Dan Olson, Planning Technician, presented the request and the Department's recommendation of approval with conditions stated in report.

A motion to approve the Department's recommendation was made by Commissioner Domahidy, and was seconded by Commissioner Kirchoff.

COMMENTS/DISCUSSION BY COMMISSION

- The previously approved landscaping on the existing site was not implemented; therefore, a site plan of the entire site (old and new) will be submitted to the Commission for review.

Commissioner Dalton made a motion to amend the original motion to change Condition 6 (Lighting Requirements), Attachment A, to read: "Light Standards shall not exceed the maximum height of current light standards on the site."

The motion failed for lack of a second.

- In order for the petitioner to open the lot they have to come back to the Commission with a site plan for the whole tract. At that point, the Department will recommend to the petitioner that they show, at the very least, the landscaping that was approved with the original dealership. If the landscaping is approved, and it exceeds \$1,000.00, posting of a Bond will be required.
- The petitioner will be required to improve the connection from the parking area onto Caprice Drive.

Upon a roll call, the vote on the original motion was as follows: Commissioner Brown, yes; Commissioner Cannon, yes; Commissioner Dalton, yes; Commissioner Domahidy, yes; Commissioner Golub, yes; Commissioner Kirchoff, yes; Commissioner O'Brien, yes; Commissioner Scruggs, yes; Chairman McGuinness, yes. The motion passed by a vote of 9 to 0.

- B. P.Z. 2 and 3-91 F. J. Miceli Company; a request for a change of zoning from "NU" Non-Urban District to "R-3" 10,000 square foot Residence District and a Planned Environment Unit Procedure in the "R-3" 10,000 square foot Residence District; west side of Sycamore Drive, north of Kehrs Mill Road.

Planning Specialist Anna Kleiner presented the request and the Department's recommendation of approval as stated in the report, except that the report be revised to indicate a maximum of twenty-three (23) lots, in lieu of the twenty-four (24) lots indicated in Attachment A, "Permitted Uses."

A motion to approve the Department's recommendation was made by Commissioner O'Brien, and was seconded by Commissioner Cannon.
