PLANNING AND ZONING COMMITTEE MEETING
FEBRUARY 9, 1994

A meeting of the Planning and Zoning Committee of the Chesterfield City Council was held on Wednesday, February 9, 1994, at 5:57 p.m., in the City Council Room. In attendance were Chair Susan Clarke (Ward II); Councilmember Nancy Greenwood (Ward I); Councilmember Dan Hurt (Ward III); and Councilmember Dick Hrabko (Ward IV). Also in attendance were Mayor Jack Leonard; Councilmember Ed Levinson (Ward II); Barbara McGuinness, Planning Commission Chairman; Bill Kirchoff, Planning Commission Vice-Chairman; Jerry Duepner, Director of Planning; and Laura Griggs-McElhanon, Senior Planner.

ITEM I. **P.Z. 2-92 West County Soccer Club**; a request for amendment of "M-3" Planned Industrial District Ordinance; west side of Cepi Drive, south of Chesterfield Airport Road.

Director Duepner summarized the report and recommendation of the Planning Commission.

A motion was made by Councilmember Hrabko to approve the recommendation of the Planning Commission, with the amendment to permit an outdoor, lighted skating rink. The motion was seconded by Councilmember Hurt.

Director Duepner noted that it appears inclusion of the outdoor skating rink would be in keeping with the current ordinance which permits outdoor volleyball courts. He also pointed out that, within an "M" Industrial District, outdoor tennis courts are a permitted use. He requested the amendment to allow an outdoor skating rink be reviewed by the City Attorney **prior** to action by the City Council.

Councilmember Hurt inquired about the use of the term "gymnasium" and the permitted uses.

Dr. Richard Demko responded, noting that the intent is to build an indoor hockey rink meeting setback requirements and parking requirements. He had been advised that the use would be permitted under the term "gymnasium."

Director Duepner noted the definition of gymnasium, per the Zoning Ordinance, encompasses buildings for athletic events.

The motion passed by a vote of 4 to 0.

Note: **A bill relative to this matter will be needed for the February 22, 1994 City Council Meeting.**

ITEM II. Consideration of Consultant for revision of City Zoning and Subdivision Regulations.

Director Duepner summarized the memorandum concerning consultant interviews. He noted that the figure indicated on the summary as the mean, was actually the average score.

There was discussion by members of the Planning and Zoning Committee, as well as those participants in the interview process of their choice for a consultant.

Councilmember Hrabko indicated his first choice would be Lane Kendig, and his second choice Camiros.

Planning Commission Chairman McGuinness stated her choice would be Lane Kendig for the computer program, Camiros as staff, and Harland Bartholomew price.

There was discussion relative to the computer program which Mr. Kendig had presented, and its utility to the City. It was pointed out by members that, if the program were to be selected, it should be made certain that it included appropriate updates.

Councilmember Hurt indicated that, in his opinion, the lack of an attorney on the Harland Bartholomew team was the difference in price. He indicated that he preferred Lane Kendig, but had some concerns relative to their flexibility.

Planning Commission Vice-Chairman Bill Kirchoff indicated his preference would be Lane Kendig, particularly noting the personal involvement of the principal. He indicated no strong opinion relative to acquiring the computer program.

Councilmember Nancy Greenwood indicated her preference was Harland Bartholomew and Associates. She noted their depth of understanding of the area, but was concerned relative to the lack of an attorney on the team. Councilmember Ed Levinson indicated his first preference was Camiros, Lane Kendig second, and then Harland Bartholomew. He indicated some reservations relative to the Kendig approach.

Mayor Jack Leonard indicated preference for Harland Bartholomew and Associates.

Chairman Susan Clarke stated a preference for Lane Kendig.

Upon a vote, the choice was for Lane Kendig by 7 to 0.

Director Duepner was instructed to set up a meeting with Mr. Kendig at the next Planning and Zoning Committee meeting on February 23rd, to discuss work program, cost, and the flexibility of their program.

ITEM III. Memorandum from the Director of Planning concerning Metropolitan St. Louis Sewer District Rules and Regulations.

Director Duepner summarized the memorandum in the Committee packet, as well as a handout from Public Works Director/City Engineer Bill Hawn. He noted at this time the City has not had any formal discussions with MSD, but that direction was sought from the Committee so that discussions could be commenced.

Mr. Sid Koltun of the Home Builders Association noted that one issue which would need to be addressed is the inequity in unit prices between those utilized by the City and those by MSD.

A motion was made by Councilmember Greenwood and seconded by Councilmember Clarke to direct the Departments to begin discussions to establish a process with MSD for Council review. **The motion was approved by a vote of 4 to 0.**
