REPORT OF THE CITY ADMINISTRATOR

City Administrator Mike Herring reported that the Parks, Recreation and Arts Citizens Advisory Committee and the Public Works/Parks Committee have reviewed and endorsed the Parks Study - Phase I Feasibility proposal submitted by Thalden Corporation for a price not to exceed \$23,000.00.

A motion was made by Councilmember Politte, seconded by Councilmember Bute, to authorize Mr. Herring to enter into a contract, as revised by Council in the Work Session, with Thalden Corporation for a price not to exceed \$23,000.00 and to transfer the amount from Fund Reserves to the current budget. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

City Administrator Mike Herring reported that bids have recently been sought for the sale of two (2) dump trucks. These dump trucks are old, in need of extensive repairs and, in one case, inoperable at the present time. The highest bids submitted for each vehicle were submitted by City employees. The Purchasing Manual states that the sale of surplus equipment to City employees is prohibited, unless such action "would be in the best interest of the City." Under the circumstances, Mr. Herring joined with Finance Director Jan Hawn in recommending that Council approve the bid submitted by Mr. Terry Wilbanks for the purchase of a 1976 F-600 Ford dump truck for a price of \$1,000.00 and the bid submitted by Mr. Bill Sullivan for the purchase of a 1978 #1600 International dump truck for a total price of \$600.00. A motion was made by Councilmember Tilley, seconded by Councilmember Hurt, to accept the two (2) low bids submitted for these trucks. City Attorney Beach explained the City's policy with regard to employees' purchasing City property. However, due to the fact that these bids were submitted on a sealed bid basis and notices were published in the newspapers, as well as request for proposals being sent to fifteen (15) truck businesses, he expressed his opinion that it appeared to be in the best interest of the City to accept the bids submitted by the employees. A voice vote was taken with a unanimous affirmative result and the motion was declared passed.

Mr. Herring next reported that additional information has been secured with regard to the request for a liquor license submitted by Marriott Management Services Corporation. He explained that Marriott Management Services Corporation was a catering company, located at 18444 Edison Avenue, and has requested a full liquor license, not to sell liquor by the drink, but to dispense it. City Attorney Beach further explained the State statute in issuing liquor licenses to catering companies and the way the City's ordinance was written. This would be the appropriate license to issue to Marriott. As a result, Mr. Herring joined with City Attorney Beach in recommending approval of this liquor license request. A motion was made by Councilmember Politte, seconded by Councilmember Greenwood, to approve the liquor license request submitted by Marriott Management Services Corporation. A voice vote was taken with an affirmative result

(Councilmember Hrabko abstained) and the motion was declared passed. Councilmember Greenwood confirmed that City Attorney Beach will revise the liquor license ordinance to address the issuance of licenses to catering companies.

Mr. Herring next stated that City Council had approved awarding the contract to Sverdrup Corporation for the Phase I - Feasibility/Conceptual Design of the Government Center Study as the last meeting for a total cost of \$42,600.00. It is now necessary to transfer funds from the Fund Reserves, totaling \$42,600, to cover the cost of this study. This study was to be funded with previous year's business license receipts, which, when unspent, were added to the Fund Reserves. A motion was made by Councilmember Bute, seconded by Councilmember Hrabko, to transfer the funds in the amount of \$42,600.00 to cover the cost of this study. A voice vote was taken with an affirmative result (Councilmember Clarke voted no) and the motion was declared passed.
