Staff Report:

- ◆ Eberwein Planters
 1. The planters should be in place at the entrance to the community garden and near the barn by next week;
 2. The committee will work on plant lists, and will plan on installing the plant material and maintaining them through the growing season;

- ◆ Herb Garden
 1. Many of the plants from last year are coming back, this will reduce the need to buy new plants this year;
 2. Carol and Bob Barnes offered to handle purchasing and adding a few more;
 3. The Community Garden has 53 plots now, all are full and there is a waiting list;

- ◆ Amphitheater Planters
 1. Planters and hanging baskets will be in place next week at the Amp.
 2. City staff will install plant material and handle watering through the growing season, committee members will make a schedule for deadheading;

- ◆ CVAC
 1. Planter beds have been installed at the B concession stand and main entrance. City staff has installed annuals
 2. New signs have been added to entrances
 3. Irrigation has been extended to off field areas in some locations

The Committee will take a break in September, and reconvene at the October 9th meeting.

Meeting adjourned at 9:40 am.
