Finance and Administration Committee

Councilmember Linda Tilley, Chairperson of the Finance and Administration Committee, announced that the next meeting of this Committee has been scheduled for Monday, May 11 at 5:00 p.m.

Public Health and Safety Committee

Councilmember Larry Grosser, Chairperson of the Public Health and Safety Committee, reported that Bill No. 1525, regarding no parking on Wild Horse Creek Road at 17827 Wild Horse Creek Road, will be considered for adoption under the Legislation portion of the agenda.

Councilmember Grosser announced that the next meeting of this Committee has been scheduled for Monday, May 11 at 6:30 p.m.

Public Works/Parks Committee

Councilmember Barry Flachsbar, Chairperson of the Public Works/Parks Committee, reported that the Historical Commission has requested that the City underwrite the cost of printing a book on historical homes in the community at a cost of \$12,500. He noted that the proceeds received from

the sale of the book will first go to repay the City and the remaining funds will go to the Historical Commission. A motion was made by Councilmember Flachsbart, seconded by Councilmember Brown, to approve the transfer of \$12,500 from Contingency Fund to underwrite the Historical Commission book. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Councilmember Flachsbart announced that the next meeting of the Public Works/Parks Committee has been scheduled for Thursday, May 21 at 7 p.m.

REPORT OF THE CITY ADMINISTRATOR

City Administrator Mike Herring reported that every year, in keeping with generally accepted accounting principles, Staff submits a request to City Council to adopt a budget amendment, to reflect outstanding purchase orders for the prior fiscal year. Director of Finance and Administration Jan Hawn, submitted a list of outstanding purchase orders from 1997, totaling \$5,394,653.76 which must be funded by a transfer of funds from the unappropriated fund balance. Funds for each of the expenditures represented by the outstanding purchase orders were returned to fund balance when the purchase orders lapsed at the end of 1997. As a result, re-appropriation of the funds to cover these purchase orders will have no effect on the fund balance projections as of December 31, 1998. A motion was made by Councilmember Grosser, seconded by Councilmember Flachsbart, to approve the re-appropriation of \$5,394,654 to cover the cost of outstanding purchase orders. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that bids were recently sought for two separate fireworks displays, to be held June 7 and June 9, in conjunction with the 10th Anniversary celebration. The only bid received was submitted by Sunset Fireworks, LTD., St. Louis, MO, totaling \$28,000. The budget contains an appropriation of \$30,000 for this purpose. Mr. Herring joined with Mr. Geisel in recommending approval of the bid submitted by Sunset Fireworks, LTD., totaling \$28,000. A motion was made by Councilmember Brown, seconded by Councilmember Tilley, to award the contract to Sunset Fireworks, LTD at a cost of \$28,000 for two fireworks displays. A voice vote was taken with an affirmative result Councilmember Sheppard voted “No”) and the motion was declared passed.

Mr. Herring next reported that bids were recently sought for the purchase of pool concession equipment to be used at the City’s new aquatic facility. The FY1998 Budget provides an appropriation of \$15,710 for the purchase of this equipment. Mr. Herring joined with Mr. Geisel and Director of Finance and Administration Jan Hawn, in recommending approval of the bid submitted by Superior Products Company, in an amount not to exceed \$11,220. A motion was made by Councilmember Streeter, seconded by Councilmember Grosser, to award the contract to Superior Products Company, in an amount not to exceed \$11,220, for pool concession equipment. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that bids were recently sought for proposals for the operation and management of the City’s concessions at the new aquatic facility. The best proposal was submitted by Ric Mariam/Pasta Joes, which will result in 16.1% of the gross receipts paid to the City of Chesterfield. This amount could increase to 18.1%, if the City extends the contract beyond the initial year. Acceptance of the additional two years is subject to performance and will be determined by City Staff after this pool season. It was noted that the concession vendor will equip the concession, pay utilities and take care of major repairs to the facility, as well as staffing the operation of this facility throughout the pool season. The concession will offer a full line of soft drinks, sandwiches,

snacks, candy, ice cream items, fruit, etc. There will also be pizza days, taco days, McDonald's days, etc., with the contractor working with local vendors on these types of menu items. There will be no fried foods prepared at the concession. Based upon conservative estimates of \$60,000 in gross receipts at the pool concession this season, 18.1% would yield the City approximately \$11,000. A motion was made by Councilmember Grosser, seconded by Councilmember Streeter, to award the contract to Ric Mariam/Pasta Joes for a revenue of 16.1% of the gross receipts, with the possibility of increasing to 18.1%, as noted above. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that Director of Planning Teresa Price is recommending authorization to enter into a contract with 4S Tree Consulting (Mr. James Rocca) for tree consulting services. This contract, for which an appropriation of \$10,000 is contained within the FY1998 Budget, will provide the Planning Department with expertise regarding the newly-adopted Tree Ordinance and Manual, the ability to review tree studies and mitigation plans prepared by the development community and the ability to prepare possible revisions to the ordinance and manual. Based upon the availability of funds for this service and based upon Ms. Price's recommendation, Mr. Herring joined with her in recommending approval of a contract between the City of Chesterfield and 4S Tree Consulting (Mr. James Rocca), in an amount not to exceed the budgeted appropriation for FY1998. A motion was made by Councilmember Flachsbart, seconded by Councilmember Brown, to approve a contract with 4S Tree Consulting (Mr. James Rocca), in an amount not to exceed the budgeted appropriation for FY1998 of \$10,000. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.
