Councilmember Hurt announced that the next meeting of this Committee has been scheduled for May 4 at 5:30 p.m.

Public Works/Parks Committee

Councilmember Mary Brown, Chairperson of the Public Works/Parks Committee, reported that Bill No. 1797 (authorizes the City Administrator to accept a grant totaling \$1,959,985 for Highway 340 Enhancement Project) will be considered for adoption and Bill No. 1805, (extends the current contract with Midwest Waste until July 29, 2001), will be read for the first time under the “Legislation” portion of the agenda.

Councilmember Brown announced that the next meeting of this Committee has been scheduled for May 31 at 5:30 p.m.

REPORT OF THE CITY ADMINISTRATOR

City Administrator Mike Herring reported that the City of Chesterfield contracts with the Chesterfield Community Development Corporation (CCDC) for professional services provided by Mr. Lee McKinney with regard to the 500-year levee and other issues involving the Chesterfield Valley. He stated that Executive Director Keith Riesberg of CCDC had informed him that CCDC had recently voted to extend the current contract for another six (6) months, running from May 1, 2000 – October 31, 2000. City Council can extend this contract via the passage of Resolution No. 261. The cost of this contract remains \$3,500/month and is funded entirely by T.I.F. dollars. Councilmember Brown made a motion, seconded by Councilmember Nations, to extend the current contract with CCDC for another six-month period, running from May 1, 2000 through October 31, 2000. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that Keith Riesberg, Executive Director for the Chesterfield Community Development Corporation (CCDC), has written to request approval for the issuance of Industrial Development Revenue Bonds, to fund a 6,100 sq. ft. addition to the

existing facilities of Friendship Village, located at 15201 Olive Boulevard. Mr. Herring stated that approval for the issuance of these bonds by St. Louis County will constitute no debt or liability to the City of Chesterfield. Friendship Village is solely responsible for the payment of the principle and interest on these bonds. City Council has given administrative approval to a multitude of similar issues in the past. Even though this issue is being handled by St. Louis County, approval by the Chesterfield City Council is necessary since this project is located within our City limits. He further noted that the CCDC will experience no administrative costs nor liability that would normally be associated with such a bond issuance, and that, even though not required, St. Louis County has already committed to splitting the issuance fee, for the Chesterfield portion of this bond issue, with the CCDC. Councilmember Streeter made a motion, seconded by Councilmember Scheidt, to approve issuance of IDRBS for Friendship Village, as recommended and approved by CCDC. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that the City of Chesterfield has received a liquor license request from Michael's Ristorante, located at 13419 Olive Boulevard, due to a change in ownership. The new owner is requesting to sell all kinds of liquor by the drink for consumption on the premises and Sunday sales. Fees for the license will be prorated to June 30, 2000. This application has been reviewed and approved by the Police and Planning Departments. Councilmember Casey made a motion, seconded by Councilmember Scheidt, to approve issuance of the liquor license. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

NEW BUSINESS

Mayor Greenwood stated that the City of Chesterfield has been contact by MoDOT regarding a change in the intersection at Hog Hollow Road and Olive Boulevard. MoDOT is proposing to change the intersection from its current design to a "T" arrangement, due to the fact that this intersection is very dangerous to motorists attempting to exit or enter Hog Hollow Road from Olive Boulevard. It was noted that there is no cost to the City of Chesterfield and it will be of minimal cost to MoDOT to complete this project. Councilmember Durrell made a motion, seconded by Councilmember Brown, to approve MoDOT's request to improve the intersection at Hog Hollow Road and Olive Boulevard, as stated (see attached sheet). A voice vote was taken with a unanimous affirmative result and the motion was declared passed.
