NEW BUSINESS – TDD Support for Chesterfield Hockey

Mayor Nation explained a request has been received from the hockey community consisting of the Staenberg Group and the Chesterfield Hockey Association, to extend the Chesterfield Valley Transportation Development District (TDD) by up to 15 years. He briefly explained the TDD is a separate political entity of the state that was voted on in 2005 and created in 2006. The purpose of the TDD is to pay for transportation related projects within the specified area, and is currently set to expire in 2031. There are four voting board members on the Valley TDD committee: Mayor Nation, City Administrator Mike Geissel and two representatives from St. Louis County. Mayor Nation went on to explain the purpose for this item being on the Council agenda was simply to share the information as a matter of transparency and get a sense of the level of support, or non-support, from Councilmembers. Chesterfield City Council does not vote on this issue, and the TDD is completely separate from the City of Chesterfield’s finances.

Mayor Nation explained that if the Board would vote in favor of extending the TDD, ballots would be sent to registered voters in the area. If approved, the current sunset would be extended by up to 15 years (approximately 2046) and the debt issued would be subordinate, which means the interest rate associated with that debt would be considerably higher than if there were no underlying debt. Councilmember Flachsbart clarified that the TDD would only cover qualified transportation related expenses, and those are defined very clearly by the state.

In order to get a sense of Council’s position on this issue, Mayor Nation asked each Councilmember for their opinion. Most Councilmembers were supportive of the TDD extension. Councilmembers Hurt and McGuinness stated they would like additional information, but were generally supportive of the extension. Councilmember DeCampi inquired about economic impact and a proposed business plan. He then stated that since detailed information was not available, he was not supportive of the TDD extension at this time.

Mayor Nation nominated Ms. Barb Whitman, 1942 Ridge Lake (Ward III), for re-appointment to the Board of Adjustment. Councilmember Hurt made a motion, seconded by Councilmember Tilman, to approve this re-appointment. A voice vote was taken with a unanimous affirmative result and the motion was declared passed. Ms. Whitman's new five-year term will expire August 1, 2021.
