RESOLUTION #75 - LINE OF CREDIT

As was approved by City Council upon incorporation of the City of Chesterfield, a line of credit has been established with Mark Twain Bank for use by the City, on an as-needed basis annually. The possibility exists, due to cash-flow situations, that we will continue to need to avail ourselves of this line of credit, at certain times during the coming year.

With this in mind, City Council, at Monday's meeting, needs to adopt Resolution #75, which authorizes the Acting-Mayor to execute on behalf of the City of Chesterfield all documents required for such an extension. Please be advised that this line of credit will not be utilized unless absolutely necessary. By the way, this will be the third such document executed by the City of Chesterfield since its incorporation. I have scheduled introduction of this Resolution to occur under the report of Councilmember Doug Hartman, Chairperson of the Finance and Administration Committee.

Re: Line of credit

Dear Mike:

Enclosed please find the new revolving line of credit from Mark Twain Bank as well as my opinion letter. The only thing that needs to be done is to change the note to reflect the signature by acting Mayor Fawcett vice Mayor Steinbach.

Very truly yours,

Douglas R. Beach
