Chair Report:

- ◆ Garden Tour

1. Everything is in place for a successful tour.
2. All houses are staffed with volunteers.
3. The extra garden has been officially added to the tour, and a map has been printed out. All attendees will need a copy of this map.
4. Wrist bands will be handed out when each attendee gets to their first house.
5. Tickets will be sold at city hall the day of the tour from 9 until 11. Bruce Geiger has volunteered to sell tickets at city hall.
6. The pre-garden tour and party went very well, thanks to everyone who helped out.

Staff Report:

- ◆ Chesterfield Parkway Medians

1. The project has been bid out and has come in under estimated budget projections. The project will include the alternate bid of re-landscaping the five medians east of Clarkson road, that the city already maintains.
2. The committee agreed that the landscape plans fit with what they wanted initially, and the project looks like it will be big success.
