Acting Director

*Stephanie Leon Streeter, P.E.*  
Deputy Director

**Updated:** January 3, 2018

**CREVE COEUR MILL ROAD BRIDGE NO. 215 OVER LITTLE CREVE COEUR CREEK**  
**St. Louis County Project No. AR-1278**  
**Federal Project No. BRM-5526(641)**

**NOTICE OF ROADWAY CLOSURE (CREVE COEUR MILL ROAD)**

The bridge and roadway construction for the above referenced project require that Creve Coeur Mill Road be closed to all traffic (vehicular and pedestrian) between Olive Boulevard and Route 141. Drivers are advised to use the signed detour route utilizing Route 141 and Olive Boulevard to circumvent the roadway closure.

**Due to unforeseen utility conflicts, construction related delays and the onset of winter weather, completion of the project is behind schedule. Work on the project has been temporarily halted while a design solution is developed to resolve a recently discovered construction issue. Creve Coeur Mill Rd is now expected to be open to traffic in early Spring 2019.**

If you have any questions concerning this project, please contact one of the following:

1. St. Louis County Department of Transportation:
  - a. **James Wright, Project Manager, 636-751-0458**
