1. Mr. Mike Doster, 16476 Chesterfield Airport Road, Chesterfield, MO 63017, attorney for petitioner for P.Z. 35-2000 McBride and Sons, stated the following:
 - Original C-8 ordinance was passed by St. Louis County in 1985 and the permitted uses under that ordinance included offices, financial institutions, restaurants, hotel and accessory uses;

- Original density approved under this ordinance was a total gross square footage of 270,000. It allowed for one 9-story and one 7-story building and additional buildings with various heights;
- Lot 1 was the McBride & Son office building which was completed in 1987, with approximately 32,000 square feet, on approximately 2.3 acres;
- Lot 2 consisted of approximately 3.4 acres; Lot 3 consisted of a hotel and 1.7 acres and Lot 4 showed a restaurant use on approximately 1.9 acres;
- The access under this ordinance was limited to two entrances from Chesterfield Airport Road;
- Office building is approved for Lot 3 up to 7 stories and 110,200 sq. ft.;
- Site is not owned by McBride but a party affiliated with them;
- This new proposal would reconfigure Lot 4A in order to accommodate a restaurant development on Lot 4 (Cheddars) and Lot 5 (IHOP). The only change in this proposal is the addition of approximately 5,000 sq. ft. of restaurant space. Restaurant use is already permitted on this lot;
- Due to the reconfiguration of Lot 4, petitioner is rezoning to Planned Commercial (PC);
- Proposed development is in accordance with the Valley Master Plan;
- Access to Lot 5 would be via a drive at the rear of Lot 4A extending over to Lot 5; Lots 4A and 5A would access McBride and Son Corporate Drive via the drive at the rear of Lot 4A and extending to Lot 5A;
- Lot 4A consists of 1.540 acres and would be developed with 8,500 sq. ft. for the Cheddars restaurant and Lot 5A consists of 5,000 sq. ft for IHOP;
- McBride stated that through contractual provisions, they will have right of approval over the appearance of the buildings;
- The owners of the restaurants have been informed of the materials and look that is being required in the Valley and will adhere to that.

Mr. Doster stated that access for Lots 4A and 5A to McBride and Son Corporate Center Drive is along the back through the two (2) parking lots. The intent is to create the appropriate cross access easement. McBride and Son Corporate Center Drive accesses Chesterfield Airport Road.

Mr. Doster stated that the issue that THF Realty has relates to the joint access. In the original ordinance, two (2) accesses were permitted. One was constructed, the other was not. Mr. Doster stated that it was his understanding that when an amended site development plan was submitted for Wehrenberg Theatre, the Department of Public Works may require an access for the theatre use. McBride & Son did not have a problem with that but they did have a problem with connecting Wehrenberg with McBride & Son's parking lot. THF Realty feels that the drive should align.

Vice Chair Banks stated that since the access will be complicated, he wants it on the issues list.

Commissioner Layton asked Staff to research what left and right turns are allowed on existing streets and also those proposed along Chesterfield Airport Road.

SPEAKERS IN FAVOR:

1. Mr. Todd Scheibe, 10849 Indian Head Industrial Blvd., St. Louis, MO 63132, engineer for **P.Z. 35-2000 McBride and Sons**;

SPEAKERS IN OPPOSITION:

3. Mr. Dean Burns, THF Realty, speaking in opposition to **P.Z. 35-2000 McBride and Sons**;

- Speaker presented a letter to the Commission stating his concerns;
- Speaker stated that he is not opposed to the proposed uses;
- Speaker stated that he is concerned about the traffic flow;
- Speaker is requesting that McBride Corporate Center Drive be limited to right in/right out and provide cross access through the Wehrenberg property as proposed by St. Louis County.

Mr. Hurlbert recommends that this be reworded to stated, "Access off Caprice shall be aligned with or a minimum of 100 feet from existing or proposed streets and entrances on the other side or as directed by the City of Chesterfield Department of Public Works."
