III. REQUIRED MATERIALS

A. Legal description of the boundaries of the original lots and of the adjusted lots.

C. Processing fees.

A. Four copies of the condominium plat with written request from the developer.

C. Processing fees.

The display plat shall include a complete outboundary survey of the proposed subdivisions, and the location of each display in relation to proposed lots. The script shall comply with the requirements of the Department including, but not limited to, the following:

B. The display plat shall become null and void upon the recording of a record plat that establishes that each display is on an approved lot.

- C. No part of the proposed subdivision may be conveyed, nor an occupancy permit issued, for any structure therein until the display house or units have been located on an approved lot.
- D. If initial construction of a display has not commenced within 60 days, the Department's approval shall lapse and the display plat shall be null and void.
- E. Lots should be on an approved lot of record within one year of the display plat's recording or such longer period as may be permitted by the Director of Planning. If the record plat is not filed, the then-owner shall remove or cause to be removed all display houses or units from the property. Failure of owner to remove the display houses or units from the property within one (1) year plus 30 days of date of approval shall constitute the granting of authority of City to remove or cause the display houses or units to be removed, the cost of which shall be borne by the owner and shall become a lien against the property.

IV. Large Lot Subdivision:

The standards established for Sketch Plans shall apply in addition to the following:

- A. Access for proposed lots may be provided by private roadway easements which may be included as part of the gross area of the lot. Lots with double frontage shall normally have driveway access to the internal private roadway or minor street. Any other access shall be approved where justifiable topographic and other site conditions are presented which prohibit access from the internal street.
- B. Building setbacks of the zoning district shall be observed from designated private roadway easement lines and public right-of-way.
- C. Where there is a question as to the feasibility of access to a desirable building site from the proposed roadway due to factors such as creeks, steepness of terrain, or other adverse natural physical conditions, the Department may withhold approval until engineering studies are presented to the Department that establish that the site is accessible.
- D. All lots containing three (3) acres or more shall have a minimum width at the building line of 200 feet.
- E. Minimum frontage width shall be determined at the building line except that lots fronting on a circular turnaround shall have a minimum width at the required building line of 100 feet.

V. Lot Split:

Two (2) drawings of a certified survey, prepared by a land surveyor registered in the State of Missouri on paper not less than 8 1/2 inches by 11 inches in size showing the following shall be submitted:

- A. A legal description of both the original lot and each of the proposed lots. This must be surveyed and performed by a registered surveyor.
- B. North arrow and graphic scale.
- C. Location of proposed and existing streets and adjoining property.
- D. Location of all existing buildings.

- E. Within their boundaries approval of the St. Louis County Water Company and the Metropolitan St. Louis Sewer District shown on the tract drawings.
- F. Name, address, and telephone number of the owner of record and a copy of the deed of record.
- G. Filing fee.
- H. Certificate from the office of the St. Louis County Collector of Revenue showing that there are no delinquent taxes outstanding.
- I. Verification of fire hydrants and adequacy of water supply from applicable fire protection district.
- J. Verification of proper placement of survey monument from the City of Chesterfield, or an escrow agreement or land subdivision bond to guarantee installation of survey monument in accord with [Section 02-12 of the Unified Development Code](#).

VI. Record Plats:

- A. North arrow and graphic scale.
- B. The boundary lines within the outboundary lines of the subdivision with accurate distances and bearings; also all section, U.S. Survey and congressional township and range lines; and the boundary lines of municipalities; sewers, schools, and other legally established districts within and the name of or description of any of the same adjacent to or abutting on the subdivision.
- C. The lines of all proposed streets and alleys with their widths and names.
- D. An accurate delineation of any property offered for dedication to public use.
- E. The line of departure of one street from another.
- F. The boundary lines of all adjoining lands and the right-of-way lines of adjacent streets and alleys with their widths and names.
- G. All lot lines and an identification system for all lots and blocks.
- H. Building lines, including minimum side and rear yard setbacks on a typical lot and easements or rights-of-way provided for public or private use, services, or utilities, with figures showing their dimensions, and listing types of uses that are being provided.
- I. All dimensions and bearings, both linear and angular, radii and arcs, necessary for locating the boundaries of the subdivision, blocks, lots, streets, alleys, easements, building lines, and of any other areas for public or private use. The linear dimensions are to be expressed in feet and decimals of a foot.
- J. All survey monuments, together with the descriptions.

- K. Area in square feet for each lot or parcel on the plat or a supplemental sheet showing same.
- L. Name of subdivision and description of property subdivided, showing its location and area.
- M. Certification by a land surveyor who performs the property survey to the effect that the plat represents a survey made by him, and that the locations of all required survey monuments, installed or to be installed, are correctly shown thereon. The month and year during which the survey was made shall also be shown.
- N. Private restrictions and trusteeships where required by ordinance and their periods of existence. Should such restrictions and trusteeships be of such length as to make the lettering of same on plat impracticable and thus necessitate the preparation of a separate instrument, reference to such instrument shall be made on the plat.
- O. The subdivision name approved on record plat shall constitute the subdivision's official name. When a subdivision name has been changed, all subsequent plats submitted for processing shall reference the original name, which should include names recorded on site development concept and section plans. Any other name used for advertising or sales purposes does not constitute an official revised name unless approved on a plat of record approved by the City Council.
- P. If the developer places restrictions on any land contained in the subdivision that is greater than those required by the Zoning Ordinance or this appendix such restrictions or references thereto should be indicated on the plat.
- Q. Zoning district, and zoning district boundary line when property is located in more than one district, special procedure or planned district and ordinance numbers or date of order (density development) when applicable.
- R. Accurately note elevation referring to mean U.S.G.S. datum for permanent benchmark.
- S. Cumulatively, all record plats shall contain enough common land to support the lots platted. All remaining common ground is to be platted with the recording of the final lot, unit, or phase of the development.

Prior to the Department forwarding the record plat to City Council, the developer shall provide the Department with the following documents, as they may be applicable:

- A. Guarantee of installation of water mains from St. Louis County Water Company.
- B. Street lighting contract from Union Electric. Submittal of contract is optional and is to be accepted in lieu of an increased value for escrow of actual construction costs.
- C. Verification of street names and addresses from U.S. Postal Service-Customer Services Department.
- D. Verification of location of fire hydrants and adequacy of water supply from applicable fire district.
- E. Tax certificate or copy of paid tax bill from the Office of the St. Louis County Collector of Revenue.

- F. Highway inspection fees or payment verification of highway inspection fees paid from the City of Chesterfield or St. Louis County Department of Highways and Traffic.
- G. Subdivision processing fees.
- H. Any special study or engineering calculations required.
- I. Trust indenture and warranty deed for common land conveyance, accompanied by a letter of compliance from an attorney.
- J. Letter from sanitary sewer company certifying connection fees have been paid.
- K. Verification of proper placement of survey monuments from the Department of Planning.

VII. Sketch Plans

- A. The location of the tract in relation to the surrounding area.
- B. The approximate location of all existing structures within the tract proposed to be retained and wooded areas within the tract and within 100 feet thereof.
- C. The names of the owners of all property adjoining the tract as disclosed by the most recent assessor's record.
- D. All existing streets, roads, and approximate location of wet and dry weather water courses, floodplain areas, sink holes, and other significant physical features within the tract and within 150 feet thereof.
- E. Approximate location of proposed streets and property lines.
- F. A rough sketch of the proposed site plan.
- G. A north arrow and scale.
- H. Direction of and approximate distance to nearest existing major street intersection.
- I. Approximate location of any historical building as identified by the St. Louis County Historic Building Commission or the Chesterfield Historic and Landmark Preservation Committee within the boundaries of the tract.

VIII. Vacation of Subdivision (Note: Pertains to vacation of any part of a subdivision)

- A. Whenever any person may desire to vacate any subdivision or part thereof in which he shall be the legal owner of all of the lots or may desire to vacate any lot, such person or corporation may petition the City Council giving a distinct description of the property to be vacated and the names of the persons to be affected thereby.
- B. The petition shall be filed together with a filing fee in the sum of \$250.00 with the City Clerk who shall give notice of the pendency of the petition in a public newspaper in the same manner as set forth in [Section 02-02 of the Unified Development Code](#).
- C. If no opposition is made to the petition, the City Council may vacate the same with such restrictions as they may deem for the public good. If opposition is made, the petition shall be set down for public hearing before the City Council.
- D. Prior to City Council action, the petition shall be referred to the Department of Planning for review and comment.
- E. If the developer fails to cure all noncompliance with improvement requirements, the Director may initiate proceedings to vacate the undeveloped portion of the subdivision. For the purpose of this section, the undeveloped portion of the subdivision does not include lots that have been sold or are under bona fide contract for sale to any person for personal use or occupancy.

IX. Vacation of Easement/Right-of-Way

- A. Complete a vacation of easement or right-of-way petition by the interested party with original signatures, notary seals, and filing fees. (*signed and notarized consent letters from all adjacent property owners are also required for vacation of right-of-way)
