

GREEN TEAM

(Established 1995)

Recipients of the "Green Team" Emblem from the CCEAC are distinguished in their outstanding or innovative environmental efforts. They have educated and facilitated change by encouraging the reduction, reuse and recycling of solid waste materials destined for landfills or they have helped enhance native/natural world conservation. 66 members... and growing!

**Team for Regional
Excellence in Energy
and Environmental
Design (TREEED)
PARTNERS
(Established 2006)**

Diverse regional and state conservation partners working together to provide educational information to citizens in the region with a goal of increasing sustainability and improving health.

20 members... and growing!

(Please view city website for complete listing of Green Team and TREEED Partners.)

How to become a member of the CCEAC ...

CCEAC members are volunteer-appointees. They are appointed by the Mayor, are residents of Chesterfield and come from all walks of life with diverse professions and avocations. If interested in membership, please contact one of your elected Ward Council persons to express interest and send your resume to the Mayor at City Hall .

CCEAC's logo/green team emblem shows the 3R's arrows (reduce, reuse, & recycle) surrounding the City of Chesterfield's Logo symbolizing the City's 100% support of the 3R's. The butterfly, most sensitive of the pollinators, represents our beautiful, natural world of which we ALL must be aware so that we can all help to conserve our natural resources.

Chesterfield Citizens Environmental Advisory Committee (CCEAC)

MISSION STATEMENT

⇒ The Chesterfield Citizens Environmental Advisory Committee, acting in an advisory capacity to the Parks, Recreation and Arts Department, seeks to:

⇒ Research and recommend implementation, improvements, and extensions of all recycling issues relevant to the City.

⇒ Investigate and identify environmental issues to enhance the City's quality of life.

⇒ Provide material and discussions for education in the areas of recycling, conservation, and control of our environment.

⇒ Serve as a source of feedback to the Parks, Recreation and Arts Department for citizen recommendations and concerns for recycling and environmental issues.

CCEAC Partners with Missouri Recycling Association, America Recycles Day, Dept. of the Interior/Fish & Wildlife, Missouri Department of Natural Resources, Missouri Department of Conservation, U.S. Green Building Council, St. Louis County Department of Health, St. Louis Jefferson Solid Waste Management District, Conservation Federation of MO, the National Wildlife Federation, BiodiverseCity St. Louis/Missouri Botanical Garden and the Butterfly House.

The volunteer-appointees of the CCEAC opt to volunteer their time and talents working with and through our city government to:

⇒ Enhance environmental opportunities for families, business, & subdivision trustees.

⇒ Extend CCEAC's reach in the pursuit of conservation of our natural resources by submitting grant applications, pursuing & creating funding sources.

⇒ Seek out and establish partnerships with neighbors, not-for-profits, schools, Boy and Girl Scouts, business professionals, & City committees for CCEAC's "Green Team", and its "Stellar Green Youth Team".

⇒ Establish TREEED Partners (Team for Regional Excellence in Energy and Environmental Design) to achieve greater contributions to sustainability locally and regionally.

⇒ Educate community members about healthy biodiversity, natural resources conservation, recycling & sustainability.

⇒ Improve quality nature and native habitats in the region.

⇒ Complement Chesterfield's commitment to healthy green spaces, biodiversity and the web-of-life.

⇒ Sponsor events such as Earth Day, National & State Arbor Days, America Recycles Day; Energy, Compost, Bird, Pollinator, Water and Wildlife Awareness.
