- C. **P.Z. 23-97 City of Chesterfield Planning Commission**; a proposal to establish a requirement for disclosure information relative to future land use and local noise impact.

Assistant Director Laura Griggs-McElhanon passed out to the Commission the new revised ordinance from City Attorney Doug Beach.

Mr. Beach noted there are two (2) sets of the redraft of the Tree Ordinance taking in the changes sent by Councilmember Mary Brown and adding some from the comments from Public Works that he felt were not changing the document, but clarifying. The first copy has underlining and bold print. The bold print is the new material and the underlining is the material to be removed. The second is a clean copy of the changes.

Mr. Skip Kincaid, consultant for the Tree Panel, noted there are two (2) parts; 1) the ordinance; and 2) the manual which has several guidelines about how a tree preservation plan should be prepared, types of submittals required, etc. The ordinance makes reference to the manual, and the manual is to be used by the Planning Department as a tool to carry out the ordinance. There should be some formal adoption of the procedures.

City Attorney Beach stated the City Council needs to accept the Tree Manual as an ordinance, and it may be amended from time to time. The update of the Tree Manual would be the responsibility of the City Council.

Mr. Kincaid summarized the Panel's recommendations.

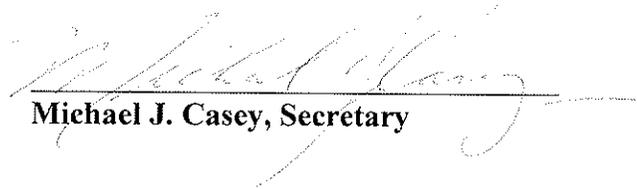

The Commission discussed the recommendations of the Panel, Department of Public Works, and Department of Planning.

Commissioner Layton made a motion to hold P.Z. 23-97, subject to Staff's reconciling the three (3) versions presented tonight and Mr. Kincaid's recommendations. The motion was seconded by Commissioner Broemmer and **passes by a voice vote of 6 to 0.**

City Attorney Beach noted the Staff will take what has been prepared by the Panel, submitted by the Department of Public Works, mesh together, and present to the Commission for consideration.

A motion to adjourn was made by Commissioner Eifler, seconded by Commissioner Broemmer and passes by a voice vote of 6 to 0.

The meeting adjourned at 9:30 p.m.
