Chesterfield Citizens Environmental Advisory Committee (CCEAC)

Introducing QR Codes in all group documents

In order to offer quick and easy access to the Citizens

And to reduce paper usage

How to scan the code

Open the camera app

Point it to the printed QR code

A floating address will appear on the screen

Tap on the floating address

The website will open with the information / document

It will be available for use electronically

All CCEAC documents are available in Chesterfield city MO website. See the address below.
