## CANDIDATE FILING FOR MUNICIPAL OFFICIALS BEGINS DECEMBER 18

On Tuesday, December 18 at 8 a.m., candidate filing for the office of Councilmember in each of the four wards will begin in the Office of the City Clerk, 690 Chesterfield Parkway West. After December 18, hours for filing during the candidate filing period will be 8:30 a.m. to 5 p.m., Monday through Friday. Candidate filing will close Tuesday, January 22, 2008 at 5 p.m. The election will be held April 8, 2008.

### QUALIFICATIONS

To run for a seat on the City Council, candidates must be at least 21 years of age prior to taking office, a citizen of the United States, a resident of the City for one year prior to the election and a resident of the ward for which they are running for six months prior to the election. Declaration of Candidacy forms are available online at [www.chesterfield.mo.us](http://www.chesterfield.mo.us). For additional information, please call the City Clerk at (636) 537-6716. (See expiring terms in left column.)

## CHESTERFIELD "CITIZEN OF THE YEAR" - CALL FOR NOMINATIONS

Mayor John Nations and the Chesterfield City Council are officially requesting nominations for the Chesterfield "Citizen of the Year" Award.

Many residents contribute to the community in a significant manner each day without reward or recognition. This is an opportunity to nominate someone who has brought honor upon him or herself and the community as the result of an outstanding accomplishment or simply by being actively involved and helpful within the community.

### SELECTION CRITERIA

Citizens to be selected for recognition should meet the following criteria:

- Actions being recognized should benefit the City of Chesterfield or its residents in some manner, such as an act of bravery, outstanding

volunteer time, performing admirably on a particular project, etc.

- Individuals selected should be a resident of Chesterfield. If not, the accomplishment should take place in the City.

### NOMINATION GUIDELINES

- One nomination per person per household.
- Previously nominated individuals can be re-nominated.
- A nominee cannot serve on the Selection Committee.

Application forms and can be obtained on the City's website at [www.chesterfield.mo.us](http://www.chesterfield.mo.us) under the "Forms & Permits" section. Applications are due by February 8, 2008.

[WWW.CHESTERFIELD.MO.US](http://WWW.CHESTERFIELD.MO.US)

## MAYORS LETTER

As we move to the end of 2007 and look with anticipation to 2008, I write to report to you on some of the key areas of our progress over the past year.

I am delighted to report to you that 2007 has been a very good year. In every area of our operation we have expanded the quality and responsiveness of our services while simultaneously putting the City in the strongest financial position it has held in its history.

### PUBLIC WORKS

2007 was another very busy year for us and a challenging one with the January ice storm resulting in severe tree damage and power outages throughout the City. Due to the excellent planning of our Public Works management and staff, we had equipment available to us that other communities did not, and we worked around the clock to meet your needs in removing the debris. In total, we utilized 11,370 man-hours and hauled over 900 truck loads of wood chips to handle the storm cleanup. We also worked with Ameren in getting the power back on for you and helped to develop a plan, in coordination with their "Power On" initiative, to target areas of Chesterfield that have the highest number of outages and are addressing those problem areas.

In addition to spending \$1.5 million on repairs of streets in Chesterfield and replacing 1850 slabs of sidewalk this year, the Public Works area had several other large projects to enhance our quality of life. These included the addition of the 3.8-mile Levee Trail from the Summit Ice Complex to the Chesterfield Valley Athletic Center, which will become part of a larger system of trails, connecting not only our neighborhoods, but also linking our trails with those within the Cities of Maryland Heights, Hazelwood, Florissant, and St. Louis, via the "Great Rivers Greenway." We also worked with Sachs Properties to create lakes within the new Downtown Chesterfield development.

To ensure that we have a fully-functioning fleet of vehicles and equipment that allows our Public Works crews to maintain our 163 miles of streets and our Police personnel the ability to patrol over 700,000 miles annually, our vehicle maintenance crew performed over 350 preventative maintenance jobs on city-owned vehicles and repaired or changed 160 tires!

### POLICE PROTECTION

Our Police force responded to over 56,000 calls for Police service, recovered and returned victim property amounting to nearly \$306,000 and issued over 10,000 citations. The department also implemented a new Minority Cadet Recruitment Program, to ensure a more diverse workforce and to create better opportunities for minorities in Chesterfield. In our local school systems, officers worked with 780 students in the DARE (Drug Abuse Resistance Education) program and educated 202 preschoolers in our Safety Town program. I'm proud to report that our Police Department is widely recognized as one of the finest municipal police departments in the country and remains one of the few local Police agencies to be fully-accredited by the Commission for Accreditation of Law Enforcement Agencies.

### PARKS & RECREATION

2007 brought several new amenities to the Chesterfield Family Aquatic Center, including a Lazy River, new slides and a new

children's play area, which led to a 45% increase in annual attendance and a 55% increase in daily sales. The Chesterfield Valley Athletic Complex (CVAC) had over 14,500 hours of use with football, soccer and baseball activities, including several camps, and over 350,000 participants and spectators enjoyed the CVAC, ranging from young children to over 60 adult softball teams playing in city-sponsored leagues.

I'm often told by those who visit with us for the first time how impressed they are with the way Chesterfield looks. The beautiful, mature trees and landscaping set us apart from other communities and for the ninth year in a row, Chesterfield received the Tree City USA Award from the National Arbor Day Foundation.

Bringing families together in Chesterfield to recreate and relax is a goal of this administration, and we worked to accomplish this by partnering with area businesses to deliver Chesterfield's Second Annual 4th of July celebration when over 15,000 people enjoyed entertainment, food and fireworks on the parking lot of Westfield Chesterfield, now known as Chesterfield Mall after CBL Properties took over ownership in mid-October.

### PLANNING & DEVELOPMENT

The services provided to you by our staff at City Hall were improved upon this past year with the reorganization of the Planning, Engineering, Public Works, Parks and Customer Service areas. All have been designed to better serve you, our customers. In coordination with our Planning and Development Services staff, the Planning Commission and City Council worked to adopt a new Tree Manual to better allow for best practices in this area, and they reviewed 163 agenda items or projects within the City, in addition to examining 25 rezoning petitions and 19 site development plans for new construction. Overall there was 663,300 square foot of commercial development approved for construction, equating to \$118 million of investment within our community.

### COMMUNITY SERVICES & ECONOMIC DEVELOPMENT

Our friendly and experienced customer service staff managed room reservations for over 225 public meetings, in addition to assisting an average of 100 daily walk-in customers. Our long time City Clerk Marty DeMay retired in August, and it was my pleasure to appoint Deputy City Clerk Judy Naggiar to fill this position and carry on the tradition of unsurpassed responsiveness in this important area.

In the area of Economic Development, I welcomed more than 30 new businesses to town and more than 15 top executives from our largest companies took part in our business outreach program. 22 entrepreneurs graduated from the first class of the Chesterfield "Incubator Plus" program and many other seminars were offered to foster small business development.

### FINANCE AND ADMINISTRATION

Financing the operations of a City government can be challenging even in the best of times, and we continue to attract the best people in the finance field to our operations. In September, Lori Helle joined the City as Director of Finance & Administration, and Kelly Vaughn was promoted to Assistant Director of the Department.

## TIP FOR CLEARING SNOW FROM DRIVEWAY ENTRANCES

Clearing snow from the street frequently results in blockage of driveways that you've worked hard to clear. Many times during a snow event, a snowplow truck will go by and fill in the end of a freshly cleared private driveway with snow from the roadway. We know that this can be very frustrating, but snow must be plowed from the centerline of the street to the curb, and City crews are unable to remove snow windrows from over 16,000 private driveways in Chesterfield. To help reduce the size of the windrow of snow across your driveway, you can clear an area of the street gutter 10 to 15 feet in advance of your driveway. In doing this, you create a "pocket" for the snow to drop off before the plow reaches your driveway. Please be extremely careful when working next to the roadway, especially when snowplowing operations are in progress.

## DIERBERG MEDITATION PARK RECEIVES TREE CLEANUP

The ice storms of 2007 caused extensive damage to our city trees, and unfortunately Dierberg Meditation Park at River Valley Drive and Olive Boulevard was no exception. Four large elm trees sustained a significant amount of damage in the form of broken and cracked branches and subsequent poor health, and were classified as "hazard trees". We are pleased to announce that city received a Tree Resource Improvement and Maintenance Grant (TRIM) from the Missouri Department of Conservation which will cover the cost of removing the trees. While it is unfortunate that the park lost these four large shade trees, the grant will also provide funds to have these trees replaced.

## NOMINATIONS REQUESTED FOR THE THIRD ANNUAL ANCIENT HISTORY AWARD

The Chesterfield Landmark Preservation Commission, in cooperation with the City of Chesterfield, is pleased to announce that nominations are now being accepted for the Third Annual Chesterfield Ancient History – Leonard Blake Award. The award recognizes individuals and organizations that have made significant contributions to our understanding of our area's ancient past.

It is named in honor of the late Leonard Blake – an amateur archaeologist whose work documenting prehistoric Native American sites led to a large area of Chesterfield being placed on the National Register of Historic Places, known as the Bonhomme Creek Archaeological District.

Past recipients include amateur archaeologist Richard Martens and Parkway school teacher Michelle Weisenborn.

Nominations are due by February 8, 2008 and will be reviewed by the Chesterfield Landmark Preservation Commission and the Planning Commission, and will be submitted to the Mayor and Chesterfield City Council for final approval. The award will be presented at a designated Chesterfield City Council meeting.

For a nomination form, go to [www.chesterfield.mo.us](http://www.chesterfield.mo.us) and type Ancient History in the Info Finder box or call 636-537-4000.

## LAFAYETTE OLDER ADULT PROGRAM HOLIDAY BRUNCH

Join residents 55 and older from the West County area on Monday, December 10 from 10 a.m. – 2 p.m. for a Holiday Brunch at the Ballwin Golf Course at 2333 Holloway Road. Musician Ed Morris will provide entertainment from 10:30-11:30 a.m. and then brunch will be served with Bingo following. Prepayment of \$10 is required for this event. Regular meetings are held on the second and fourth Mondays that allow people to make new friends, hear great speakers and play Bingo or cards. Please call (636) 227-7508 to make your reservations or for more information.

# DANCES INTO CHESTERFIELD

A HOLIDAY CLASSIC

Chesterfield Arts and Rockwood Community Education are pleased to again present "The Nutcracker" by Alexandra Ballet as part of the Arts Alive! multicultural performance series at Marquette High School Theater.

"The Nutcracker" is a classic holiday favorite for all ages. Students from the Alexandra School of Ballet will join professional dancers to present this family-friendly 45-minute narrated production. New this year is a 2 p.m. matinee in addition to the 7 p.m. evening performance. Last year was a sell out, so be sure and reserve your tickets early! Kids, wear your favorite Nutcracker costume to the matinee and take home a free gift.

"The Nutcracker" will take place on Saturday, December 15 at 2 and 7 p.m. in the Marquette High School Theater at 2351 Clarkson Road. Tickets for "The Nutcracker" are \$12 for adults and \$6 for children age 12 and under in advance or \$15 for adults and \$7 for children at the door. To reserve tickets, contact the Rockwood School District box office, online at [www.rockwood.k12.mo.us](http://www.rockwood.k12.mo.us) and click on 'Community Education' in the Hot Links area or by calling (636)938-2302. For more information about Chesterfield Arts and its upcoming schedule, please visit [www.chesterfieldarts.org](http://www.chesterfieldarts.org) or call (636)519-1955.

## CONTINUED MAYORS LETTER

Over 1,700 business licenses were issued and our courts area handled nearly 12,000 cases. Productivity and records management were improved with the implementation of new software for financial management and human resources. And for the 17th year, our budget received the Distinguished Budget Award from the Government Finance Officers Association and a Certificate of Achievement for Excellence in Financial Reporting.

While so much of the development and other things get the headlines, the real strength of our community is you - the people who make Chesterfield a special place. Your interest in the community and your volunteer spirit is what inspired me to give Chesterfield the motto of "The City of Volunteers". To all of you who devote so much of your time volunteering to coach our kids, to help at our schools and places of worship, who donate your time to City boards and commissions, and who just find a way to give the extra effort in your neighborhoods and throughout the City, I extend to you my heartfelt gratitude. You are truly what makes Chesterfield special.

2008 will be a special year for the City as we celebrate the 20th anniversary of its incorporation. As always, I welcome your input and ideas as to how you would like to see the City commemorate this milestone.

I am proud of our accomplishments in 2007, and I'm proud of our planning and efforts to make 2008 even better. I renew my commitment to each of you that everyday we will be working to have a City and a City government of which you may rightfully be proud. Everyday we will be working to have a government which lives up to my "3 R's" of government: Responsible, Responsive, and Representative. Everyday, we will be working to make Chesterfield a better place to be.

My best wishes for the Holiday season and for a healthy and prosperous new year.

John Nations  
Mayor

## 2007 HOLIDAY TRASH SCHEDULE

Since both Christmas Day, December 25th, and New Year's Day, January 1st, fall on a Tuesday this year, the following trash collection schedule applies:

- Monday routes will not be affected**
- Tuesday routes will be picked up Wednesday**
- Wednesday routes will be picked up Thursday**
- Thursday routes will be picked up Friday**
- Friday routes will be picked up Saturday**

## CHRISTMAS TREE DISPOSAL PROVIDED BY ALLIED WASTE

Allied Waste will pick up your Christmas trees the entire month of January on your regular trash pick-up day for no additional charge. The tree must be free of all decorations including tinsel, garland, ornaments and lights. It must also be cut shorter than four feet.

## FALL GARDENING TIPS

Don't let your leaves go to waste! **Composting** helps the health of our environment and is a sustainable gardening practice. Compost includes recycling leaves, grass clippings and twigs available in our backyards which becomes rich organic matter that can be added to our soils. Healthy soil promotes healthier plants which clean the air, conserve soil and sustain healthy biodiversity.

As you begin planning your gardens for next spring, consider planting hardy, adaptable **native flora** as a border in your perennial garden. Butterflies love this type of garden and it will help sustain the lives of our native pollinators, a worthy consideration due to extreme pollinator losses. Use compost from your own yard to eliminate the need for pesticides. Using environmentally-friendly nectar and pollen-rich flora empowers our pollinators. See [www.grownative.org](http://www.grownative.org) and [www.plantsofmerit.org](http://www.plantsofmerit.org) for more information.

If you have a native/environmentally-friendly garden, join the City of Chesterfield in registering it with the National Wildlife Federation Certified Community Habitat at [www.nwf.org](http://www.nwf.org).

## RECYCLE HOLIDAY PAPER WASTE AND TELEPHONE BOOKS - CURBSIDE!

Celebrate this Holiday Season by taking actions that conserve energy! Recycle your old or surplus telephone books as well as your paper holiday gift wrappings, paper gift bags, cardboard and chipboard gift boxes, holiday cards, junk mail, catalogs, plastics #1 - #7 (no # 6's) **and so much more** in your curbside recycle bin. Help our community achieve the Countywide stipulation of 50% diversion by 2010, or sooner.

## GOT OLD OR USED ATHLETIC SHOES OR OLD, BROKEN OR OBSOLETE ELECTRONICS?

Don't throw them away! **Plan ahead to recycle them** at our "Tree Day" coming April 26, 2008! Watch for more information in the Spring issue of *The Chesterfield Citizen*.

## WAYS TO LOWER YOUR WINTER HEATING COSTS

Less energy used means less burning of fossil fuels, which means fewer pollutants released into the air. Consider sustainability this winter season by choosing to:

1. Replace some light bulbs with energy efficient compact fluorescent bulbs (CFL's); to start, try just your garage door opener lights.
2. Add insulation in your attic.
3. Update old windows with more energy efficient styles. ([www.stlhba.com/consumer/greenbuilding](http://www.stlhba.com/consumer/greenbuilding))
4. Install a programmable thermostat.
5. Use special paint – add a nontoxic ceramic powder to your paint to reduce the amount of heat passing through your walls to the outside.
6. Insulate your pipes to protect from the cold and to conserve heat.
7. Redirect the heat with your ceiling fan with the flip of a switch to a clockwise motion for Winter.
8. Replace electronics and appliances with Energy Star products. ([www.energystar.gov](http://www.energystar.gov))
9. E-cycle spent electronics/appliances at any of our 10 e-cycle St. Louis Host Sites ([www.ecyclestlouis.org](http://www.ecyclestlouis.org))
10. Carpool and consolidate trips and errands into one single trip.

**For More Environmentally Friendly Tips:** [www.Ameren.com/purepower](http://www.Ameren.com/purepower), [www.stlgreenbuilding.com](http://www.stlgreenbuilding.com), [www.dnr.mo.gov/energy/](http://www.dnr.mo.gov/energy/), [www.epa.gov/greenbuilding](http://www.epa.gov/greenbuilding), [www.eere.energy.gov](http://www.eere.energy.gov), [www.earthwayscenter.org](http://www.earthwayscenter.org), [www.usgbc.org](http://www.usgbc.org).

## SEPTEMBER STROLL A SUCCESS!

*Champ from Chesterfield Arts was on hand for the young walkers.*

It was a beautiful early fall day on September 15 that brought out numerous Chesterfield families to participate in the September Stroll around the Chesterfield Parkway. There were 90 participants who crossed the one-mile marker, 65 crossing the two-mile marker and 32 that made it to the finish line of three miles. As for the City Council Ward Challenge, the big Winner was Ward 2 with 33 participants and Ward 1 was next with 22.

Chesterfield Alliance for Positive Youth sponsored a band that played throughout the event and 15 community partners came together to exhibit, provide information and have several giveaways. Author Robert Rubright was on hand to sign his book *Walk and Rambles*.

*Council Member Lee Erickson and wife Lori, Stacey Morse and Champ.*

## NATIONAL NIGHT OUT AWARDS

On Tuesday, August 7, 2007, residents of the City of Chesterfield were joined by millions of citizens and law enforcement agencies across the nation in supporting a unique crime and drug prevention event called NATIONAL NIGHT OUT.

National Night Out was designed to heighten crime and drug prevention awareness, generate support for and participation in local anti-crime efforts, strengthen neighborhood spirit and police-community relations, and send a message to criminals letting them know that neighborhoods are organized and are fighting back.

Fifteen neighborhoods in Chesterfield responded to support this national program by participating on August 7th. They were Greenfield Village, Forest Ridge, Braefield, Lake on White Road, White Plains, Baxter Lakes, Chesterfield Hills, Windsor Place, Thousand Oaks, Greenberry Baxter Estates, Scarborough West, Wilson Farm Estates, Clarkson Woods, Greystone, and Windgate.

A contest was held during these events to select the neighborhoods that had the best participation per capita and the best program that night. Chesterfield Police Officers, V.I.P. Members, Auxiliary Officers, Explorers, and members from Pfizer Security in their Crime Prevention Partnership with the Chesterfield Police visited all of the participating neighborhoods.

Police Chief Ray Johnson presented the awards during the October 1 Chesterfield City Council meeting. The Schumacher family of Greenberry Baxter Estates, accepted the award for Best Participation, and the Tippitt family of the Clarkson Woods subdivision accepted the award for Best Program. The winning neighborhoods were given a plaque and a sign to be posted at the entrance of their subdivision announcing their efforts in crime prevention.

*Center: Chief Ray Johnson  
Right: Mike and Dana Tippitt with their children Samy and Kevin, Clarkson Woods Subdivision*

## FIRST SECTION OF LEVEE TRAIL NEARS COMPLETION

Construction of the first segment of the Monarch-Chesterfield Levee Trail is scheduled to be completed by the end of 2007. This first segment, which is 3.8 miles in length, will run from the Summit Ice Center west to the Chesterfield Valley Athletic Complex. The trail will eventually encircle Chesterfield Valley, and will have a total length of approximately 17 miles. The trail is a partnership between the City, the Monarch-Chesterfield Levee District and the Great Rivers Greenway District, and will be a key component of the Missouri River Greenway.
