Ms. McCarthy replied that she will cooperate fully with any required language change regarding the garage doors. She does intend to use the garage doors and hopes they will look nice enough for the community.

## VIII. OLD BUSINESS

- A. **P.Z. 20-2004 McCarthy L.L.C. (Farmers Valley Market):** A request for a change of zoning from an “NU” Non-Urban District to a “PC” Planned Commercial District for a .45 acre tract of land located east of Long Road and south of Chesterfield Airport Road (Locator Number: 17V 14 0043).

Project Planner Michael Hurlbert referred to the following issues that were brought forth from the previous meeting:

- Scaling down the permitted uses. The Attachment A has been written without the uses that were questioned, with the exception of dry cleaning facilities.
- Elimination of additional uses. Uses were asked to be scaled down by the Airport – those uses have been excluded, including auditoriums, child care centers and schools for business, professional or technical training.
- Use of garage doors. The Attachment A has been written to read: “*Specifically attention is to be paid to the use of garage doors on the pavilion structure.*” This is part of the “Architectural Elevations” section.
- Traffic flow – An exhibit is attached to the Staff Report detailing the traffic flow and indicating the location of directional signage.

Commissioner Sandifer made a motion **to approve P.Z. 20-2004 McCarthy L.L.C. (Farmers Valley Market)** as presented. The motion was seconded by Commissioner Broemmer.

Commissioner O’Connor requested that the motion be amended to eliminate “dry cleaning drop-off and pick-up stations” as a permitted use. Commissioner O’Connor noted that the petitioner had agreed to eliminate this permitted use during the Planning Commission meeting of October 25, 2004.

Both Commissioner Sandifer and Commissioner Broemmer agreed to accept this amendment to the motion.

Commissioner O'Connor referred to Section K, Architectural Elevations, on page 9 of the Attachment A. She requested that the original motion be further amended to change the last sentence of Section K as follows:

*Specifically attention is to be paid to the ~~use style of garage~~ doors on the pavilion structure.*

Both Commissioner Sandifer and Commissioner Broemmer agreed to accept this second amendment to the motion.

Commissioner Hirsch expressed concern about putting the specific architectural elements in the ordinance. He then made a motion to strike the entire sentence from Section K as follows:

~~*“Specifically attention is to be paid to the use of garage doors on the pavilion structure.”*~~

The motion was seconded by Commissioner Perantoni.

General discussion then followed about the procedure for Planning Commission input into Architectural Elevations.

A vote was then taken on the motion to strike the last sentence of Section K from the Attachment A. **The motion passed by a voice vote of 7 to 1.** (Chairman Sherman voted no.)

A vote was then taken on the original motion to approve **P.Z. 20-2004 McCarthy L.L.C. (Farmers Valley Market)** with the condition that “dry cleaning drop-off and pick-up stations” be eliminated as a permitted use.

**Upon roll call, the vote was as follows:**

**Aye:** Commissioner Perantoni, Commissioner Sandifer,
