#### **B. SITE DEVELOPMENT PLAN SUBMITTAL REQUIREMENTS**

The Site Development Plan shall include, but not be limited to, the following:

1. Location map, north arrow, and plan scale. The scale shall be no greater than one (1) inch equals one hundred (100) feet.
2. Outboundary plat and legal description of property.

3. Density calculations.
4. Parking calculations. Including calculation for all off street parking spaces, required and proposed, and the number, size and location for handicap designed.
5. Provide openspace percentage for overall development including separate percentage for each lot on the plan.
6. Provide Floor Area Ratio (F.A.R.).
7. A note indicating all utilities will be installed underground.
8. A note indicating signage approval is separate process.
9. Depict the location of all buildings, size, including height and distance from adjacent property lines, and proposed use.
10. Specific structure and parking setbacks along all roadways and property lines.
11. Indicate location of all existing and proposed freestanding monument signs.
12. Zoning district lines, subdivision name, lot number, dimensions, and area, and zoning of adjacent parcels where different than site.
13. Floodplain boundaries.
14. Depict existing and proposed improvements within 150 feet of the site as directed. Improvements include, but are not limited to, roadways, driveways and walkways adjacent to and across the street from the site, significant natural features, such as wooded areas and rock formations, and other karst features that are to remain or be removed.
15. Depict all existing and proposed easements and rights-of-way within 150 feet of the site and all existing or proposed off-site easements and rights-of-way required for proposed improvements.
16. Indicate the location of the proposed storm sewers, detention basins, sanitary sewers and connection(s) to the existing systems.
17. Depict existing and proposed contours at intervals of not more than one (1) foot, and extending 150 feet beyond the limits of the site as directed.
18. Address trees and landscaping in accordance with the City of Chesterfield Code.

19. Comply with all preliminary plat requirements of the City of Chesterfield Subdivision Regulations per the City of Chesterfield Code.
20. Signed and sealed in conformance with the State of Missouri Department of Economic Development, Division of Professional Registration, Missouri Board for Architects, Professional Engineers and Land Surveyors requirements.
21. Provide comments/approvals from the appropriate Fire District, Monarch Levee District, Spirit of St. Louis Airport, Metropolitan St. Louis Sewer District (MSD) and the Missouri Department of Transportation.
22. Compliance with Sky Exposure Plane.
23. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.

#### **C. SITE DEVELOPMENT SECTION PLAN SUBMITTAL REQUIREMENTS**

The Site Development Section Plan shall adhere to the above criteria and to the following:

1. Location map, north arrow, and plan scale. The scale shall be no greater than one (1) inch equals one hundred (100) feet.
2. Parking calculations. Including calculation for all off street parking spaces, required and proposed, and the number, size and location for handicap designed.
3. Provide openspace percentage for overall development including separate percentage for each lot on the plan.
4. Provide Floor Area Ratio (F.A.R.).
5. A note indicating all utilities will be installed underground.
6. A note indicating signage approval is separate process.
7. Depict the location of all buildings, size, including height and distance from adjacent property lines and proposed use.
8. Specific structure and parking setbacks along all roadways and property lines.
9. Indicate location of all existing and proposed freestanding monument signs.
10. Zoning district lines, subdivision name, lot number, lot dimensions, lot area, and zoning of adjacent parcels where different than site.

11. Floodplain boundaries.
12. Depict existing and proposed improvements within 150 feet of the site as directed. Improvements include, but are not limited to, roadways, driveways and walkways adjacent to and across the street from the site, significant natural features, such as wooded areas and rock formations, and other karst features that are to remain or be removed.
13. Depict all existing and proposed easements and rights-of-way within 150 feet of the site and all existing or proposed off-site easements and rights-of-way required for proposed improvements.
14. Indicate the location of the proposed storm sewers, detention basins, sanitary sewers and connection(s) to the existing systems.
15. Depict existing and proposed contours at intervals of not more than one (1) foot, and extending 150 feet beyond the limits of the site as directed.
16. Address trees and landscaping in accordance with the City of Chesterfield Code.
17. Comply with all preliminary plat requirements of the City of Chesterfield Subdivision Regulations per the City of Chesterfield Code.
18. Signed and sealed in conformance with the State of Missouri Department of Economic Development, Division of Professional Registration, Missouri Board for Architects, Professional Engineers and Land Surveyors requirements.
19. Provide comments/approvals from the appropriate Fire District, Monarch Levee District, Spirit of St. Louis Airport, St. Louis Department of Highways and Traffic, Metropolitan St. Louis Sewer District (MSD) and the Missouri Department of Transportation.
20. Compliance with Sky Exposure Plane.
21. Compliance with the current Metropolitan Sewer District Site Guidance as adopted by the City of Chesterfield.

## **V. TRUST FUND CONTRIBUTION**

### Traffic Generation Assessment Rates

The amount of all required contributions for roadway, storm water and primary water line improvements, if not submitted by January 1, 2017, shall be adjusted on that date and on the first day of January in each succeeding year thereafter in accordance with the construction cost index as determined by the Saint Louis County Department of Transportation.

## A. ROADS

1. The developer shall be required to contribute a Traffic Generation Assessment (TGA) to the Chesterfield Valley Trust Fund (No. 556). This contribution shall not exceed an amount established by multiplying the required parking spaces by the following rate schedule:

<u>Type of Development</u>	<u>Required Contribution</u>
General Retail	\$2,223.29/parking space
Office Space	\$741.06/parking space
Loading Space	\$3,638.14/parking space

If types of development proposed differ from those listed, rates shall be provided by the Saint Louis County Department of Transportation.

If a portion of the improvements required herein are needed to provide for the safety of the traveling public, their completion as a part of this development is mandatory.

Allowable credits for required roadway improvements will be awarded as directed by the Saint Louis County Department of Transportation and the City of Chesterfield. Sidewalk construction and utility relocation, among other items, are not considered allowable credits.

2. As this development is located within a trust fund area established by Saint Louis County, any portion of the traffic generation assessment contribution which remains following completion of road improvements required by the development shall be retained in the appropriate trust fund.
3. Road Improvement Traffic Generation Assessment contributions shall be deposited with Saint Louis County Department of Transportation. The deposit shall be made prior to the issuance of a Special Use Permit (S.U.P.) by Saint Louis County Department of Transportation or prior to the issuance of building permits in the case where no Special Use Permit is required. If development phasing is anticipated, the developer shall provide the Traffic Generation Assessment contribution prior to the issuance of building permits for each phase of development. Funds shall be payable to Treasurer, Saint Louis County.

## B. WATER MAIN

The primary water line contribution is based on gross acreage of the development land area. The contribution shall be a sum of \$894.19 per acre for the total area as approved on the Site Development Plan to be used solely to help defray the cost of constructing the primary water line serving the Chesterfield Valley area.

The primary water line contribution shall be deposited with the Saint Louis County Department of Transportation. The deposit shall be made before Saint Louis County approval of the Site Development Plan unless otherwise directed by the Saint Louis County Department of Transportation. Funds shall be payable to Treasurer, Saint Louis County.

### **C. STORM WATER**

The storm water contribution is based on gross acreage of the development land area. These funds are necessary to help defray the cost of engineering and construction improvements for the collection and disposal of storm water from the Chesterfield Valley in accordance with the Master Plan on file with and jointly approved by Saint Louis County and the Metropolitan Saint Louis Sewer District. The amount of the storm water contribution will be computed based on \$2,837.06 per acre for the total area as approved on the Site Development Plan.

The storm water contributions to the Trust Fund shall be deposited with the Saint Louis County Department of Transportation. The deposit shall be made prior to the issuance of a Special Use Permit (S.U.P.) by Saint Louis County Department of Transportation or prior to the issuance of building permits in the case where no Special Use Permit is required. Funds shall be payable to Treasurer, Saint Louis County.

### **D. SANITARY SEWER**

The sanitary sewer contribution is collected as the Caulks Creek impact fee.

The sanitary sewer contribution within the Chesterfield Valley area shall be deposited with the Metropolitan Saint Louis Sewer District as required by the District.

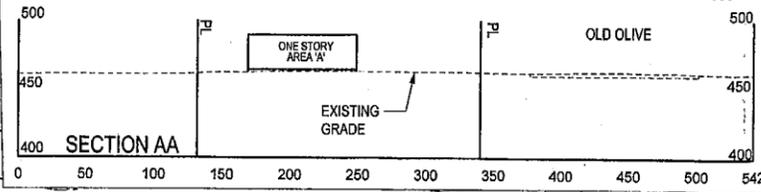

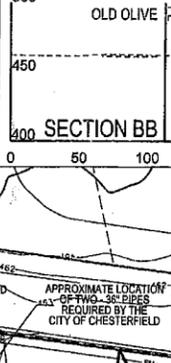

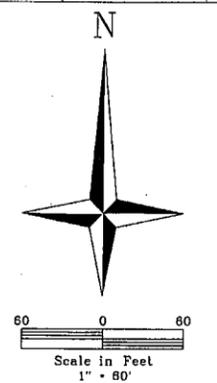

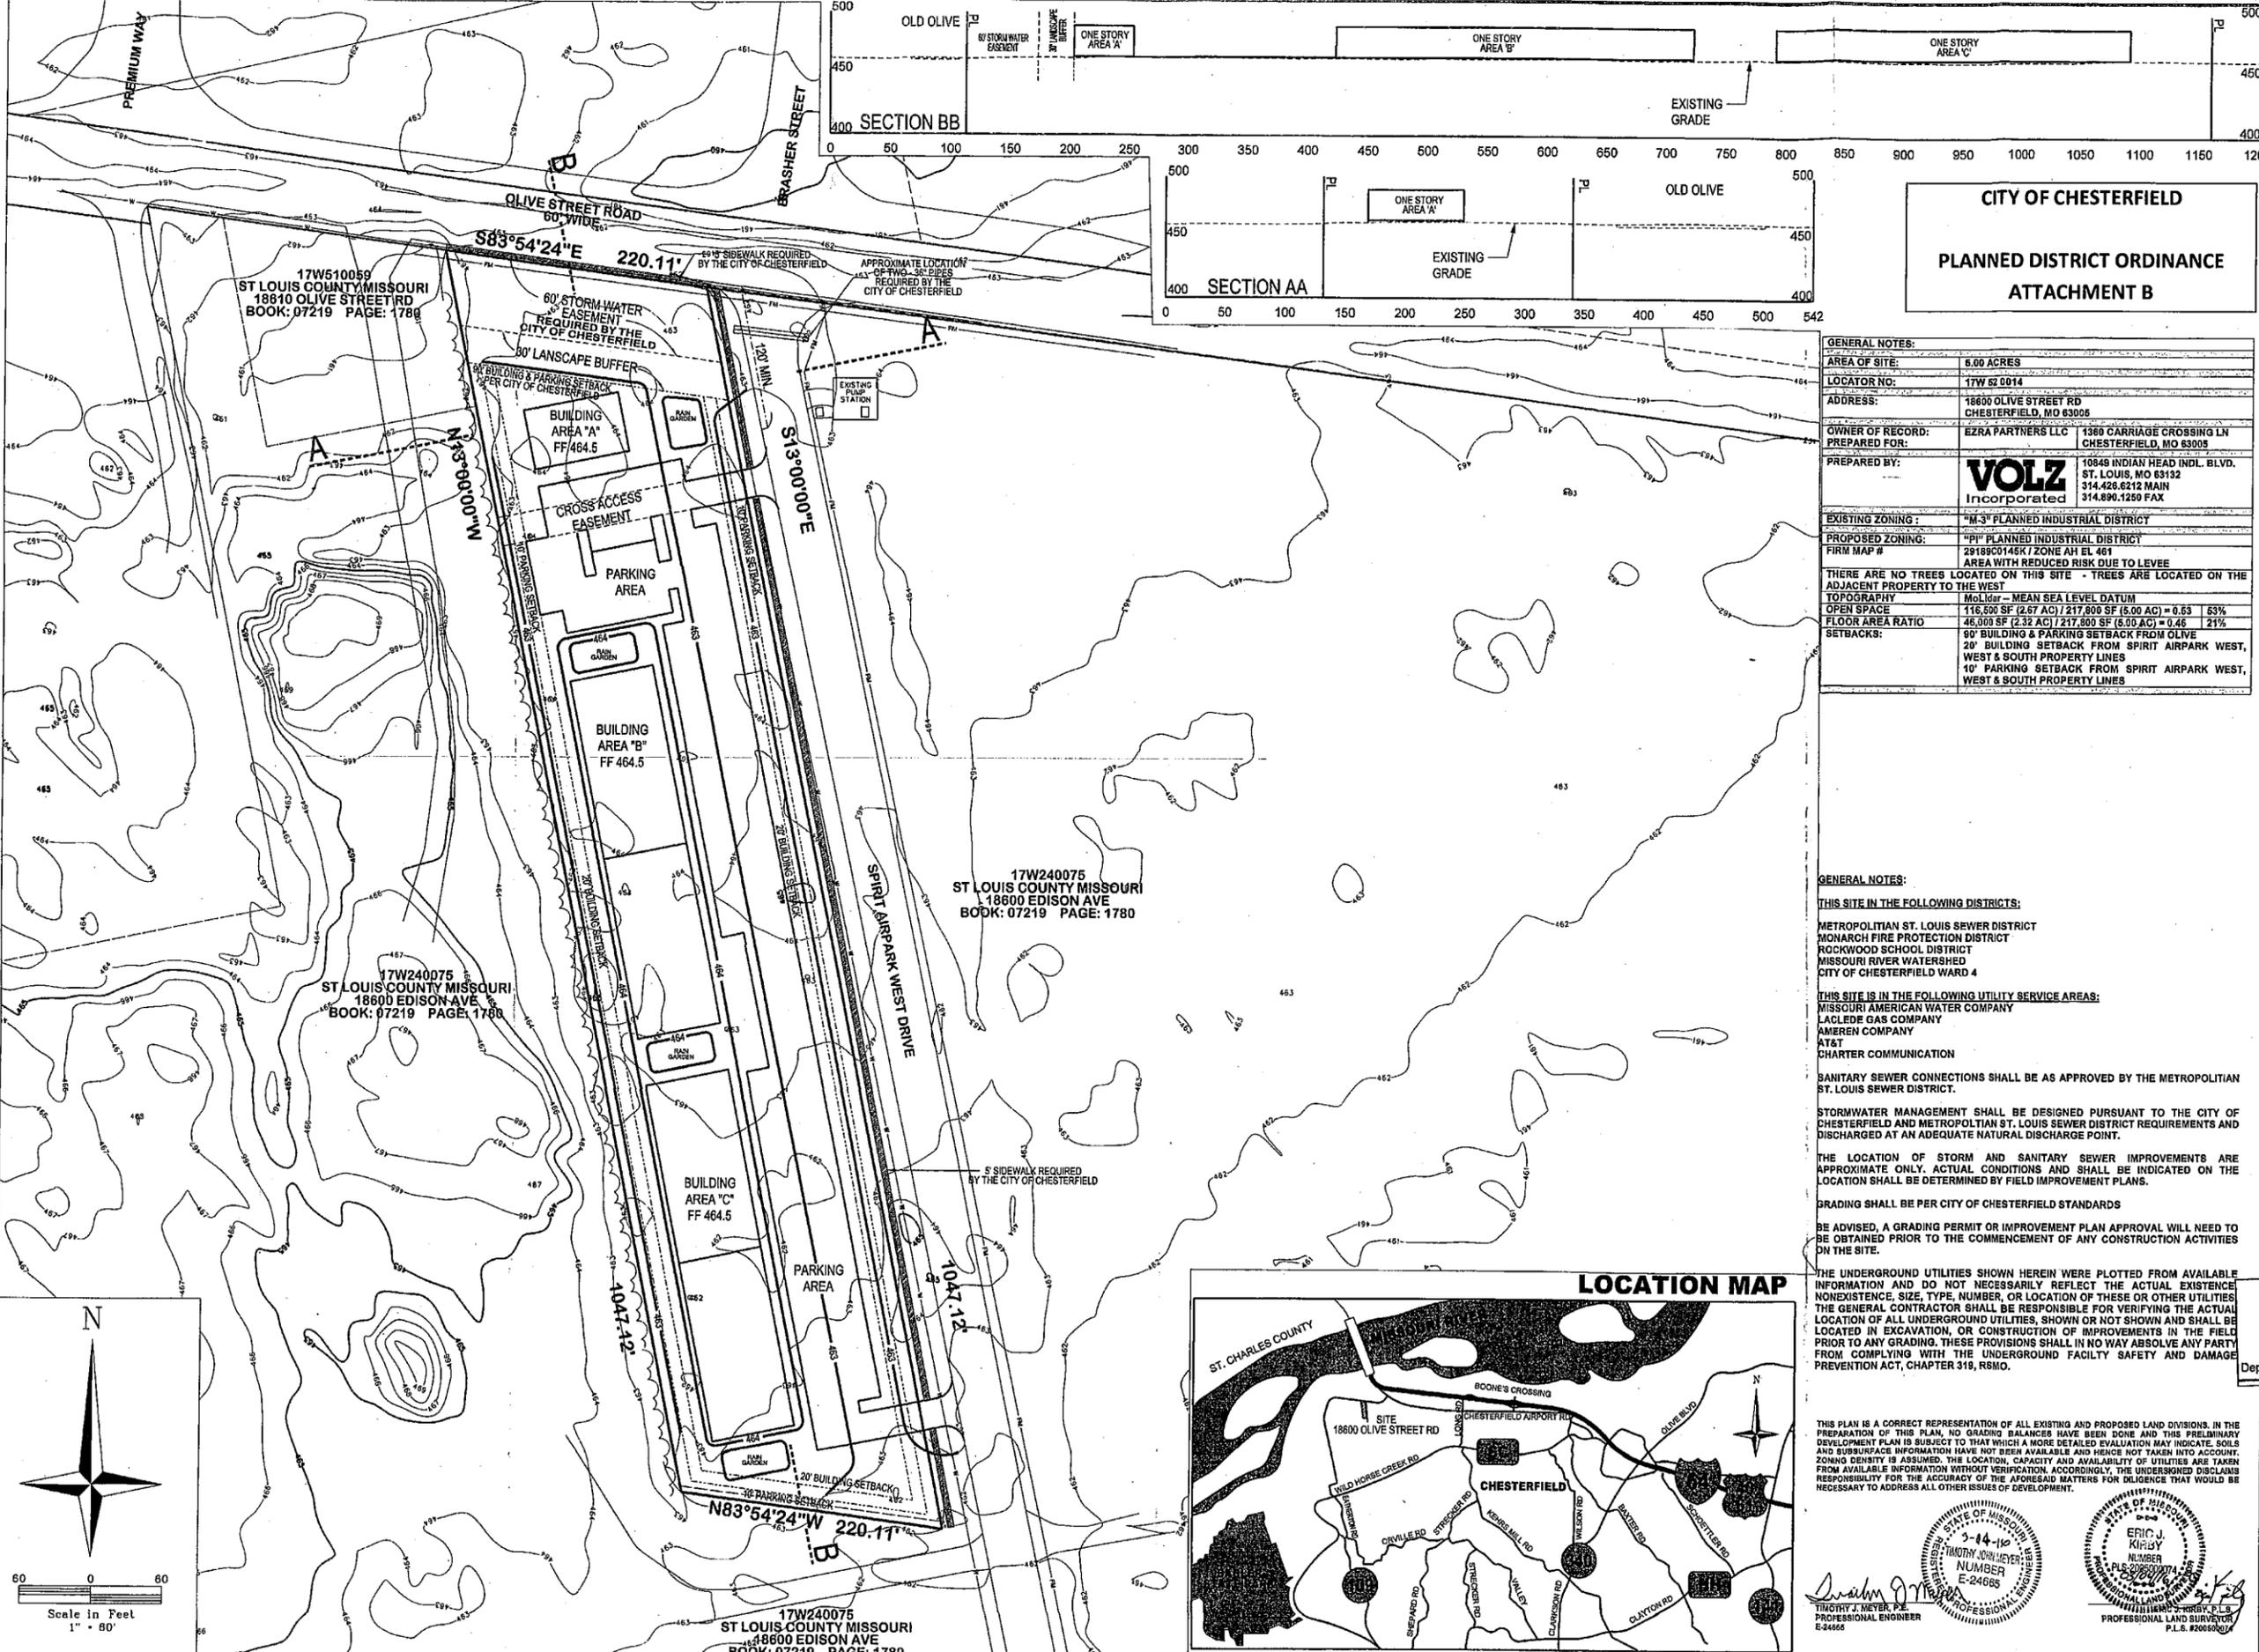

## **VI. RECORDING**

Within sixty (60) days of approval of any development plan by the City of Chesterfield, the approved Plan will be recorded with the St. Louis County Recorder of Deeds. Failure to do so will result in the expiration of approval of said plan and require re-approval of a plan by the Planning Commission.

## **VII. ENFORCEMENT**

- A.** The City of Chesterfield, Missouri will enforce the conditions of this ordinance in accordance with the Plan approved by the City of Chesterfield and the terms of this Attachment A.

- B.** Failure to comply with any or all the conditions of this ordinance will be adequate cause for revocation of approvals/permits by reviewing Departments and Commissions.
- C.** Non-compliance with the specific requirements and conditions set forth in this Ordinance and its attached conditions or other Ordinances of the City of Chesterfield shall constitute an ordinance violation, subject, but not limited to, the penalty provisions as set forth in the City of Chesterfield Code.
- D.** Waiver of Notice of Violation per the City of Chesterfield Code.
- E.** This document shall be read as a whole and any inconsistency to be integrated to carry out the overall intent of this Attachment A.

THIS PLAN IS A CORRECT REPRESENTATION OF ALL EXISTING AND PROPOSED LAND DIVISIONS. IN THE PREPARATION OF THIS PLAN, NO GRADING BALANCES HAVE BEEN DONE AND THIS PRELIMINARY DEVELOPMENT PLAN IS SUBJECT TO THAT WHICH A MORE DETAILED EVALUATION MAY INDICATE. SOILS AND SUBSURFACE INFORMATION HAVE NOT BEEN AVAILABLE AND HENCE NOT TAKEN INTO ACCOUNT. ZONING DENSITY IS ASSUMED. THE LOCATION, CAPACITY AND AVAILABILITY OF UTILITIES ARE TAKEN FROM AVAILABLE INFORMATION WITHOUT VERIFICATION. ACCORDINGLY, THE UNDERSIGNED DISCLAIMS RESPONSIBILITY FOR THE ACCURACY OF THE AFORESAID MATTERS FOR DILIGENCE THAT WOULD BE NECESSARY TO ADDRESS ALL OTHER ISSUES OF DEVELOPMENT.
