- ◆ Earth Day
Committee members agreed that it was not necessary to attend Earth Day this year, as there was nothing going on to advertise.
- ◆ Garden Tour
Town and Country will be holding another garden tour this year, and will then switch to every other year, so their tour will be on off years for Chesterfield.
- ◆ Beautification Awards
Some nominations have already come in. More are needed so keep your eyes open for outstanding landscapes.
- ◆ Amphitheatre Grand Opening
A VIP event is planned for May 20; the public grand opening event will be May 21.
There are 6 concerts already set up through the spring and summer for Saturday nights. The first concert will be on June 4th.
- ◆ Dog Park Opening
The Dog Park at the Eberwein Park property will open in late summer.

Staff Report:

- ◆ Native Landscape Challenge
CCE is holding a native landscape challenge in cooperation with St. Louis Wild Ones. They would like the committee to be aware of this.
- ◆ Mural Project at Edison Road
The Mural project will be held June 4th. Anyone interested in participating should contact Chesterfield Arts.
