Project Planner Michael Hurlbert gave an overview of **P.Z. 34-2003 16713 Wild Horse Creek Road (Richard M. Demko)**. Mr. Hurlbert stated that the permitted use for this building is ‘medical use’ and a public hearing would need to be held to amend the ordinance to allow other uses.

Commissioner Macaluso stated that the subject house is located near an elementary school, detention pond, the Jewish Community Center, day care center, and commercial being built at the corner of Baxter Road and Wild Horse Creek Road. Commissioner Macaluso stated that this petition meets the guidelines of the Commercial Service Procedure (CSP) and it is not the role of the Commission to decide if this should be residential or a CSP.

Commissioner Perantoni stated that she is an activist to save buildings and she likes a variety of buildings and that this CSP use may be the best way to guarantee that this building will be saved.

Commissioner Macaluso stated that Attachment A does require the petitioner to rezone this site residential.

Upon a roll call the vote was as follows: Commissioner Broemmer, no; Commissioner Hirsch, no; Commissioner Layton, no; Commissioner Macaluso, yes; Commissioner O'Connor, no; Commissioner Perantoni, yes; Commissioner Wardlaw, no; Commissioner Banks, yes; Chairman Sherman, yes.

Mr. Agliata stated that it is better to have mall parking lots the current way so that the pedestrian walks down the aisle towards the entryway.

Mr. Ray stated that directional signs would be placed around the parking lot.

Commissioner Macaluso expressed concern with traffic backing up on Clarkson Road. Mr. Ray stated that, if necessary, there could be a dedicated left turn lane added to the through lane into the shopping center.

Mr. Ray stated that the old movie theatre in the back will be torn down and grass planted.
