

**Finance and Administration Committee of the Whole
Record of Proceeding
October 10, 2023**

The Finance & Administration Committee of the Whole met on October 10, 2023. Those in attendance included: Chairperson Michael Moore, Ward III; Council Committee Member Barbara McGuinness, Ward I; Council Committee Member Aaron Wahl, Ward II; Council Committee Member Gary Budoor, Ward IV; City Administrator Mike Geisel and Finance Director Jeannette Kelly. Those also in attendance included: Councilmember Merrell Hansen, Ward IV; Director of Public Works/City Engineer Jim Eckrich; Director of Planning Justin Wyse; Police Chief Ray Johnson; Captain Cheryl Funkhouser; Captain Dan Dunn; Assistant City Administrator Elliot Brown; and City Clerk Vickie McGownd. There were approximately 5 other attendees.

[Councilmember Dan Hurt, Ward III, arrived at 5:41 p.m.]

Mayor Bob Nation, Councilmember Mary Monachella, Ward I, and Councilmember Mary Ann Mastorakos, Ward II, were absent.

Chairperson Michael Moore called the meeting to order at 5:30 p.m.

Approval of Minutes

Chairperson Moore asked if there were any comments or changes to the October 3, 2023 F&A Committee of the Whole minutes. Hearing none, Councilmember Budoor made a motion, seconded by Councilmember McGuinness, to approve the October 3, 2023 F&A Committee of the Whole minutes. A voice vote was taken with a unanimous affirmative result (5-0) and the motion was declared passed.

Budget Presentation

City Administrator Mike Geisel and Director of Finance Jeannette Kelly presented the proposed 2024 Budget to the Committee of the Whole (presentation attached). Questions were asked and discussion ensued throughout the presentation.

Mr. Geisel indicated that this budget shows \$2.9 million net revenues over expenditures in the General and Park Funds, which are the only two funds intended to carry a fund

balance. The 40% reserve policy applies only to the General Fund. These projections include the Fraternal Order of Police (FOP) currently contracted compensation step increases for officers and sergeants; but does not yet include merit increases for non-FOP employees.

Mr. Geisel stated that this budget year has been very strong – it has been helped by American Rescue Plan Act (ARPA) funds, pre-paid debt and other benefits – however, the City continues to have long-term revenue concerns to consider, going forward.

Merit Pool

Mr. Geisel explained that according to the current policy, the pay plan adjusts annually. The June 2023 CPI was 2.4%. The annual CBIZ recommendation was for a 5% merit compensation pool and a 3.6% structural adjustment. A chart with estimates of the impact on personnel costs at various percent increases was provided to aid in the merit pool discussion.

The Committee of the Whole decided to take no action on the merit pool until the October 30 Budget Workshop.

Adjournment

The meeting was adjourned at 7:00 p.m.

Respectfully submitted:

Mike Geisel
City Administrator

Vickie McGownd
City Clerk

MERIT POOL DISCUSSION

Section 3. Determination of Annual Budget for Performance Based (Merit) Increases

The Finance and Administration Committee of Council will annually make a recommendation to the full City Council with regard to what amount to budget for performance-based compensation adjustments in the upcoming budget. Staff will provide information to the Finance and Administration Committee including but not limited to; CPI, Cost of Labor indexes, and City Revenues such that the Committee can provide the recommendation for the value of the merit pool budget.

Mr. Michael Geisel
City Administrator
City of Chesterfield

Dear Michael:

This letter documents our annual recommendations regarding salary structure updates and salary increase budgets. The below table outlines our recommendations. The remaining letter provides the rationale and data behind the updates as well as an exploration of broader trends to consider and keep in mind.

Recommendations	
Structure Update:	3.6%
Salary Increase Budget:	5.0%

Structure Update

Adjusting your salary structure annually will help ensure that your salary range minimums remain competitive to the market and that your salary range maximums remain appropriate. This is an annual best practice but is only a short-term fix as jobs move in the labor market independently from the overall labor market trend. Some jobs might be considered “hot jobs” and see pay escalate quickly while other jobs may stagnate in the labor market. For this reason, it’s important to reassess market-competitive pay every three to five years.

Our sources for structure update data include the U.S. Bureau of Labor Statistics *Employment Cost Index* (ECI), which measures wage growth over the prior 12-months. ECI is a valuable in understanding broad wage movement in the labor market, making it a good metric to consider when evaluating pay structure adjustments should be based. The relevant data in our recommendation comes from the reported wages and salaries data for civilian workers (i.e., all private and state and local government), which is 4.6% from the June 2023 report¹. We also consider the WorldatWork 2023-2024 Salary Budget Survey, which is a historically trusted survey source for structure update forecasts. The current survey reports an overall average of 2.6%.

Salary Increase Budget

Matching market trends for annual salary adjustments ensures that wages remain competitive to the market. Meritorious employees should be recognized with increases that advance their pay through the pay range, not simply match the market movement.

Data sources considered when determining our salary increase budget recommendation include the WorldatWork 2023-2024 Salary Budget Survey, which reported average planned overall increases of 4.1%. The Atlanta Fed Wage Growth Tracker², which tracks the median percent change in hourly wages of the same U.S. workers year-over-year, reported 5.4% in their report for job stayers. Job stayers is a category in the report that refers to the subset of workers who have remained in the same job over the observed year. By focusing on this

¹ Employment Cost Index Summary; June. [Employment Cost Index Summary \(bls.gov\)](#)

² Wage Growth Tracker, June. [Federal Reserve Bank of Atlanta](#)

group, the tracker provides a more stable and controlled measure of wage growth, as it eliminates the variability introduced by job changes, promotions, or transitions between industries.

Pay Equity and Transparency

In recent years we have seen a growing emphasis on pay equity, fair pay, pay transparency, and job architecture as interconnected elements aimed at fostering a more equitable and transparent work environment. Driven by regulatory changes, social justice movements, and heightened public awareness, pay equity ensures that employees are compensated fairly for equivalent work, irrespective of gender, race, or other characteristics. Pay transparency initiatives aim to remove the shroud of secrecy around compensation, encouraging honest dialogue and making inequities more visible. Job architecture provides the structural backbone for all these elements, creating a well-defined framework of roles and levels, which helps in making accurate, equitable pay decisions.

Organizations considering these forward-thinking compensation strategies need to proceed with a well-thought-out implementation plan. Transparency and equity are commendable goals but achieving them requires a nuanced understanding of both internal organizational dynamics and external market factors to create a successful implementation plan.

Proposed FLSA Overtime Changes

In August, the U.S. Department of Labor has released a Proposed Rule that could significantly impact the overtime stipulations under the Fair Labor Standards Act. The most impactful change in the proposal is an increase in the minimum salary threshold for overtime eligibility. The new proposal aims to raise the minimum threshold to \$55,068—a substantial 54% increase. While the Final Rule may not be published for approximately another year, and will include a timeline for its effective date, it’s advisable to start considering the potential effects on your workforce and compensation strategy in advance.

I trust you will find this information helpful. Feel free to call or schedule a time for us to meet to discuss any questions about the data, recommendation, or trends mentioned in the letter.

Sincerely,

Joe Rice
