II. INVOCATION: Commissioner Sherman

III. PLEDGE OF ALLEGIANCE: All

Chairman Broemmer recognized the attendance of Councilmember Mike Casey (Ward III), Councilmember Dan Hurt (Ward III) and Council Liaison John Nations (Ward II).

IV. PUBLIC HEARINGS:

Commissioner Kodner read the first portion of the "Opening Comments."

- A. **P.Z. 44-2000 Stoneridge Development**; a request for a change of zoning from an "NU" Non-Urban District to an "R-6" 2,000 square-foot Residence District for 9.2 acres of land located on the south side of South Outer Forty Road, northeast of Yarmouth Point Drive and Candish Lane. (Locator Numbers 19R-61-0026 and 19R-61-0312).
Proposed use: Multiple-family homes.

Project Planner John Wagner gave a slide presentation of the subject site and surrounding area.

1. Mr. Mike Doster, 16476 Chesterfield Airport Road, Chesterfield, MO 63017, attorney for **P.Z. 44-2000 Stoneridge Development**;

- Speaker showed aerial slides of the subject site;
- Rezoning from “NU” to ‘R-6’ Multi-Family;
- Proposed number of units is 166; 10 buildings, some with 2-story townhouses on each end; maximum stories is 3;
- Total site is 9.25 acres;
- Is in accord with the Chesterfield Comprehensive Plan;
- Originally was subject of 1999 rezoning request for office use (Tri-Star). Tri-Star has teamed up with Mills to rezone to R-6;
- Speaker stated that petitioner feels that issues of the City and residents have been addressed since the request for rezoning for office use.

2. Mr. George Stock, Stock and Associates, 425 N. New Ballas Road, Ste. 165, St. Louis, MO, engineer for **P.Z. 44-2000 Stoneridge Development**;

- Speaker stated that Highway 40 is to the north, an office building is to the east and the Chesterfield Hill Subdivision is to the west;
- Access would be via a commercial entrance located on the South Outer 40 Road in the approximate location of the driveway that serves the house on top of the hill;
- The street runs parallel to the common ground of the Chesterfield Hill Subdivision. The street ends and there are seven (7) homes that back to the property immediately adjacent to the western property line;
- The road continues through the site, continuing in an easterly direction before becoming a loop drive for emergency vehicles;
- The site would have a clubhouse building and pool;
- The site slopes from west to east. The elevation of the Outer Road is approximately 520 feet. The high point of the site is along the western property line adjacent to the common ground that is 584 feet and along the creek the elevation is approximately 500 feet. There are 84 feet of relief through the site as it goes from west to east and 64 feet as it goes from the center of the site to the north and Outer Forty;
- The objective is to excavate materials within the site adjacent to the western property line and lower the elevation of the site in order to stair step the buildings so that the majority of the buildings from north to south are going to sit below the adjacent residential properties;
- Sanitary sewer is located along the south with a 10-inch PCP pipe;
- All storm water will flow from west to east;
- There would be a walking trail integrated into the subdivision.

3. Mr. Bruce Mills, 15480 Elk Ridge Lane, Ste. 200, Chesterfield, MO 63017, petitioner for **P.Z. 44-2000 Stoneridge Development**;

- Largest apartment management company in St, Louis;
- Owns Schoettler Village;
- Proposed development would be called 'Boulder Springs;'
- Petitioner has over 1,000 tons of boulders to use on this site;
- Units would have the following: 9-foot ceilings, vaulted ceilings, fireplaces, private garages, carports, customized alarm systems, putting green, valet dry cleaning, 24-hour fitness center, fully-equipped 24-hour business center with computers and fax machines, extensive landscaping, and crown molding in the living room, dining room and kitchen;
- Rents would range from \$900 to \$1,800 per month;
- Units would be approximately 1,200 square feet;
- Market is for retirees and executives who rent by choice.

8. Mr. & Mrs. Ron Brow, 1526 Candish Lane, Chesterfield, MO 63017, speaking in opposition to P.Z. 44-2000 Stoneridge Development;

- Speakers stated that the proposed development is too dense;
- Speakers stated that the proposed development is too tall and too close to existing property lines;
- Speakers stated that leveling the property would create a drop-off;
- Speakers expressed concern with the loss of trees;
- Speakers asked the Planning Commission to deny this rezoning.

9. Mr. Howard Zinschlag, 1542 Candish Lane, Chesterfield, MO 63017, speaking in opposition to P.Z. 44-2000 Stoneridge Development;

- Speaker expressed concern with lack of privacy and possible security problems;
- Speaker expressed concern with flooding and erosion;
- Speaker stated that the setbacks do not allow for buffering.

10. Ms. Catherine De Waelsche, 1538 Candish Lane, Chesterfield, MO 63017, speaking in opposition to P.Z. 44-2000 Stoneridge Development;

- Speaker stated that there needs to be a larger buffer between the existing homes and the proposed development;
- Speaker stated that the proposed development is not compatible with the zoning;
- Speaker asked the Planning Commission to deny this rezoning.

11. Mr. Rick Neeter, 1524 Candish Lane, Chesterfield, MO 63017, speaking in opposition to P.Z. 44-2000 Stoneridge Development;

- Speaker asked the Planning Commission to remain consistent and protect the integrity and property values of the residents of Chesterfield Hill Subdivision.

SPEAKERS – NEUTRAL

REBUTTAL –

Mr. Doster stated that a traffic study is complete for this site and that the impact of this proposed development is very minimal.

Mr. Doster stated that a wrought iron fence would solve the security concerns.

Mr. Doster stated that there is the possibility of additional plantings to the yards of the neighboring residents.

Mr. Doster stated that new plans would be submitted showing the section lines.

Mr. Stock stated that the green space ratio is 53% on the proposed site. Mr. Stock stated that the proposed development would meet the requirements for the tree ordinance.

Mr. Wagner stated that the following issues would be addressed:

1. Comprehensive Plan Conformance;
2. Traffic and Safety;
3. Density and Transitional Zoning;
4. Buffer;
5. Flooding and Erosion;
6. Building Heights;
7. Review at the year 2005 with the Chesterfield Transportation Study;
8. Revised plan with the section lines to be submitted;
9. Review of the setbacks from one zoning to another;
10. Review of shifting the driveway from the west to the east so there would not be two (2) curb cuts so close together;
11. Review of pedestrian walkways with the lakes.

Chairman Broemmer called a recess at 8:15 p.m. and reconvened the meeting at 8:22 p.m.

Commissioner Kodner read the middle portion of the Opening Comments.

- Speaker expressed appreciation to Sachs Properties for meeting with the residents of the Brandywine Condominiums and making compromises;
 - Speaker stated that the residents of Brandywine would like the building lowered to four (4) stories.
5. Mr. Steve Koslovsky, 168 North Meramec, Clayton, MO 63105, attorney, speaking in favor of **P.Z. 19-1999 Chesterfield Village**;
- Speaker stated the height of the proposed development is consistent with other 6-story buildings already in existence on the corner of this intersection;
 - Speaker asked the Planning Commission to vote on this petition this evening.
6. Mr. Carl Lueker, 10849 Indian Head Industrial Blvd., St. Louis, MO 63132, engineer, speaking in favor of **P.Z. 19-1999 Chesterfield Village**;
- Speaker stated that the height of the buildings has been reduced and the setback for the garage remains 80 feet from the Parkway;
 - Speaker stated that off-site detention is not included in the green space calculation.
7. Mr. Jim Jacobi, Sachs Properties, 400 Chesterfield Center, Chesterfield, MO 63017, speaking in favor of **P.Z. 19-1999 Chesterfield Village**;
- Speaker stated that proposed buildings had the following elevations:
 Building A – 3-story- 700 feet above mean sea level;
 Building B – 4-story – 722 feet above mean sea level;
 Building C – 6-story – 1st floor is more than 20 feet below the first floor – 725 feet above mean sea level;
 Comparing with:
 Roosevelt Bank Building – 744 feet above sea level;
 SSM Building – 750 feet above sea level.
8. Ms. Kathy Higgins, Sachs Properties, 400 Chesterfield Center, Chesterfield, MO 63017, speaking in favor of **P.Z. 19-1999 Chesterfield Village**;
- Speaker stated that the 3.3/1000 parking ratio is adequate. If a different ratio were used, another floor would need to be added to the parking garage;
 - Speaker asked the Planning Commission to allow the parking ratio to remain at 3.3/1000.
9. Mr. Robert Vukich, 101 Bellevue Road, Pittsburgh, PA 15229, landscape architect for **P.Z. 19-1999 Chesterfield Village**;

VIII. OLD BUSINESS

- A. **P.Z 19-1999 Chesterfield Village**: a request for a change of zoning from "NU" Non-Urban District to "PC" Planned Commercial District for three parcels located on Chesterfield Parkway East, 325 feet East of Elbridge Payne Road and South of Clarkson Road. Total area to be rezoned: 9.096 acres.

Proposed Uses:

1. Offices or office buildings;
2. Cafeterias for employees and guests only.
3. Parking areas, including garages, for automobiles, but not including any sales of automobiles, or the storage of wrecked or otherwise damaged and immobilized automotive vehicles for a period in excess of seventy-two (72) hours;

Project Planner Matt Brandmeyer gave an overview of P.Z. 19-1999 Chesterfield Village.
Mr. Brandmeyer stated the following:

1. That the petitioner has made revisions that include: Reduction of stories, reduction of square footage, reduction of parking per square footage, reduction of floor area ratio and the increase of green space percentage, and increase of the setback on the Parkway.
2. The building height has been restricted to what was on the Preliminary Plan:
Building A – 45 feet,
Building B – 60 feet,
Building C – 90 feet,
Sea level elevation restricted to 730 feet.
3. The green space calculation is 41% with the inclusion of the right-of-way space.
4. The parking ratio is 3.33/1,000 square footage for each building. The Performance Standards require 4/1000 square feet. Mr. Brandmeyer stated that this petition was submitted before the change in the Performance Standards thus this petition is not required to adhere to the new standards.
5. The parking garage will be designed with consistent architectural materials.
6. Staff has restricted illumination on the site. Page 11 of Attachment A states that lights on the parking structure must be turned off by 9:00 p.m., seven (7) days a week.

Commissioner Right made a motion to approve P.Z. 19-1999 Chesterfield Village per Attachment A. The motion was seconded by Commissioner Kodner.

Commissioner Banks made an amendment to the motion that the insurance coverage letter with regards to construction damage be included in Attachment A.

The petitioner stated that the insurance letter could be put in Attachment A.

Commissioner Right and Commissioner Kodner accepted the amendment to their motion.

Commissioner Macaluso made an amendment to the motion to change Attachment A to match the Performance Standards with regards to the maximum building height of 70 feet and the green space ratio of 45%. Commissioner Sherman seconded the amendment to the motion.

Commissioner Macaluso stated that P.Z. 19-1999 Chesterfield Village is below the new performance standards in three (3) areas.

Commissioner Banks stated that his concern is that if the petitioner is required to adhere to the Performance Standards than the building height would probably be raised or the footprint might be enlarged.

Commissioner Sherman stated that to her it is more of an aesthetic issue in keeping a compatible look with the buildings.

Commissioner Right stated that the petitioner has been very rational and reasonable and that he does not see anything wrong with a 6-story building as there is 1,000 feet or 1/5 of a mile between the proposed development and the Brandywine Condominiums.

Chairman Broemmer called for a vote on the amendment to the motion, which is:
Commissioner Macaluso made an amendment to the motion to change Attachment A to match the Performance Standards with regards to the maximum building height of 70 feet and the green space ratio of 45%. Commissioner Sherman seconded the amendment to the motion.

Upon a roll call, the vote was as follows: Commissioner Banks, no; Commissioner Kodner, no; Commissioner Macaluso, yes; Commissioner Right, no; Commissioner Sherman, yes; Chairman Broemmer, *no*.

The amendment to the motion fails by a vote of 2 to 4.

City Attorney Doug Beach clarified that the Site Development Plan uses the ratio of 3.3/1000 for parking and the recommendation of Staff is 4/1000 which would add a floor to the parking garage. Mr. Beach stated that the motion would need to be amended so that Attachment A would reflect 3.3/100 instead of 4/1000.

The amendment to the motion was accepted by Commissioner Right and Commissioner Kodner.

Chairman Broemmer called for a vote on the amended motion which is: Commissioner Right made a motion to approve **P.Z. 19-1999 Chesterfield Village**, amending Attachment A with the 3.3/1000 parking ratio and that the insurance coverage letter with regards to construction damage be included in Attachment A. The amended motion was seconded by Commissioner Kodner.

Upon a roll call, the vote was as follows: Commissioner Kodner, yes; Commissioner Macaluso, no; Commissioner Right, yes; Commissioner Sherman, no; Commissioner Banks, yes; Chairman Broemmer, yes.

The amended motion passes by a vote of 4 to 2.

City Attorney Beach stated that five (5) votes are needed for passage, therefore **P.Z. 19-1999 Chesterfield Village** fails.

Commissioner Right made a motion for reconsideration of P.Z. 19-1999 Chesterfield Village at the January 8, 2001 Planning Commission Meeting when more commissioners would be present. The motion was seconded by Commissioner Kodner and passes by a voice vote of 6 to 0.

B. P.Z. 12-2000 Kramer Assets Group, L.L.C. and Kramer Properties, L.L.C.; A request for a change in zoning from "M-3" Planned Industrial District to "PI" Planned Industrial District for a 19.8 acre tract of land located south of Interstate 40, north of Chesterfield Airport Road, west of Long Road and east of Goddard.

Project Planner Matt Brandmeyer gave an overview of **P.Z. 38-2000 Waller-Hoch Corp. Park**. Mr. Brandmeyer stated that the issues being addressed are: The proposed uses and the conformance with the Chesterfield Valley Master Plan, the access and cross access with Kramer and Terra, architectural standards and consistency, and comparison of green space with adjacent developments.

It was the consensus of the Planning Commission not to have cross access at the east end but would accept it at the south end.

Chairman Broemmer stated that **P.Z. 38-2000 Waller-Hoch Corp. Park** would be held until all agency comments and issues are addressed.

D. Subdivision Regulation Variance – Swingley Ridge Office Building

Chairman Broemmer stated that the petitioner for **Subdivision Regulation Variance – Swingley Ridge Office Building** requests that this petition be held.

Commissioner Sherman made a motion to hold **Subdivision Regulation Variance – Swingley Ridge Office Building**. The motion was seconded by Commissioner Macaluso and passes by a voice vote of 6 to 0.

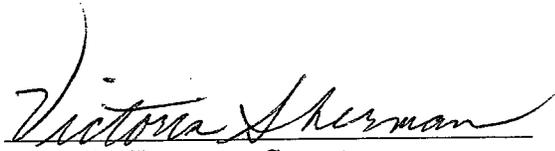

X. COMMITTEE REPORTS:

- A. Committee of the Whole –**
- B. Ordinance Review Committee –**
- C. Architectural Review Committee –**
- D. Site Plan/Landscape Committee –**

Committee Chairman Right stated that the Committee has decided to combine the Commercial, Industrial and Valley Guidelines into one (1) document, 20% rule of genus for tree mixture, add provisions for ground cover, improve the tree list and have diagrams of the trees, list of shrubs, and add guidelines for planting and maintenance.
