MEMORANDUM

FROM: Brenda Love Collins, Assistant City Administrator/
Personnel Director

DATE: December 9, 1988

SUBJECT: PREMIUM CONVERSION, SECTION 125 PLAN

Attached please find all the necessary documents provided to the City by Mr. Kenneth Dixon, J. W. Terrill, Inc. to implement the premium conversion of employee paid health and dental premiums under the provisions of the IRS code, Section 125. The documents include:

- (1) The Flexible Benefit Plan Document which should be kept on file at all times for reference and complete description of the rights and privileges of the employer and employee under the plan. It should be witnessed and executed (page 23) following approval of the plan.
- (2) A form Letter to the U. S. Department of Labor which must be filed once the Section 125 plan is approved.
- (3) A sample Resolution for use by the City Council to be used to approve the Section 125 plan.
- (4) A sample Letter to Employees explaining the new benefit to employees.
- (5) A sample Election Form to be used by employees to determine if they wish to participate in the program or not.

As you will recall, only the premium conversion benefit of Section 125 was approved by the Finance and Administration Committee. The particular documents provided reflect only the health and dental premium choices for the employee. You will note, however, that the Plan Document is designed so that it can be broadened at any time to include any other areas of a flexible benefit plan we may wish to provide in the future.

The generic part of the Section 125 plan document was originally prepared for J. W. Terrill, Inc. by the law firm of Ivans, Phillips and Barker, a Washington, D.C. firm. It should be technically correct for filing under the provisions of the Section 125.

Ken Dixon will also be able to produce a computer printout for any employee who desires to know the affect of their premium conversion election on their Social Security. This information will be added to the sample Letter to Employees.

Please let me know if I can provide you with any other information.

Participants in the Medical Plan, as described in Sections 4.01 and 4.02, will be considered as having elected to participate in the Plan unless they deliver a form to the Committee within the time period specified in the Plan.

ARTICLE 4

Contributions

Section 4.01 Insurance Contributions. For any Plan Year, each Member may elect to have contributed to his or her Account a specified amount of his or her Compensation for such Plan Year to pay for benefits under a Medical Plan. The amount of such contributions shall be determined in accordance with the type of coverage the Member elects under his or her Medical Plan and in accordance with the terms of such Plan. The maximum amount which a Member may elect shall be the maximum contribution which may be elected by such Member under such Medical Plan.

ARTICLE 5

Elections

Section 5.01 In General. Elections of contributions and benefits shall be made at the time, in the manner and subject to the conditions specified by the Committee which shall prescribe uniform and nondiscriminatory rules for such elections. Members may elect whether or not to have salary reduction contributions made on their behalf to a Medical Plan under Section 4.01. The Committee may require either that a Member affirmatively elect salary reduction contributions or affirmatively elect not to have salary reduction contributions made on his or her behalf.

Section 5.02 Period of Coverage. Except as provided in Sections 5.03 and 5.05, any Member electing contributions and benefits must make an irrevocable election for a Period of Coverage of an entire Plan Year.

Section 5.03 Fractional Periods of Coverage. Members who become eligible to participate in the middle of a Plan Year may elect to participate during a Period of Coverage which lasts until the end of the current Plan Year. In such cases, the interval commencing the day after their elections are made and ending at the end of the current Period of Coverage shall be deemed to be their Period of Coverage. Such Members must elect to participate no later than 30 days after becoming eligible to do so or within such other time limit as the Committee may prescribe.

Section 5.04 Timing of Elections. Elections of contributions and benefits for a Period of Coverage shall be made prior to such Period of Coverage, provided that where a Member commences or recommences participation in the middle of a Period of Coverage, he or she shall make elections prior to commencement of participation.

Section 5.05 Changes of Election. Elections of contributions and/or benefits may not be changed in the middle of a Period of Coverage unless:

(a) such change is on account of and consistent with a change in family status or such other change which, pursuant to Code section 125 and the regulations thereunder, permits an event in such election (e.g., because of marriage, divorce, death of a spouse or dependent or other decrease in the number of a Member's dependents, birth or adoption of a child or other increase in the number of a Member's dependents, or change in the employment status of a Member of his or her spouse);

(b) the Committee rules permit such a change; and

(c) if applicable, such change is permitted by the Medical Plan covering the Member.

For purposes of this Section, a failure to elect shall be considered an election and a change from or to a zero amount of contributions shall be considered a change of an election. Changes in elections shall only be effective as to contributions and benefits following the effective date of such changes.

Section 5.06 Medical Plans. Elections of contributions and benefits under Section 4.01 shall be subject to the rules governing elections of benefits under a Member's Medical Plan.

Section 6.03 Cash Benefits. Members may also receive cash benefits in lieu of salary reduction to fund the benefits described in Sections 6.01(a). Cash benefits in any Plan Year shall be equal to the maximum permissible salary reduction which the Member could elect under Section 4.01 for such Plan Year less salary reduction contributions actually elected by the Member under such sections.

ARTICLE 7

Limitations on Benefits

Section 7.01 Coverage. Amounts for a particular Benefit may only be paid for expenses incurred during the Period of Coverage elected for such Benefit and only from contributions made for such Benefit during such Period of Coverage.

Section 7.02 Medical Plan. Coverage and limitations for a Member's Medical Plan benefits shall be as set forth in the Member's Medical Plan.

ARTICLE 8

Nondiscrimination

Section 8.01 Reduction of Contributions and Benefits. The Committee may reject any election and reduce the amount of contributions or nontaxable benefits to the extent the Committee deems necessary to assure that the Plan does not discriminate in favor of Highly Compensated Members in violation of Code section 125 or any other applicable provision of law or to prevent taxation of key employees under the provisions of Code section 125(b)(2). Any rejection of elections or any reduction of contributions or benefits shall be made by the Committee on a reasonable and nondiscriminatory basis. Contributions which may not be paid out because of benefit reductions imposed by this Section 8.01 shall be forfeited.

Section 8.02 Prohibition of Discrimination. Any discretionary acts to be taken under the terms and provisions of this Plan by the Committee or by the Employers shall be uniform in their nature and application to all those similarly situated, and no discretionary acts shall be taken that would be discriminatory under the provisions of the Code relating to cafeteria plans, medical reimbursement plans or dependent care assistance plans as such provisions now exist or may from time to time be amended.

ARTICLE 9

Accounts

Section 9.01 Accounts. A separate Account shall be maintained for each Member to reflect the amount of contributions on his or her behalf under Article 4 and the cost of all benefits paid to the Member or on the Member's behalf under the Plan with subaccounts for each of the possible Benefits.

SUMMARY FOR THE
CITY OF CHESTERFIELD
FLEXIBLE BENEFIT PLAN

1. WHAT IS THE PURPOSE OF THIS PLAN?

This plan was developed to allow employees of the City of Chesterfield to use before-tax earnings to purchase optional benefits under the Plan. The Plan enables employees to choose to pay for benefits with before-tax earnings.

2. WHO IS ELIGIBLE TO PARTICIPATE?

If you were a full time employee, eligible to participate in the Medical Plan, of the City of Chesterfield on the Effective Date of the Plan, you are automatically eligible to participate in this Plan.

If not, you may participate in this Plan on the first day of the month following the day you become eligible to participate in the Medical Plan of the City of Chesterfield.

3. WHEN DO I ELECT TO MAKE THE CONTRIBUTIONS IN ORDER TO PURCHASE BENEFITS UNDER THE PLAN?

Prior to the date of entering the Plan and prior to the beginning of each Plan Year, you will have the opportunity to elect to contribute (on a form furnished by the Employer) a portion of your compensation to pay for employee benefits.

Your contributions will be made from your before-tax compensation. When you make your contributions from your before-tax compensation, you will reduce your compensation for tax purposes.

4. WHAT ARE THE BENEFITS AVAILABLE TO ME?

A participant may choose under this Plan to receive their full compensation for any plan year in cash or to have a portion of it applied by the City toward the cost of one or more of the following optional benefits:

- (a) Employee dental insurance premium costs paid by the employee;
- (b) Dependent dental insurance premium costs paid by the employee;
- (c) Dependent medical insurance premium costs paid by the employee.

The company may elect to add, delete, or change any benefits under this Plan. Your participation shall terminate when you leave employment, if you are no longer eligible under the terms of any insurance policies, or when insurance coverage terminates, whichever happens first.

5. IF I ELECT TO REDUCE MY COMPENSATION UNDER THE PLAN, WILL I HAVE TO PAY ADDITIONAL TAXES AT THE END OF THE YEAR?

No. By using salary reduction to pay for optional benefits, the amount of compensation used to pay the cost of optional benefits is no longer subject to taxation. Therefore, the salary reduction will not cause the employee to owe any additional taxes at the end of the year. However, since your salary will be reduced, a smaller social security contribution will be made on your behalf. This may reduce your future social security benefits.

6. CAN I CHANGE MY ELECTION DURING A PLAN YEAR?

Once you have made an election you may not change during the plan year unless you have a "change in family status". This would include marriage, divorce, death of a spouse or child, birth or adoption of a child, or termination of employment of a spouse.

7. WHAT ELSE DO I NEED TO KNOW?

As a participant in the City of Chesterfield Flexible Benefit Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

- (a) Examine, without charge, at the plan administrator's office, all plan documents, and copies of all documents filed by the plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions.
- (b) Obtain copies of all plan documents and other plan information upon request of the plan administrator. The administrator may make a reasonable charge for the copies.

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Under ERISA, there are steps you can take to enforce your rights. For instance, if you request materials from the plan and do not receive them within thirty (30) days, you may file suit in a federal court. In such a case, the court may request the plan administrator to provide the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you have any questions about your Plan, you should contact the plan administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact the nearest Area Office of the U.S. Labor-Management Services Administration, Department of Labor.

The previous questions and answers give you a brief description of this cafeteria plan. The complete Plan is a legal document which includes these provisions and numerous others. In the event of any inconsistency between this description and the actual provisions of the Plan, the Plan Document will govern.

Dear Employee:

I would like to introduce you to a new feature of your benefits program.

This new feature will increase your spendable income, reduce your taxes, and save you money on the medical insurance premiums you pay out of your pocket each year.

Under current tax legislation, employers are able to offer employees the benefit of having their portion of medical insurance premiums deducted from their paychecks before taxes are taken out. In the past, your portion of these premiums have been deducted after your pay is taxed.

With this new feature, your premiums will still be deducted from your regularly-scheduled paycheck. The difference is that your premiums will be deducted before taxes are withdrawn. The following example shows how this can save you money.

Suppose that you have a taxable income of \$25,000 and your portion of the medical insurance premium is \$140 a month (\$1680 a year). In this example, your new benefit saves you \$479.

Here's how:

	<u>Without Benefit</u>	<u>With Benefit</u>
Employee's Taxable Income	\$25,000	\$25,000
Less Before-Tax Medical Insurance Premium	0	- 1,680
Employee's Taxable Income	25,000	23,320
Less Estimated Federal, State and Social Security Taxes*	- 3,990	- 3,511
Employee's Net Earnings	21,010	19,809
Less Employee After-Tax Medical Insurance Premium	- 1,680	0
Employee's Spendable Income	19,330	19,809

EMPLOYEE ANNUAL SAVINGS = \$479

*Social Security taxes are reduced when using pre-tax dollars; and therefore, you may see a slight reduction in Social Security benefits when you are eligible to receive them.

Please indicate on the attached election form whether or not you desire to take advantage of this new tax savings feature. This feature is called an Employee Premium Conversion Program because it converts your regularly-scheduled payroll deduction for group medical insurance from an after-tax to a before-tax basis.

You should complete and return the attached election form to _____ by _____, whether or not you want to take advantage of the new Program.

Because of federal tax law requirements, you cannot change your election during a plan year unless a change in your family circumstance necessitates a new election for the remainder of the year. However, once each year, you will be given an opportunity to make a new election for the upcoming plan year. The election you make on the attached form will continue in effect unless you file a new election form during one of these annual election periods.

Please feel free to contact _____ if you have any questions regarding this new Program. This explanation is intended to provide you with general information. All questions concerning the specifics of your benefit program will be determined by the terms of the appropriate plan documents as interpreted by the Company.
