He thanked the DeFer's for hosting the Christmas party.

MISSION STATEMENT – Gene Schenberg presented the revised Mission Statement to the city committee. It was approved.

SACHS/BENTENDORF HOUSE – Jane reported that city reps toured the house. Their findings are unknown at this time. Jane, Joan and Alice are planning to meet with the mayor to show him a list of the Commission's possessions and to explain the need for a place to store and display them. Gene asked CHC to gather information from other cities which own historical houses to learn how they finance and use the houses.

LANDMARKS COMMISSION plans to begin the process to get the Sachs house on the Historic Registry.

The meeting adjourned at 8:40 p.m. The next meeting will be on January 15, 2009.
